## Reports

### **ABC Brixton Limited**

A company limited by guarantee and not having a share capital **Directors' Reports for year to 31 January 2011** 

### General comments

The following persons were directors of the Company in the period covered by the accounts -

Philip Isaac ~ for the whole period

Paul Hill ~ for the whole period

Niina Hartikainen ~ for the whole period

The Company is limited by guarantee. Its principal activity in the period covered by the accounts was to obtain grant funding for the company's purposes as set out in its document of incorporation. There was no activity. There are no creditors apart from those represented by the loans outstanding, and these loans are interest free and for an indefinite period.

### **Business Review**

As the Company did not acquire any assets in the period, there are no financial risks and uncertainties to note that could affect its operations. At the time of this report, the company's prospects depend on the commitment and abilities of its directors, and the disposition of grant making agencies, not its finances

The existing directors were able to develop contacts and understanding within grant-giving agencies which we are confident will prove productive in the medium term

No financial analysis or performance indicators can be shown as the company was not trading

Philip Isaac, Director
