Notes to the Abbreviated Accounts	3 to 5

The following reproduces the text of the accountants' report in respect of the company's annual financial statements, from which the abbreviated accounts (set out on pages 2 to 5) have been prepared.

**Chartered Accountants' Report to the Director on the Preparation of the Unaudited
Statutory Accounts of
Medalytix (Group) Limited
for the Year Ended 31 August 2014**

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the accounts of Medalytix (Group) Limited for the year ended 31 August 2014 set out on pages from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at icaew.com/membershandbook.

This report is made solely to the Board of Directors of Medalytix (Group) Limited, as a body, in accordance with the terms of our engagement letter dated 19 December 2010. Our work has been undertaken solely to prepare for your approval the accounts of Medalytix (Group) Limited and state those matters that we have agreed to state to them, as a body, in this report in accordance with AAF 2/10 as detailed at icaew.com/compilation. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Medalytix (Group) Limited and its Board of Directors as a body for our work or for this report.

It is your duty to ensure that Medalytix (Group) Limited has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and loss of Medalytix (Group) Limited. You consider that Medalytix (Group) Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the accounts of Medalytix (Group) Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts.

Notes to the Abbreviated Accounts for the Year Ended 31 August 2014

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Going concern

The company provides funding for its wholly owned subsidiary Medalytix Ltd (together referred to as the Group). For the purposes of assessing the basis of preparation of these financial statements the directors have considered the group as a whole as this better reflects this overall position. The company has committed to provide financial support to Medalytix Ltd as required.

The Group has sub licenced its lead product and expects to generate further revenues. Accordingly, during the year ended 31st August 2014, the Group generated earnings before interest, tax and depreciation of £11,901 resulting in a final cash balance of £107,825. There is no tax liability. During the year ended 31st August 2013 the company generated comparable earnings of £94,404 and had a final cash balance of £182,282.

The directors have prepared detailed cash flow forecasts for the next 12 months which show that the Group will have adequate cash to meet its requirements during the forecast period. These forecasts reflect the continuing significant reductions in costs that the directors have delivered and do not assume cash receipts from royalty income on third party sales that have not yet been secured as the directors recognise that there is a risk that the forecast sales may be delayed or not take place.

Turnover

Turnover represents amounts chargeable in respect of the sale of goods and services to customers.

Government grants

Grants are credited to the profit and loss account so as to match them with the expenditure to which they relate and only when the conditions of receipt have been complied with and there is reasonable assurance the grant will be received.

Amortisation

Amortisation is provided on intangible fixed assets so as to write off the cost, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Amortisation method and rate
Intangible Assets	10% straight line

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Computer equipment	now fully depreciated
Software Development	33.3% reducing balance

Research and development

Development expenditure incurred on an individual project is carried forward when its future recoverability can reasonably be regarded as assured. Any expenditure carried forward is amortised in line with the expected future sales from the related project.

Fixed asset investments

Fixed asset investments are stated at historical cost less provision for any diminution in value.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.
