**SOLL (VALE)**  
**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 MARCH 2012 (CONTINUED)**

**Structure Governance and Management**

SOLL (Vale) was established as a trading subsidiary of SOLL Leisure Group and commenced trading on 1 September 2004

The governing document of SOLL (Vale) is the Memorandum and Articles of Association. SOLL (Vale) is part of the SOLL Leisure Group of companies providing leisure management services principally to local authority clients. In the notice for an annual general meeting, the Board sets out its requirements for the skills, qualities and experience that it needs from its members. In exercising its powers to nominate, appoint, reappoint, elect, re-elect, approve and dismiss Trustees, both the members and Trustees shall seek to ensure that the Board of Trustees is representative of the local community and users of the services and facilities offered by the Trust and also comprises persons with a broad range of skills and who are likely to contribute to the Company's success. Potential Trustees are inducted by means of an induction programme that includes background to SOLL (Vale), purpose of the post, duties, liabilities, and roles and responsibilities. Training is also provided by the Managing Director who is also the Company Secretary. The key roles that the Board performs and provides are leadership, advocacy, influence, strategic direction and governance. The day to day operational management and decision making within the business is provided by the Managing Director and the Senior Management Team.

SOLL (Vale) recognises that there are risks within the business including competition, limited catchment, and changes in fashion and lifestyle. The SOLL (Vale) Board and the SOLL Leisure Group Finance Sub-Committee review these on an ongoing basis. A risk management matrix has been produced that identifies the potential risks impacting on the business and this is reviewed annually. Systems and procedures are in place to manage both the strategic and operational risks. The company keeps abreast of research in the leisure industry and is constantly reviewing and changing its programme to cater for new activities and examples of these can be found at all centres. In previous years it has been reported that the industry recognised area for significant growth in the next 5-10 years is health and fitness and wellness and the Trustees continue to believe that this is the case. The Trustees are however mindful of the need to develop strategies to create reserves that will cushion the charity against any economic downturn, change in legislation or threat to grant funding arrangements from public sector partners.

**Objectives and Activities**

The objects of the Trust (Memorandum of Association clauses 3.1 & 3.2) are to provide or assist in the provision of or to promote for the benefit of the inhabitants and visitors to the Vale of White Horse and surrounding area, facilities for recreation and other leisure time occupation for individuals who have need of such facilities by reason of their youth, age, infirmity, disablement, financial hardship, social or economic circumstances or for the public at large in the interests of social welfare and with the object of improving the conditions of life of the said individuals, and such other charitable purposes beneficial to the community consistent with the objects as the Trustees shall determine.

SOLL (Vale) is a management company that uses its experience, skills and expertise to manage sports/leisure facilities. It maintains strong partnerships with local authorities and schools. Oxfordshire County Council (OCC) owns two of the five facilities managed by the company. OCC has Joint-Use Agreements for community use with the Vale of White Horse District Council (VOWHDC). The Joint-Use Agreements ensure school use of the facilities during specified times with remaining time available for the community. The company manages the centres under an agreement with VOWHDC that reflects the respective Joint-Use Agreements and receives funding for this in the form of a contribution to revenue costs from OCC and a fee for services from VOWHDC.

In June of 2010 Soll (Vale) took on the management of the Park Club in Milton for a period of three months. After a successful three months operating the facility and after a due diligence process the company agreed terms for a 23 year lease on the premises. The facility comprises a 20 meter swimming pool, sports hall, two dance studios and a 100 station gym.

SOLL (Vale) aims to provide quality assured services and in the year utilised its brands and relationships with key industry partners as well as nationally recognised quality frameworks including Sport England Quest and Investors in People.

## SOLL (VALE)

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2012 (CONTINUED)

#### **Achievements and performance**

To assist the integration of new elements of the business and achieve the objectives outlined above a corporate consultation and alignment process was further developed in 2007/08. As part of this process stakeholders, supported by an external facilitator, collaborated to define the purpose and values of the company in a way that is simple to articulate. The outcome of the consultation was a new mission statement for the Charity.

**“More people, more active, more often!”**

The organisation believes in the value of developing its people and so it recognises that to meet the challenges of its future growth it needs to develop a strategy that incorporates the commitment and development of people at all levels of the business. SOLL (Vale) continues to continuously improve and this has resulted in a policy to put forward the leisure centres operated by the company for the Sport England Quest Standard. Quest is the UK quality scheme and is the recognised industry quality standard for the management of sport and leisure facilities throughout the UK. Quest is based on, and meets all the criteria, of the European Foundation for Quality Excellence model that facilitates continuous improvement and quality standards for customers. When coupled with the Sport England Benchmarking Surveys, Quest accreditation provides quality assurance for clients and customers. In the last year SOLL (Vale) has provided more activities for more people than ever before and surveys of customer's show that there is a very high level of satisfaction with service provision.

#### **Public benefit**

The Trustees have complied with the duty within the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

The Board of the company is delighted with the strong financial performance of the company which is far better than the market sector performance. Because of this improvement the charity has been able to deliver many new initiatives which enhance the benefits available to the public.

SOLL (Vale) made recreational facilities available for the community at large during the course of 2011/2012. Within the year participation in sport and recreation within the facilities rose from 402,091 to 487,779 an increase of over 20%. The increase in participation is attributable to the 36% reduction in membership prices which occurred within this year.

SOLL (VALE) has provided free swimming for under 16s over the course of the summer season and this was enjoyed by some 2000 participants. Additionally the company has also provided free swimming for the under 8s at all swimming venues operated by the charity.

As a charity SOLL (VALE) seeks to engage with those within the community who, because of their circumstances, would not otherwise be able to participate in sport and recreation. The targeted activities that were provided over the course of the year included a GP referral scheme (64 participants), disability swim session (624 participants) and disabled multi use sessions (306 participants).

SOLL (Vale) provides a concessionary entrance schemes that provides discounts on activities for those within target groups and these concessions are available at all facilities offered by SOLL (VALE). In total 24 members of the community participated in these schemes over the course of the year.

In this year the financial success of SOLL (VALE) has given the trustees the opportunity to undertake a strategic review of the societal value that the company is delivering to the community. The outcome of the review has been a 60% reduction in the price of the company's leisure card scheme. The leisure card provides discounts to those within the community who are less able to participate because of their personal circumstances. The trustees consider this a huge success for the charity and look forward to reporting the outcome of this excellent and unique initiative in future years.

## SOLL (VALE)

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2012 (CONTINUED)

Soll (VALE) is conscious of the national agenda to reduce the incidence of childhood obesity. Having considered how to effectively support an increase in participation from this target group Soll introduced a free swimming initiative for children under the age of eight and also for children under the age of sixteen for a specific time period. As a consequence participation in this target group increased by 3,038. Additionally the company provided the Tilsley Park athletics facility free of charge to local comprehensive schools and this provided an opportunity for 2,900 school children to participate in athletics at this venue.

Soll is conscious of the impact that the company's activities have on the environment. Soll has started to develop an internal Environmental & Sustainability Integrated Management System which is the driving force behind the company's commitment to gaining the internationally recognised environmental management standard ISO 14001 by the end of 2012.

Soll continues to monitor utilities on a daily basis which has produced a culture of monitoring, reviewing and reporting. Couple this with investments in items such as PIR (passive Infra red) sensors on lighting and the year on year results have been very positive.

The table below shows the year on year results of electricity and gas usage across all Soll sites (except Abbey Meadows). In summary Soll used over half a million less kilowatt hours (kWh) of energy and emitted over a hundred thousand less kilograms of carbon dioxide (kgCO<sub>2</sub>) into the environment this year than last year.

2010/2011	2011/2012	Var	% Var.	kg Co2
Overall Utility Usage (kWh)	Overall Utility Usage (kWh)	(kWh)		
5,719,580	5,140,867	578,713	10.1%	114,080

### Financial Review

SOLL Vale receives the majority of its income in advance or at the time of providing the service and as a consequence the company benefits from a good cash flow. Cash flow in the year was affected by new competition in Faringdon, inclement weather over the summer period which affected trading at the outdoor swimming pool and a winter that was comparatively harsh. Income continued to grow in the year and it is anticipated that there will be continued growth in following years.

Within the financial year costs were incurred at a lesser level than anticipated on facility maintenance and this is as a consequence of the investment in the previous years. Employee costs reduced year on year as a consequence of the reduction in opening hours at Tilsley Park and reduced costs associated with a human resource needs assessment.

In summary the charity was able to deliver excellent services, fulfil its charitable objects, reduce the grant requirement from public sector partners and create a surplus which will contribute towards the reserves of the charity.

**SOLL (VALE)**  
**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 MARCH 2012 (CONTINUED)**

**Future Plans**

SOLL (Vale) has been operating as a company for 8 years. It has already established a strong platform. Prospects for 2012/13 look very good particularly because of the acquisition of the Park Club, a review of the membership structure and revisions and improvements to the offer, the move towards Membership Agreements and improving membership sales and retention. Regular promotional and marketing initiatives support the new focus. SOLL (Vale) continues to build on the four key brands of SOLLutions, Camp SOLL, Soll Swim School and the Kool 'n' Krazy children's birthday parties. SOLL (Vale) will continue to work with partners to identify priority areas for developing existing centres to increase income and improve the customer experience.

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Annual Report and the accounts in accordance with applicable law and regulations.

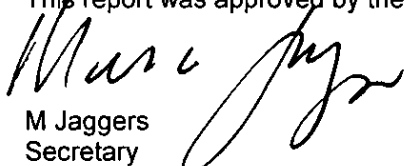

Company law requires the Trustees to prepare accounts for each financial year. Under that law the Trustees have elected to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these accounts, the Trustees are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as the trustees are aware, there is no relevant information (information needed by the company's auditors in connection with preparing their report) of which the company's auditors are unaware and each trustee has taken all steps that he ought to have taken as a trustee in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This report was approved by the Trustees on 6<sup>th</sup> August 2012

  
M Jagers  
Secretary

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF SOLL (VALE)

We have audited the financial statements of SOLL (Vale) for the year ended 31 March 2012 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of trustees and auditors**

As explained more fully in the Trustees' Responsibilities Statement set on page 4, the trustees (who are also the directors of the charitable company for the purposes of the company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practises Board's (APB's) Ethical Standards for Auditors, including APB Ethical Standard – Provisions Available for Small Entities (Revised), in the circumstances set out in note 1 to the financial statements.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the trustees, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2012 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS**  
**OF SOLL (VALE) (continued)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosure of trustees' remuneration specified by law are not made, or
- we have not received all the information and the explanations we require for audit

## SOLL (VALE)

### NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2012

#### 1 ACCOUNTING POLICIES

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards and the Statement of Recommended Practice (SORP), Accounting and Reporting by Charities published in April 2005 and the Companies Act

##### a) **Tangible fixed assets**

These are included at cost less accumulated depreciation. Fixed assets with a cost of less than £1,000 are not capitalised. Depreciation of fixed assets is calculated to write off their cost less any residual value over their estimated useful lives as follows

Leasehold buildings	- 10 years (length of lease)
Equipment	- 3 to 5 years

##### b) **Leases**

Rentals paid under operating leases are charged to income as incurred. Lease incentives (including rent free periods) are spread over the period up until the next rent review date.

Assets obtained under finance leases are capitalised as tangible assets and depreciated over the lease term. Obligations under such agreements are included in creditors net of the finance charge allocated to future years. The finance element of the rental payment is charged to the statement of financial activities on a straight line basis.

##### c) **Stocks**

Stocks are valued at the lower of cost and net realisable value.

##### d) **Pensions**

Contributions are charged to the statement of financial activities as they become payable in accordance with the rules of the scheme.

##### e) **Incoming resources**

Income from leisure centres is normally accounted for when received. However courses income is deferred until the course commences and annual membership is taken to income over the membership year. Funding from local authorities is accounted for in the period to which it relates.

##### f) **Resources expended**

Resources expended are included on an accruals basis and apart from governance costs all relate to the charity's sole charitable activity of operating leisure centres. Any irrecoverable VAT is included under the supplies and services heading.

##### g) **Intangible assets**

Specific pre-start up costs (including payment for goodwill) are capitalised as an intangible asset and amortised over a period of 2 years.

## SOLL (VALE)

**NOTES TO THE ACCOUNTS  
FOR THE YEAR ENDED 31 MARCH 2012 (CONTINUED)**

**2 INCOMING RESOURCES FROM CHARITABLE ACTIVITIES**
