Notes to the Abbreviated Accounts for the period ended 31 July 2015

1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents amounts invoiced in respect of goods and services, as adjusted for work in progress, net of value added tax.

Tangible assets depreciation policy

Depreciation is calculated to write down the cost of tangible fixed assets over their expected useful economic lives using the following rates:

Plant and machinery 25% straight line

Valuation information and policy

Stock is valued at the lower of cost and net realisable value. Work in progress represents the value of incomplete work at the balance sheet date. Net realisable value is based upon the estimated selling price less all associated costs of sale.

Other accounting policies

Deferred taxation

Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes on a full provision basis.
