MIDASPLUS FUNDRAISING (FOR WORTHY CAUSES IN THE MIDDLESEX AND SURREY PLUS SURROUNDING AREAS)

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 30 JUNE 2017

The trustees present their report and accounts for the year ended 30 June 2017.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objects are to further such charitable purposes for the benefit of the public, in particular the communities of Southern Middlesex, North Surrey and West Berkshire as the trustees in their absolute discretion shall determine from time to time particularly, but not exclusively, for those suffering financial hardship or sickness, by providing grants, loans or other suitable assistance and there has been no change in these during the year.

The main aims are to focus on deserving causes in the area.

The objectives are to meet the aims of the charity by financial assistance.

The committee considers all applications for grants. Once considered a majority decision is reached as to whether a cause is to receive a grant and the quantum of same.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The charity held a duck run and a Valentine's Ball in the year.

Achievements and performance

The year is considered as having been successful. The net amount raised through activities and donations was £16,625. Thirteen separate grants were made, totalling in excess of £13,000.

Financial review

The year has again been successful, with net funds generated of over £16,000. Most of the funds raised has been paid out in grants. It is anticipated that the remaining funds will be dispensed when worthwhile causes have been identified.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 JUNE 2017

Structure, governance and management

The charity is a company limited by guarantee, incorporated on 6 April 2005 and registered as a charity on 3 August 2005. The company was established under a memorandum of association which established the objects and powers of the charitable company and is governed under its articles of association.

The trustees, who are also the directors for the purpose of company law and who served during the year were:

R M Blowers

F Wylie

M D Wylie

Trustees are recruited as and when necessary. None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute up to £10 in the event of a winding up.

The management committee comprises six members, who meet on a quarterly basis. They are responsible for the strategic direction and policy of the charity. The members of the committee come from a variety of professional backgrounds. All have equal voting rights.

There were no related party transactions during the year.

The trustees' report was approved by the Board of Trustees.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2017

1 Accounting policies

Charity information

Midasplus Fundraising (for worthy causes in the Middlesex and Surrey plus surrounding areas) is a private company limited by guarantee incorporated in England and Wales. The registered office is 20 Island Close, Staines, Middlesex TW18 4YZ.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

These accounts for the year ended 30 June 2017 are the first accounts of Midasplus Fundraising (for worthy causes in the Middlesex and Surrey plus surrounding areas) prepared in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland. The date of transition to FRS 102 was 1 July 2015. The reported financial position and financial performance for the previous period are not affected by the transition to FRS 102.

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

FOR THE YEAR ENDED 30 JUNE 2017

1 Accounting policies

(Continued)

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
