HM Revenue and Customs voted in favour of the proposals, subject to certain modifications (attached), which the directors accepted, and as a consequence the vote of HM Revenue and Customs was recorded as a vote in favour of the proposals.

Nottingham City Council proposed a modification to the proposals, which was rejected by the directors and as a consequence, their vote was recorded against the proposals.

Lexton Investments Limited submitted a proxy vote in favour of the proposals, however they failed to submit a proof of debt form and their proxy holder failed to attend the virtual meeting, therefore their vote was treated as invalid for the purposes of voting.

Mark & Joseph Hodson were permitted to vote for £1, as their indebtedness is currently unascertained.

Mike Bull of Ashville Asset Management, proxy holder of Vintry Investments Limited, attended the virtual meeting of creditors, held via conference call.

The CVA was approved subject to the attached modifications.

Agreed modification 26 imposed by HM Revenue and Customs states:

“On the day of the creditors meeting which approves the proposal the Company shall pay over to the nominee in clear funds sufficient for winding up proceedings against the Company. Should the full amount of cleared funds not be received by the time of the meeting of creditors this shall be deemed non-acceptance of this modification and as such HMRC’s vote shall be counted as one for rejection of the proposal”.

I can confirm that £3,000 was paid by the Company on 11 May 2018 and therefore the Company adhered to the modification.

Members’ Meeting

A meeting of the Company’s members was held on 14 May 2018. The following members attended the meeting either in person or by proxy and voted unanimously to approve the Company’s Proposal:
