Policy

Detailed below is AlixPartners' policy in relation to

- staff allocation and the use of sub contractors,
- professional advisors, and
- disbursements

Staff allocation and the use of sub contractors

The Liquidators' general approach to resourcing their assignments is to allocate staff with the skills and experience to meet the specific requirements of the case

The case team will usually consist of a managing director, a director, an associate and an analyst. The exact case team will depend on the anticipated size and complexity of the assignment and the experience requirements of the assignment. On larger, more complex cases, several staff at all grades may be allocated to meet the demands of the case.

With regard to support staff, time spent by cashiers in relation to specific tasks such as recording transactions and dealing with bank accounts on an assignment is charged but secretarial time is only recovered if a large block of time is incurred, eg report compilation and distribution

The Liquidators have not utilised the services of any sub contractors in these cases

Disbursements

Category 1 disbursements do not require approval by creditors. Category 1 disbursements may include external supplies of incidental services specifically identifiable to the case eg postage, case advertising, invoiced travel and external printing, room hire and document storage. Any properly reimbursed expenses incurred by the Liquidators and their staff will also be chargeable

Category 2 disbursements do require approval prior to being paid and will be drawn in accordance with the approval given, they may include

- photocopying - charged at the rate of 10 pence per sheet for notifications and reports to creditors and other copying,
- printing - charged at the rate of 10 pence per sheet for black and white printing and 15 pence per sheet for colour and
- business mileage for staff travel - charged at the rate of 45 pence per mile.
