Objectives and aims

To preserve for the benefit of the public physical artefacts and objects that relate to the history and heritage of the sport of falconry, including its contributions to the scientific sub-disciplines of raptor biology, captive breeding and conservation in a world-wide context.

The Falconry Heritage Trust aims to establish a portal for the world's falconers and other interested parties to access aspects of the sport's rich heritage by linking existing physical archives, including international private and public collections, through the medium of an electronic archive. This archive will feature falconry furniture, works of art, books, correspondence from leading falconers and film and photographic material for the education and interest of falconer and scholar alike.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2019

FINANCIAL REVIEW

Investment policy and objectives

Under the Memorandum and Articles of Association the charity has the powers to invest in any way the trustees deem fit.

An Investment strategy for the funds held is determined as follows:

-£925,000 to be managed by Sarasin & Partners on a total return basis, with a view to producing a return of inflation +4% on a rolling 5 year basis.

-The balance of the fund introduced is to be kept in the current bank account for the current year requirements.

It is hoped that this strategy would enable the Charity to carry out its immediate objectives while maintaining the value of the funds in real terms.

The charity does not take into account any specific social, environmental or ethical considerations when setting its investment policy.

Overall the charity has continued to experience an increase in returns this year due to the particularly strong global equities market and it is envisaged that this shall continue into the next year.

Reserves policy

At 31 December 2019 the charity held free funds of £1,507,568 (2018: £1,323,997). Sufficient reserves are to be kept on deposit in the bank account in order to satisfy all current year requirements such as office costs and the issue of grants. At 31 December 2019 £1,261 were held in current bank accounts.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The Falconry Heritage Trust is governed by its memorandum and articles as dated 22nd March 2005 as amended by special resolution dated 4th July 2008. On 17th July 2008, the company was registered with the Charity Commission. (No: 1125033).

Recruitment and appointment of new trustees

Trustees are recruited by seeking nominations from the board of trustees and are elected by the board in attendance at the organisation's Annual General Meeting.

Organisational structure

All decisions regarding the Falconry Heritage Trust's activities and finance are referred to the board of trustees, which have the ultimate responsibility for decision making.

Related parties

Dr N C Fox, a trustee of the charity, is a director and shareholder of International Wildlife Consultants Limited.

Mr D Horobin, a trustee of the charity, received a grant from the charity for translation works undertaken for the Chien Liang project.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The risk management strategy comprises:

- An annual review of the risks the charity may face
- The establishment of systems and procedures to mitigate those risks identified in the review: and
- The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

A key element in the management of financial risk is the setting of a reserves policy and its regular review by trustees. The trustees feel there are currently no principal risks or uncertainties facing the charity. The charity hold very healthy reserves with which it is able to meet its objectives. The funds are managed by experienced Investments Advisers.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of The Falconry Heritage Trust for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Clay Shaw Butler Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on 30th April 2020 and signed on its behalf by:

Mr M A Thomas - Secretary

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE FALCONRY HERITAGE TRUST

Opinion

We have audited the financial statements of The Falconry Heritage Trust (the 'charitable company') for the year ended 31 December 2019 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE FALCONRY HERITAGE TRUST

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.
