FLAGSHIP SECURITIES LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018

1. General information

The company is a private company limited by shares and was incorporated on 25 July 2005 and is registered in England and Wales. Its registered office is 120 Baker Street, London, W1U 6TU.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The presentation currency is pounds sterling.

2.2 Going concern

The accounts have been prepared on the going concern basis. Due to the financial position of the company, the validity of this basis is conditional upon the continued support of the director and sole shareholder of the company.

The director of the company has confirmed that he will not demand payment of any amount due to him or payment of any amounts due to the related companies, of which he is also a director, for at least the next 12 months from the date of approval of these accounts. The director is not, however, legally bound by these assurances.

Should the company be unable to continue trading as a result of the withdrawal of support from the director, adjustments would have to be made to reduce the value of the assets to their recoverable amounts, to provide for any further liability which might arise and to reclassify fixed assets and long term liabilities as current assets and liabilities.

2.3 Interest income

Interest income is recognised in the Profit and Loss Account using the effective interest method.

2.4 Pensions

Defined contribution pension plan

The Company operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Company pays fixed contributions into a separate entity. Once the contributions have been paid the Company has no further payment obligations.

The contributions are recognised as an expense in the Profit and Loss Account when they fall due. Amounts not paid are shown in accruals as a liability in the Balance Sheet. The assets of the plan are held separately from the Company in independently administered funds.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2018

2. Accounting policies (continued)

2.5 Taxation

Tax is recognised in the Profit and Loss Account, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.7 Creditors

Short term creditors are measured at the transaction price.

2.8 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties and loans to related parties.

3. Employees

The average monthly number of employees, including directors, during the year was 3 (2017 - 3).
