**Notes to the Abbreviated Accounts for the period ended 31 August 2014****1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

**Turnover policy**

Turnover represents amount received for goods and services net of VAT.

**Tangible assets depreciation policy**

Tangible assets are stated at cost less depreciation. In this case, depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its useful life as follows:

Fixtures, Fittings and Equipment: 100% reducing balance.

**Valuation information and policy**

work in progress as represented by debtors represents development costs for which the company has no right to any contractual consideration at the balance sheet date. This is stated at the lower cost and net realisation value. Net realisation is estimated by the director and is calculated by reference to the future estimated income.

operating loss is stated after charging depreciation of tangible assets.

on the basis of these financial statements, no provision has been made for corporate tax.

**Other accounting policies**

The Ultimate controlling party is L. Kibedi, the director of the company.
