Policy

Detailed below is WSM Marks Bloom LLP's policy in relation to:

- Staff allocation and the use of subcontractors
- Professional advisors
- Disbursements

Staff allocation and the use of subcontractors

The general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case. The constitution of the case team will usually consist of a Partner, a Manager, and an Administrator or Assistant. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and the experience requirements of the assignment.

We have not utilised the services of any sub-contractors in this case.

Professional advisors

We have not used any professional advisors on this case.

Disbursements

A summary of the expenses paid out can be found in the Receipts and Payments account. These expenses are in line with those anticipated at the outset of the Liquidation and were outlined to the members when the basis of my fees was approved.

Category 1 disbursements do not require approval by creditors or members. The type of disbursements that may be charged as a Category 1 disbursement to a case generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, room hire and document storage. Also chargeable would be any properly reimbursed expenses incurred by personnel in connection with the case.

Category 2 disbursements do require approval from creditors or members. These are costs which are directly referable to the appointment in question but are not payments which are made to an independent third party and may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis such as internal room hire or document storage.

We would confirm that this firm does not seek to charge any Category 2 disbursements.
