Mr V Jegatheeswaran
Director

Company Registration No 05429579

GLOBAL CONSULTANCY UK LIMITED

NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2013

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention

The company meets its day to day working capital requirements through an overdraft facility which is repayable on demand

The nature of the company's business is such that there can be considerable unpredictable variation in the timing of cash inflows. The director have prepared projected cash flow information for the period ending 9 months from the date of their approval of these financial statements. On the basis of this cash flow information and discussions with the company's bankers, the director consider that the company will continue to operate within the facility currently agreed and within that which they expect will be agreed, when the company's bankers are due to consider renewing the facility for a further year.

However, the margin of facilities over requirements is not large and, inherently there can be no certainty in relation to these matters. On this basis, the director consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of the overdraft facility by the company's bankers.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

1.4 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
