**1 INTRODUCTION**

- 1.1 Martin Maloney and John Titley were appointed Joint Liquidators of Protech Servicing Limited (“the Company”) on 15 January 2018.
- 1.2 Mr Titley retired from practice and agreed to transfer the management of his insolvency caseload to other appropriate insolvency practitioners within Leonard Curtis. In accordance with Rules 12.36 and 12.37 of the Insolvency (England and Wales) Rules 2016 (as amended) (“the Rules”) therefore, an application was made to Court for an Order to remove Mr Titley as Insolvency Practitioner on each of his cases and replace him with Steve Markey of Leonard Curtis. The Order was granted by the Court on 31 May 2019. Accordingly, Mr Titley ceased to act as Joint Liquidator of this case on 31 May 2019 and Mr Markey was appointed in his place.
- 1.3 Martin Maloney and Steve Markey are authorised to act as insolvency practitioners in the UK by the Institute of Chartered Accountants in England and Wales.
- 1.4 This report provides an update on the conduct of the Liquidation for the period from 15 January 2020 to 14 January 2021, as required by Section 104A(1) of the Insolvency Act 1986 (as amended) (“the Act”) and Rule 18.3 of the Insolvency (England and Wales) Rules 2016 (“the Rules”). It contains details of the progress made, the expected outcome for creditors and other information that the Joint Liquidators are required to disclose and should be read in conjunction with the previous progress report dated 5 March 2020.
- 1.5 All figures are stated net of VAT.

**2 CONDUCT OF THE LIQUIDATION**

- 2.1 The Company’s registered office was changed to Leonard Curtis House, Elms Square, Bury New Road, Whitefield, Greater Manchester M45 7TA on 6 February 2018.

**Assets Realised**

- 2.2 No assets have been realised during the period of this report.

**Assets Still to be Realised**

- 2.3 The following assets are still to be realised:

Description	£
Director’s Loan Account	Uncertain
	<u>Uncertain</u>

*Director’s Loan Account*

- 2.4 As per the statement of affairs, there was a director’s loan account with an uncertain estimated to realise value. The Joint Liquidators have been in contact with the director in respect of the funds due, to discuss a settlement agreement. This matter remains ongoing and the director’s personal financial position is currently being reviewed.

## **Unrealisable Assets**

### *Motor Vehicle / Tools and Equipment*

- 2.5 The statement of affairs report referred to a motor vehicle, tools and equipment with an estimated to realise value of £250. The Joint Liquidators instructed independent valuation agents, Cerberus Asset Management Limited (“Cerberus”), to value and dispose of these assets. Cerberus advised the assets were in poor condition and that the cost of uplift and sale would be greater than the estimated sale value. Consequently, these assets were abandoned and the matter is closed.

## **3 RECEIPTS AND PAYMENTS ACCOUNT**

- 3.1 A summary of the Joint Liquidators’ receipts and payments for the entire period of the Liquidation, including the period from 15 January 2020 to 14 January 2021, is attached at Appendix A.

## **4 OUTCOME FOR CREDITORS**

### **Secured Creditors**

- 4.1 There are no secured creditors.

### **Preferential Creditors**

- 4.2 As at the date of Liquidation, there was one preferential creditor, with an estimated claim totalling £750.
- 4.3 No claims have been received.

### **Prescribed Part**

- 4.4 There was no floating charge holder. As a consequence, there is no requirement to set aside funds with which to issue a prescribed part dividend.

### **Ordinary Unsecured Creditors**

- 4.5 As at the date of Liquidation, there were seven unsecured creditors, with estimated claims totalling £100,741. Claims totalling £90,484 have been received.
- 4.6 The funds realised have already been distributed or used or allocated for paying the expenses of the Liquidation. As a result, there will be no dividend to ordinary unsecured creditors.
- 4.7 The Joint Liquidators have collated and acknowledged (where requested) the claims of the ordinary unsecured creditors, although, in view of the fact that there will be no distribution to this class of creditor, unsecured claims have not been formally agreed.

## **5 INVESTIGATIONS**

- 5.1 As previously reported, following the initial assessment, no detailed investigations were considered to be required by the Joint Liquidators. Nothing further has been brought to the attention of the Joint Liquidators during the period of this report.

**6 JOINT LIQUIDATORS’ REMUNERATION, EXPENSES AND DISBURSEMENTS, AND CREDITORS’ RIGHTS**

**Remuneration**

- 6.1 A fee of £6,000 for the preparation of the statement of affairs was approved by creditors on 15 January 2018. £1,000 of this amount is due to be paid to Cowgill Holloway & Co Chartered Accountants, for assistance provided in the preparation of the statement of affairs. No fee has been drawn to date.
- 6.2 No resolution was proposed to creditors in respect of the Joint Liquidators’ remuneration. Based on present information, the Company has insufficient assets to enable the payment of any Joint Liquidators’ remuneration from the estate.

**Expenses and Disbursements**

- 6.3 A summary of the Joint Liquidators’ expenses from 15 January 2018 to 14 January 2021 is attached at Appendix B. To assist creditors’ understanding of this information, it has been separated into the following two categories:
- *Standard Expenses*: this category includes expenses payable by virtue of the nature of the Liquidation process and / or payable in order to comply with legal or regulatory requirements.
  - *Case Specific Expenses*: this category includes expenses likely to be payable by the Joint Liquidators in carrying out their duties in dealing with issues arising in this particular Liquidation. Included within this category are costs that are directly referable to the Liquidation but are not paid to an independent third party (and which may include an element of allocated costs). These are known as ‘category 2 disbursements’ and they may not be drawn without creditor approval.
- 6.4 No resolution was proposed to creditors with regard to the Joint Liquidators’ category 2 disbursements.
- 6.5 Attached at Appendix C is additional information in relation to the firm’s policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade. Please be aware that the firm’s charge out rates have been amended with effect from 1 August 2019.
- 6.6 During the Liquidation the following professional advisors (“PA”) and / or subcontractors (“S”) have been instructed:

<b>Name of Professional Advisor</b>	<b>PA / S</b>	<b>Service Provided</b>	<b>Basis of Fees</b>
Cowgill Holloway & Co	PA	Statement of Affairs assistance	Fixed Fee
Cerberus Asset Management Limited (“Cerberus”)	S	Asset Valuation	Fixed Fee

- 6.7 Cowgill Holloway & Co were the former accountants for the Company. The Joint Liquidators instructed the former accountants to assist with the preparation of the statement of affairs due to their knowledge and understanding of the Company and its affairs. The Joint Liquidators considered that the fee charged was fair and reasonable in view of the work that was done. It is considered that the costs of using Cowgill Holloway & Co was less than the comparative cost of the Joint Liquidators’ own staff undertaking this work. A fixed fee was agreed to ensure that was the case.
- 6.8 Cerberus were instructed by the Joint Liquidators to assess and value the Company’s tangible assets, based on their knowledge and expertise in this field. The Joint Liquidators considered that the fee charged was fair and reasonable in view of the work that was done. It is considered that the costs of using Cerberus was less than the comparative cost of the Joint Liquidators’ own staff undertaking this work. A fixed fee was agreed to ensure that was the case.

### **Creditors' Rights**

- 6.9 Under Rule 18.9 of the Rules, within 21 days of receipt of this report, a secured creditor, or an unsecured creditor with either the concurrence of at least five per cent in value of the unsecured creditors (including the creditor in question), or with the permission of the court, may request in writing that the Joint Liquidators provide further information about their remuneration or expenses which have been itemised in this report.
- 6.10 Under Rule 18.34 of the Rules, any secured creditor, or any unsecured creditor with either the concurrence of at least 10 per cent in value of the unsecured creditors (including that creditor), or the permission of the court, may within eight weeks of receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question, make an application to court on the grounds that, in all the circumstances, the basis fixed for the Joint Liquidators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Joint Liquidators, as set out in the progress report, are excessive.
- 6.11 Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the Liquidation.

## LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

### Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

6 Jan 2014 onwards	Standard	Complex	1 Aug 2019 onwards	Standard	Complex
	£	£		£	£
Director	450	562	Director	525	656
Senior Manager	410	512	Senior Manager	445	556
Manager 1	365	456	Manager 1	395	494
Manager 2	320	400	Manager 2	345	431
Administrator 1	260	325	Administrator 1	280	350
Administrator 2	230	287	Administrator 2	250	313
Administrator 3	210	262	Administrator 3	230	288
Administrator 4	150	187	Administrator 4	165	206
Support	0	0	Support	0	0

Office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

### Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

### Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

### Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

- a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:

### Disbursements

Included within both of the above categories of expenses are disbursements, being amounts paid firstly by Leonard Curtis on behalf of the insolvent entity and then recovered from the entity at a later stage. These are described as Category 1 and Category 2 disbursements.

- a) Category 1 disbursements: These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, external room hire, storage, postage, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- b) Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision:

Storage of office files (6 years)	£30 per box
Business mileage	45p per mile

Category 2 disbursements may be drawn if they have been approved in the same manner as an office holder's remuneration.
