**Notes to the abbreviated financial statements
for the year ended 28 February 2011**

1. Accounting policies

1.1. Accounting convention

The accounts are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

In assessing whether the company is a going concern the directors have considered a period which is less than twelve months from the date the accounts were approved

1.2. Turnover

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities

1.3. Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows

Fixtures, fittings and equipment	- 15% reducing balance
Motor vehicles	- 25% reducing balance

1.4 Stock

Stock is valued at the lower of cost and net realisable value

1.5. Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax assets and liabilities are not discounted

4. Going concern

The company's balance sheet shows a deficit of £138,218

The company is dependent upon a loan from S G Allard of £37,238 together with a loan from S G A House Services Limited (amounting to £103,087) without which it would be unable to continue trading. Mr S G Allard is a director and shareholder in both companies.

The loan account balances mentioned above have both been subordinated to the claims of all other creditors, and will not be repaid until the company is in a solvent position.

In view of the above, the directors are of the opinion that it is appropriate to prepare these accounts on a going concern basis.
