Monadia Properties Limited Notes to the Abbreviated Accounts for the year ended 30 November 2011

1 Accounting policies

Turnover

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carned out in respect of services provided to customers

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse
