Islington Limited Company No. 05303559 Directors' Report For The Year Ended 31 March 2017

The directors present their report and the financial statements for the year ended 31 March 2017.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and Section 1A of FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (UK Generally Accepted Accounting Practice applicable to Smaller Entities). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- assess the company's ability to continue as a going concern, disclosing, as applicable, matter related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Going Concern

Although the financial statements for 16/17 show a small loss, the majority of the costs incurred relate to starting up the business. Future income projections indicate that the company will make a reasonable profit in 17/18 and this will improve further in future years. The biggest issue to date has been the cash flow but a loan from Islington Council has ensured that iCo has the funds to pay its creditors. Islington Council has indicated that it will support the company financially in the future if necessary and in other ways as appropriate. Therefore, the Directors consider the company as a going concern and have prepared the financial statements on this basis

Statement of Disclosure of Information to Auditors

The directors of the company who held office at the date of approval of this annual report confirm that:

- so far as they are aware, there is no relevant audit information of which the company's auditors are unaware; and
- they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant
 audit information and to establish that the company's auditors are aware of that information.

Principal Activity

The company's principal activities continue to be that of the provision of Memorial and Trade Waste Services.

Review of Business

Regular reviews of services are undertaken and further services are coming on board in 17/18.

Directors

The directors who held office during the year were as follows:

Mr Brahmesh Kainth

Mr Andrew Hull

Mr Martin Holland

Mr Kevin O'Leary

Mr Stephen Key
