Section 1 Joint Administrators' progress report

Introduction

This is the twenty-fifth progress report by the joint administrators ("Joint Administrators" or "Administrators") of LB UK RE Holdings Limited (In Administration) ("LB UK RE" or the "Company").

If any creditor requires copies of the previous reports these are available on the Administrators' website <https://www.pwc.co.uk/services/business-restructuring/administrations/non-lbie-companies/lb-uk-re-holdings-limited-in-administration.html>. Alternatively, please contact Stephen Ingle at PricewaterhouseCoopers LLP, 7 More London Riverside, London SE1 2RT.

This report provides details of the progress of the administration in the six months to 14 March 2021 (the "Period").

Residual asset distributions

As previously reported, the terms pursuant to which ownership of LB UK RE's remaining assets should be transferred to Lehman Brothers Holdings Inc. ("LBHI") or creditors controlled by LBHI (being the only remaining creditors of the Company), were agreed by way of a residual assets transfer agreement ("RATA"). In the period covered by the twenty-second progress report, the remaining claims held by creditors controlled by LBHI were assigned to LBHI, leaving LBHI as the sole creditor of LB UK RE.

During the Period the Administrators and LBHI have continued to work closely to determine the most appropriate transfer/ closure/realisation strategy for each of the remaining assets. In the meantime, LB UK RE remains in administration.

Extending the administration

As at the commencement of the Period, the Administrators' term of office was due to expire on 30 November 2020. During the Period, the Administrators applied to the High Court for an extension of their terms of office, in order to afford them time to finalise the position in respect of the Company's remaining assets, and deal with the legal and other operational matters required to bring closure of the administration and dissolution of the Company. By an Order dated 2 November

2020, the High Court acceded to the Administrators' application and extended their terms of office by one year to 30 November 2021.

Assets

Introduction

LB UK RE was principally involved in the management of investments in portfolios of sub-performing, non-performing and performing loans ("SNPLs") and in real estate. It also held other investments and shareholdings in companies and hedge funds ("Principal investments"), as well as various intercompany claims against other insolvent Lehman affiliates.

Please see previous progress reports for more detail in respect of the assets themselves, and the various asset collection strategies adopted by the Administrators.

Key progress in the Period

Loan portfolios

The Administrators have secured collections from the SNPL portfolios during the administration of £348.3m.

In respect of the German portfolio the Administrators have, in conjunction with key stakeholders, continued to progress the closure of elements of the securitisation structure for which LB UK RE has contractual or ownership responsibilities.

This has included working with stakeholders and parties to the securitisation structure to progress the remaining steps required to effect LB UK RE's release from the indemnity granted to one of the parties to the securitisation structure.

Real estate investments

The Administrators have realised £90.7m to date from real estate assets. As previously reported, this is as a result of:

- Selling investments or loans and enforcing the repayment of loans held by subsidiaries, which has resulted in realisations of £24.9m to date; and
- Selling individual properties within portfolios

to the value of £268m to date to prepay senior lenders and release cash to assist in servicing the remaining assets in the portfolios.

In addition, the Administrators have:

- Liaised with LBHI to enable, in due course, the efficient transfer or other alternative resolution of:
 - Dyra S.a.r.l. shares and shareholder loan. The Administrators now consider this workstream to be closed as it is not expected to generate any realisations; and
 - tax receivable from Spanish authorities (ongoing).

Where appropriate, work included negotiating and drafting the transfer or assignment documents, providing any required powers of attorney, and attending to all notary meetings.

Principal investments

As previously reported, all work in respect of the Principal investments has now been completed. Total realisations were £403.1m.

Inter-company claims

As previously reported, all intercompany debts have either been realised or transferred to LBHI or the LBHI-controlled creditors. Total realisations were £47.3m.

Future strategy

As set out above, LB UK RE's remaining assets are in the course of being disposed of or transferred to LBHI. In the meantime, the Administrators will continue to:

Loan portfolios

- Develop and implement final closure strategies and plans, where appropriate.

Real estate investments

- Extract any further remaining value from the remaining real estate investments, where possible.

Taxation issues

Corporation tax clearance for LB UK RE was granted by HMRC on 5 October 2016 and all tax computations have been agreed up to 30 June 2016. There are no further tax returns to be submitted. Amounts of £6.1m and £5.9m have been recovered in respect of corporation tax repayments and group relief, respectively. The main work undertaken by the Administrators in the Period has been in respect of:

- Continued review of assets being transferred under the RATA to ensure that transfers are in line with expectations as at the date the tax clearance application was submitted; and
- Compliance with the Administrators' various regulatory obligations.

To date, Value Added Tax ("VAT") totalling £7.5m has been repaid to LB UK RE.

As previously reported, LB UK RE was de-registered for VAT with effect from 1 September 2016. All VAT due to LB UK RE for the period during which it was a member of the Lehman UK VAT group has been recovered by the representative member and paid to LB UK RE.

A portion of the input VAT on costs incurred by LB UK RE after it ceased to be a member of the VAT group can be recovered post de-registration. Claims submitted by LB UK RE, once agreed, are paid directly by HMRC.

To date, six post de-registration claims for VAT have been submitted, relating to input tax incurred up to 30 September 2020. The refund relating to the sixth de-registration claim (for input VAT incurred from 1 December 2019 to 30 September 2020) totalling £46k, was received shortly after the date of this report.

Future reports

The Administrators will next report to creditors in approximately six months.
