### **DIRECTORS' RESPONSIBILITIES**

Company Law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **ACCOUNTANTS**

The accountants have expressed their willingness to continue to act for the company. A resolution to reappoint Banner & Associates Ltd will be proposed at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

### LOGIC TRAINING SOLUTIONS LIMITED NOTES TO FINANCIAL STATEMENTS 1 MAY 2007 to 30 APRIL 2008

#### 1 ACCOUNTING POLICIES

(a) Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2005) under the historical cost convention modified for the revaluation of freehold property.

(b) Turnover

Turnover represents invoiced sales net of returns, trade discounts and VAT.

(c) Stocks and Work in Progress

Stocks and work in progress are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

(d) Depreciation

Depreciation has been provided at the following annual rates, calculated to write off each asset over its expected useful life.

Computer equipment

25 % straight line

(e) Corporation Tax

Provision for Corporation Tax is made at the current rates on taxable profits.

(f) Leasing and Hire purchase commitments

Assets held under finance leases and hire purchase contracts are capitalised in the balance sheet and are depreciated over their estimated useful lives. The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding. Rentals paid under operating leases are charged to the profit and loss account as incurred.

(k) Deferred taxation

Deferred taxation is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.
