PRINCIPAL ACTIVITY, REVIEW OF THE BUSINESS AND FUTURE DEVELOPMENTS

The Company operates primarily as a funding vehicle for Land Securities Group PLC and its subsidiaries. It does this by issuing debt in the market and lending the proceeds to the Group's subsidiaries. No changes in the Company's principal activity are anticipated in the foreseeable future.

FINANCIAL RISK MANAGEMENT

The Company's debt financing exposes it to a variety of financial risks that include the effects of changes in debt market prices, liquidity and interest rates.

The Company's principal financial assets are cash and inter-company loans, it therefore has negligible credit risk. The Company's Notes are listed on the Irish Stock Exchange.

The Company has negligible interest rate risk as all Notes have fixed interest except the £23.5m 4.625 per cent Notes which were repaid in May 2011.

While the Company has minimal short-term liquidity requirements, any funding requirements would be covered by committed facilities held by other group companies.

The fair value of the Company's borrowings varies according to changes in the market cost of borrowing.

POST BALANCE SHEET EVENTS

On 3 May 2011, all £23.5m of the remaining 4.625 per cent Notes due in 2013 were repaid.

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Company's affairs as at 31 March 2011 and of its profit for the year then ended,
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice, and

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

The debt structure has a tiered covenant regime which gives substantial operational flexibility when loan to value and interest cover in The Security Group is less than 65% and more than 1.45 times, respectively. When these limits are exceeded, operational restrictions increase significantly and could act as an incentive to reduce gearing.
