DIRECTORS' REPORT

For the year ended 31 May 2014

The directors present their report and the financial statements of Wealdmist Limited for the year ended 31 May 2014

PRINCIPAL ACTIVITIES AND REVIEW OF THE BUSINESS

The principal activity of the company, which has remained unchanged during the year, was property investment by holding lease interests in land and buildings

In the opinion of the directors the result for the year and the financial position of the company at 31 May 2014 were satisfactory subject to the matters disclosed in the accounting policies on page 6 and the support of Rotch Property Group Limited, a related party

RESULTS AND DIVIDENDS

The directors do not recommend the payment of a dividend

POST BALANCE SHEET EVENTS

On 2 September 2014 the company sold its finance lease investment for £1,142,844 less costs of £14,559 and repaid its group undertaking loan

DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- a select suitable accounting policies and then apply them consistently,
- b make judgements and accounting estimates that are reasonable and prudent,
- c state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- d prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

To The Members Of Wealdmist Limited

We have audited the financial statements on pages 4 to 11 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditor

As more fully explained in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at http://www.frc.org.uk/auditscopeukprivate

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 May 2014 and of its result for the year then ended
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the directors' report

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards

The financial statements have been prepared under the historical cost convention

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements

GOING CONCERN

At 31 May 2014 the company was party to a cross-collateralised group loan funding structure effected via a £100 million loan to a fellow group company, Greenflat Limited, which was due to be repaid in April 2014. The group had entered into a standstill agreement with the bank until 31 July 2014 to allow for the orderly disposal of the group's property investment portfolio by 31 August 2014 and repay its exposure under the loan facility agreement and the associated swaps at an agreed level of £108,000,000.

The group completed the disposals by 2 September 2014 and repaid the agreed settlement value in full

The directors have assessed the continuation and availability of support being provided by Rotch Property Group Limited (see note 14), a related company, and have determined that the company has, or can expect to have, sufficient working capital for its needs for at least the next 12 months from the date of approval of these financial statements. In view of this the directors consider it appropriate to prepare the accounts on the going concern basis.

DEFERRED TAXATION

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements.

Deferred tax is measured at the tax rates that are expected to apply in the periods in which timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. An asset is not recognised to the extent that the transfer of economic benefits in future is uncertain. Deferred tax is measured on a non-discounted basis.

CASH FLOW STATEMENT

The company is exempt from the requirement to prepare a cash flow statement, as more than 90% of the voting rights are controlled within the group and consolidated financial statements in which the company is included are publicly available

FINANCE LEASE

Finance leases are initially stated at cost including acquisition costs. The carrying amount is increased by finance charges in the accounting period and reduced by payments received in the period. Finance charges are recognised in the profit and loss account so as to produce a constant return on the carrying amount.

HEDGING FINANCIAL INSTRUMENTS

Receipts and payments arising from financial instruments entered into in order to fix interest payable on loans are treated as additions to or reductions from interest payable

Receipts and payments arising from financial instruments entered into in order to fix the rental income used to determine the finance lease finance charges are treated as additions to or reductions from that rental income

The fair value of the financial instruments is not recognised in these accounts

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 May 2014

1 TURNOVER

Turnover represents finance charges allocated to the period so as to give a constant periodic rate of return over the duration of the lease

The group undertaking loan is with Greenflat Limited the funding for which is provided by a third party lender and has been provided to the company on the same interest and repayment terms. The loan which was due to be repaid in April 2014 was repaid in full on 2 September 2014 (see page 6). The loan bears interest at a fixed rate of 5 99% per annum and is secured by a fixed and floating charge over the company's finance lease investment property.

The group loan is subject to cross-guarantees and cross-collateralisation of the underlying properties used as security with other group loans. The total value of the group loans subject to the cross-collateralisation arrangement including the company's loan as at 31 May 2014 is £100,670,685 (2013 £101,624 165) and the fair value of the financial instruments also subject to the cross-collateralisation is £(44,001,472) (2013 £(52,010,223))
