**Chartered Accountants' Report to the Director on the Preparation of the Unaudited
Statutory Accounts of
Thoroughbred Design and Print Limited
for the Year Ended 30 September 2014**

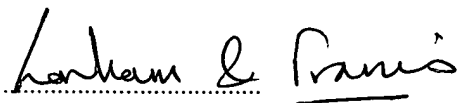

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the accounts of Thoroughbred Design and Print Limited for the year ended 30 September 2014 from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at icaew.com/membershandbook.

This report is made solely to the Board of Directors of Thoroughbred Design and Print Limited, as a body, in accordance with the terms of our engagement letter. Our work has been undertaken solely to prepare for your approval the accounts of Thoroughbred Design and Print Limited and state those matters that we have agreed to state to them, as a body, in this report in accordance with AAF 2/10 as detailed at icaew.com/compilation. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Thoroughbred Design and Print Limited and its Board of Directors as a body for our work or for this report.

It is your duty to ensure that Thoroughbred Design and Print Limited has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and profit of Thoroughbred Design and Print Limited. You consider that Thoroughbred Design and Print Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the accounts of Thoroughbred Design and Print Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts.

Notes to the Abbreviated Accounts for the Year Ended 30 September 2014

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirements to prepare such a statement.

Turnover

In accordance with UITF40, turnover represents amounts chargeable, net of value added tax, in respect of the sales and work done during the year, adjusted by the movements in work in progress valued at recovery rates

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Equipment, fixtures and fittings	25% per annum straight line basis

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving products. Net realisable value is based on selling price less anticipated costs to completion and selling costs. In the case of work in progress, where the outcome of the contract cannot be ascertained, cost includes all direct expenditure and production overheads based on the normal level of activity.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.

Pensions

The company makes contributions to the director's defined contribution pension scheme. Contributions are recognised in the profit and loss account in the period in which they are paid.
