### 2. Receipts and payments & the Liquidator's actions since appointment

I enclose a summary of my receipts and payments account for the period from 5 October 2014 to 4 October 2015. Please note that the receipts and payments are shown exclusive of VAT.

The receipts and payments are self-explanatory or are explained in previous reports However, I comment as follows

### Settlement of Liquidator's claims

In my report to creditors of 2 December 2014 ('the last report'), I stated that a settlement had been agreed regarding certain claims of £95,000. This sum has been paid in full

Regarding the payments made to the Board of Directors of £79,000, this has been resolved by the production of Affidavits by the directors.

This leaves the VAT registration issue, the largest of my claims and in the region of £600,000-700,000. My work in this respect is still ongoing and it would still be inappropriate to go into any detail as this may be prejudicial to the outcome, other than to say that I have the benefit of an After the Event Insurance Policy which will facilitate claims against relevant parties who have been placed on notice of a potential claim. Correspondence is ongoing between solicitors regarding this matter.

### 3. Outcome for creditors

### **Secured Creditors**

An examination of the Company's mortgage register, held by the Registrar of Companies, showed that there were no outstanding debentures against the Company.

### **Preferential Creditors**

The handover documents sent by the Official Receiver anticipated no preferential claims and none have been received

### Crown Creditors

The handover documents sent by the Official Receiver anticipated £637,894 owed to H M Revenue & Customs ("HMRC"), in respect of VAT as the petition debt. I have received a Proof of Debt from HMRC-for-VAT-totalling-£685,146—This-claim-may-be-subject-to-revision-upon-the-rendering of outstanding VAT returns. Whether or not such returns are rendered will depend on the Directors producing to me the remainder of the Company's records and there being a prospect of a dividend to creditors. The Crown debt is linked to the outstanding claim referred to in section 2 above

The handover documents sent by the Official Receiver also anticipated £90,791 owed to H M Revenue & Customs ("HMRC"), in respect of PAYE and NIC I have received a Proof of Debt from HMRC for PAYE and NIC totalling £90,705 04

### **Unsecured Creditors**

The Statement of Affairs estimated other unsecured claims of £22,500, in respect of which no Proofs of Debt have as yet been received There are further potential unsecured claims totalling £14,245.20 (see Refunds of void payments)

Based on present information, it is uncertain whether there will be sufficient funds to enable a distribution to unsecured creditors

The quantum and timing of any such distribution is heavily dependant on recoveries from the matters mentioned in 3 above

### 4. Liquidator's remuneration

At the first meeting of creditors held on 22 November 2012, my remuneration was agreed on a time costs basis. I enclose a breakdown summarising my time costs for the period 5 October 2014 to 4 October 2015, subject to the posting of timesheets, which also provides details of my cumulative costs for the period from 5 October 2012 to 4 October 2015. Springfields Business Recovery & Insolvency Ltd Charge out rates and disbursements policy for Insolvency Department With effect from 1<sup>st</sup> August 2015 (subject to periodic review)

### Hourly Rate effective 1 August

Grade	2015	2014 (comparative)
	<b>(£)</b>	(£)
Director	410	390
Manager	240 – 310	225 – 295
Administrator	140 – 210	130 – 200

Time is recorded in units of 6 minutes (prior to 08/01/2007 this was 15 minutes)

In some instances where there is undue risk to the firm in recovering its standard hourly rates in full, typically as a consequence of the pursuit of causes of action where the outcomes are far from certain, or where there are considered to be undue risks associated with the conduct of an assignment, then approval for a percentage uplift on standard hourly rates may be sought. The percentage uplift sought will vary depending upon the circumstances of each case.

### Disbursements policy

Disbursements incurred in the course of an appointment are recharged to the case in accordance with SIP 9 on all insolvency appointments These fall into two categories

Category 1 disbursements are costs which comprise external supplies and are paid to an independent third party. These generally include, for instance, advertising, bond, travel expenses (excluding mileage) and external storage of records

Category 2 disbursements are costs which are directly referable to the appointment but not a payment to an independent third party. These may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, e.g. business mileage. Category 2 disbursements require approval by creditors before they can be drawn
