LAVENHAM COMMUNITY COUNCIL REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

STRUCTURE GOVERNANCE AND MANAGEMENT

Governing Document - The organisation is a charitable company limited by guarantee, incorporated on 26 October 2004 and registered as a charity on 24 November 2004.

Organisational Structure - The company has four(2021 five) registered members. The Charity is organised so that the trustees have regular general meetings comprising the elected and nominated members to discuss progress, activities and administration. All the directors of the company are also trustees of the charity, and there are no other trustees. None of the trustees has any beneficial interest in the company

Risk Management - The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud and error.

The outbreak of Covid 19 resulted in closedown of all facitities on 23 March 2020. All subsequent bookings were cancelled and all facilities remained closed until August 2020. The staff were all furloughed until July 2020 when the caretaker and cleaner were brought back full time but the managers remained on 50% time.

The staff were again furloughed during lockdown from November 2020 to May 2021 when leisure industry organisations were closed. The facilities reopened as from 17 May 2021 but the staff were still only working 50% time until the use of the facilities increased using the continuing partial furlough support system. All staff returned to full time work from September 2021

Grants from Babergh District Council under the UK Government Scheme to support organisations in the leisure sector forced to close during the pandemic (RHL Grants) were recieved in April 2020 and then subsequently from November 2020 to May 2021.

The trustees believe that the Grants will enable the charity to continue as a going concern over the next twelve months despite the loss of its regular income for much of the year.

OBJECTIVES AND ACTIVITIES

Objectives and aims for the Public Benefit. The Charity's exclusive charitable objectives are to encourage, provide, maintain and develop recreational and other leisure time activities, advancement of education, improving health, relieving poverty, distress or sickness or in pursuing other charitable objects in the interest of social welfare for the inhabitants of Lavenham and its immediate neighbourhood.

The trustees confirm that they have referred to the guidance contained in the Charity Commissioner's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

The charity carries out these objects by maintaining and operating Lavenham Village Hall, Pavilion and playing fields which provide facilities for many local services. They also hold events and fundraising which provide services for Lavenham residents and also encourages visitors from outside the village.

ACHIEVEMENT AND PERFORMANCE

During the year we continued to maintain and operate Lavenham Village Hall when allowed by restrictions, which provides facilities for many local societies, farmers' markets, film nights, craft fairs, sports nights, social gatherings and a venue for private functions. The Community Council also organised the Car Show.

The Village Fete and Hidden Gardens did not take place due to Covid 19 restrictions.

The Pavilion and playing fields, leased from Lavenham Parish Council, were used for tennis, football and junior football and by Lavenham Primary School.

The Village Hall premises also house the Lavenham Library and Lavenham Preschool.

FINANCIAL REVIEW

Total unrestricted income excluding Covid Support and Furlough grants during the year was £58,226 (£21,596 2021) an increase of £36,630 Village Hall income rose from £14,800 to £44,931

The net profit from Car Show rose from £2,441 to £2,828.

Total unrestricted expenditure was £72,385 (£62,686 2021), a rise of £9,699.

Wages and Salaries were supported by Furlough Grants with a net cost after grant of £25,002 (£10,435 2021)

There was a drop in net incoming unrestricted income of £23,552 from a surplus of £39,344 in 2021 to a surplus of £15,792 in 2022.

The Restricted Fund held for the Pre school new Build still unspent at 31 March 2021 was £631.

Total funds have decreased by £27,425 from £1,090,160 to £1,062,735 after charging depreciation of £45,140

RESERVES POLICY

The board have established a revised policy that unrestricted reserves should be held at a minimum level of £60,000 which is the equivalent to twelve months running costs. The charity's unrestricted funds excluding fixed assets at 31 March 2022 are £105,724 This level of unrestricted funds is due to the Covid 19 funding support from the Government. The restrictions to income are ongoing as the Village Hall is still unable to operate fully. Any excess funds may be used in future to allow for essential maintenance to the building. Plans are in hand to provide a private parking facility at the playing field to avoid traffic disruption on Bridge Street Road.. The Village Hall is also planning to upgrade the current audio visual system which is no longer fit for purpose. The board feel that they would be able to continue the current activities of the charity in the event of a drop in income or unforseen

expenditure. It would obviously need to consider how the funding could be replaced or if the activities need to be altered.

SMALL COMPANIES PROVISIONS

This report has been prepared in accordance with the provisions applicable to the small companies exemption.
