A & J GROUP LIMITED

Notes to the abbreviated accounts for the year ended 31 March 2013

1 Accounting policies

a) Going concern

These accounts are prepared on a going concern basis, as the directors have pledged their ongoing financial support to the company

b) Basis of accounting

The financial statements are prepared on the historical cost basis of accounting and have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

c) Turnover

Turnover represents licence fees receivable in respect of a client base acquired. Turnover is recognised on accruals basis

d) Consolidation

The company forms part of a small group and has therefore taken advantage of the exemption provided by Section 398 and 399 of the Companies Act 2006 not to prepare group accounts

e) Goodwill

Goodwill is the difference between the amount paid on the acquisition of a business and the aggregate fair value of its separate net assets. Goodwill is amortised through the profit and loss account over the director's estimate of its useful economic life

f) Deferred taxation

Deferred tax is provided in respect of any material tax effect of all timing differences that have originated but not reversed at the balance sheet date

A deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured on a non-discounted basis, at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date
