NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 DECEMBER 2011

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

In the year under review the company's balance sheet is insolvent by £86,582

Given the above, there is a material uncertainty which may cast significant doubt as to the company's ability to continue as a going concern and it may be unable to discharge its liabilities in the normal course of business

However, having regard to the Shareholders continued financial support, the directors continue to adopt the going concern basis in preparing the accounts

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated)

1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows

Fixtures, fittings & equipment	25% on reducing balance
--------------------------------	-------------------------

1.5 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable from customers and represents amounts receivable for services net of discounts, VAT and other sales-related taxes
