REPORT OF THE INDEPENDENT AUDITORS TO
BUTLERS TRADING LIMITED
UNDER SECTION 449 OF THE COMPANIES ACT 2006

We have examined the abbreviated accounts set out on pages three to five, together with the full financial statements of Butlers Trading Limited for the year ended 31 December 2010 prepared under Section 396 of the Companies Act 2006

This report is made solely to the company, in accordance with Section 449 of the Companies Act 2006. Our work has been undertaken so that we might state to the company those matters we are required to state to it in a special auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with Section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section and to report our opinion to you.

Basis of opinion

We conducted our work in accordance with Bulletin 2008/4 issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts to be delivered are properly prepared.

Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with Section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the Regulations made under that Section.

Other information

On _____ we reported as auditors to the shareholders of the company on the full financial statements for the year ended 31 December 2010 prepared under Section 396 of the Companies Act 2006, and our report included the following extract:

"Emphasis of matter - going concern

In forming our opinion, which is not qualified, we have considered the adequacy of disclosures made in note 1 to the financial statements concerning the company's ability to continue as a going concern."

The company has incurred significant losses since incorporation and is dependent upon the continued financial support of its parent undertaking. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the company's ability to continue as a going concern. These financial statements do not include the adjustments that would result if the company was unable to continue as a going concern.

The financial statements were approved by the Board of Directors on its behalf by

28/03/2012 and were signed on

W M Q M Joster - Director

The notes form part of these abbreviated accounts

NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2010

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The company's balance sheet shows net liabilities of £5,604,929 (2009 - £(5,881,827)) including amounts due to the parent company, Butlers GmbH & Co KG, of £5,909,246 (2009 - £6,169,731). The company's ability to continue as a going concern is dependent on the financial support of its parent company. The parent company has confirmed its continuing financial support.

The above represents a material uncertainty related to events or conditions which may cast significant doubt on the entity's ability to continue as a going concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business.

The directors have obtained confirmation from the parent company, Butlers GmbH & Co KG, that the amount due to that company of £5,909,246 at 31 December 2010 and further amounts lent since that date will not be repayable until such time that the company has sufficient cash resources to repay the loan. The parent company has confirmed its intention to continue to provide financial support to enable the company to meet its liabilities as they fall due for the foreseeable future, being a period of at least 12 months from the date of authorisation of these financial statements.

The directors believe that the financial support of the parent company should enable the company to meet its obligations as they fall due, although there can be no certainty in this regard. On that basis the directors have concluded that it is appropriate to prepare these financial statements on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied, exclusive of Value Added Tax and trade discounts.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life:

Improvements to property	- over term of the lease
Fixtures and fittings	- 20% on cost
Office equipment	- 33% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.
