Notes to the Abbreviated Accounts for the year ended 30 November 2013

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Fundamental accounting concept

The financial statements have been prepared under the going concern concept because the directors have agreed to provide adequate funds to ensure the company is able to meet its liabilities.

Turnover

Turnover represents the value, net of VAT and discounts, of goods provided to customers and work carried out in respect of services provided to customers. Any income invoiced in the period in respect of services to be provided to customers in future accounting periods, is deferred to the extent that it would be repayable if those services were not provided.

Depreciation

Tangible fixed assets

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.
