For the year ended 31 December 2012 the company was entitled to exemption from audit under Section 477 of the Companies Act 2006 relating to small companies and no members have deposited a notice under Section 476 requiring an audit.

The director acknowledges his responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements

These abbreviated financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime of the Companies Act 2006 and the Financial Reporting Standard for Smaller Entities (effective April 2008)

Approved by the director on 20 May 2013

G Lynch Director

The accompanying notes form an integral part of these abbreviated financial statements

NOTES FORMING PART OF THE ABBREVIATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2012

1 Accounting policies

The financial statements have been prepared in accordance with applicable accounting standards. The principal accounting policies are as follows:-

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

Turnover comprises the amounts receivable for supplies of goods and services, excluding VAT and net of trade discounts.

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets, other than investment properties and freehold land and after taking account of any grants receivable, at the following annual rates in order to write off each asset over its estimated useful life:

Plant and machinery	25% reducing balance basis
Motor vehicles	25% reducing balance basis
Fixtures and fittings	25% reducing balance basis
Office equipment	25% reducing balance basis

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items. Cost includes all direct expenditure and an appropriate proportion of fixed and variable overheads

Deferred taxation

Provision is made in full for all taxation deferred in respect of timing differences that have originated but not reversed by the balance sheet date, except for gains on disposal of fixed assets which will be rolled over into replacement assets. No provision is made for taxation on permanent differences.

Deferred tax assets are recognised to the extent that it is more likely than not that they will be recovered.

Pension costs

Contributions in respect of the company's defined contribution pension scheme are charged to the Profit and Loss Account for the year in which they are payable to the scheme. Differences between contributions payable and contributions actually paid in the year are shown as either accruais or prepayments at the year end.
