2. **Covenant to pay**

Each Chargor as primary obligor covenants with the Security Agent (for the benefit of itself and the other Secured Parties) that it will on demand pay the Secured Obligations when they fall due for payment in accordance with the terms of the relevant Finance Documents.

Each Chargor, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights:

- (a) by way of first legal mortgage, all Material Property; and
- (b) by way of first fixed charge:
 - (i) all other interests (not effectively charged under clause 3.1(a)) in any Material Property;

- (ii) all Subsidiary Shares;
- (iii) all Investments (other than Subsidiary Shares);
- (iv) all Equipment;
- (v) all Book Debts;
- (vi) all Blocked Accounts;
- (vii) its goodwill and uncalled capital; and
- (viii) to the extent not effectively assigned by clause 3.2 (Security Assignment):
 - (A) the Assigned Agreements;
 - (B) the Insurances; and
 - (C) the Hedging Agreements.

3.2 **Security assignment**

As further security for the payment and discharge of the Secured Obligations, each Chargor assigns absolutely with full title guarantee in favour of the Security Agent all its right, title and interest in the following assets, both present and future, and, in each case, all Related Rights:

- (a) the Assigned Agreements;
- (b) the Insurances; and
- (c) the Hedging Agreements,

provided that on payment or discharge in full of the Secured Obligations the Security Agent will at the request and cost of the relevant Chargor re-assign the relevant rights, title and interest in the assigned assets to that Chargor (or as it shall direct).

3.3 **Fixed security**

Clause 3.1 (Fixed Charges) and clause 3.2 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

3.4 **Floating charge**

As further security for the payment and discharge of the Secured Obligations, each Chargor charges with full title guarantee in favour of the Security Agent by way of first floating charge all its present and future assets not effectively charged by way of fixed charge under clause 3.1 (Fixed Charges) or assigned under clause 3.2 (Security Assignment).

3.5 **Conversion of floating charge**

- (a) Subject to paragraph (b) below, if:
 - (i) a Declared Default has occurred; or

- (ii) the Security Agent is reasonably of the view that any legal process or execution is being enforced against any Floating Charge Asset or that any Floating Charge Asset is in danger of being seized or otherwise in jeopardy; or
- (iii) the Security Agent reasonably considers that it is necessary to protect the priority of the security constituted by the floating charge created by clause 3.4 (Floating Charge) above,

the Security Agent may, by notice to any Chargor, convert the floating charge created under this deed into a fixed charge as regards those assets which it specifies in the notice.

- (b) The floating charge created under this deed may not be converted into a fixed charge solely by reason of the obtaining of a moratorium under section 1A of the Insolvency Act 1986 in relation to a Chargor, or anything done with a view to obtaining such a moratorium.

3.6 Automatic conversion of floating charge

If:

- (a) any Chargor creates (or purports to create) any Security in breach of clause 6.2 (Negative Pledge) over any Floating Charge Asset; or
- (b) any person (other than a Secured Party) levies or attempts to levy any distress, attachment, execution or other legal process against any Floating Charge Asset,

the floating charge created under this deed over the relevant Floating Charge Asset will automatically and immediately be converted into a fixed charge.

3.7 Excluded assets

- (a) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) of this deed and from the operation of clause 4 (Further Assurance):
 - (i) any asset or undertaking which a Chargor is prohibited from creating Security on or over by reason of any contract, licence, lease, instrument or other arrangement which has been entered into with a third party on arms' length terms in relation to that asset or undertaking and which contract, licence, lease, instrument or other arrangement is otherwise permitted or not prohibited by the terms of the Finance Documents (including any asset or undertaking which a Chargor is precluded from creating Security over without the prior consent of a third party), in each case to the extent of that prohibition and for so long as such prohibition is in existence or until consent has been received from the third party and provided that the prohibition in the underlying contract, licence, lease, instrument or other arrangement was not included at the request of, or otherwise procured by, a member of the Group following the date of this Deed;
 - (ii) any asset or undertaking which a Chargor is not prohibited from creating Security on or over by the relevant contract, licence, lease, instrument or other arrangement but which would, if subject to any Security, give a third party the right under any contract, licence, lease, instrument or other arrangement which has been entered into with a third party on arms' length terms in relation to that asset or undertaking and which contract, licence, lease, instrument or other arrangement is otherwise permitted or not

prohibited by the terms of the Finance Documents to amend any rights, benefits and/or obligations of a Chargor in respect of that asset or undertaking or require a Chargor to take any action which, in each case, would be materially adverse to the interests of a Chargor, in each case to the extent of that right and for so long as such right is in existence or until a waiver of the relevant term has been received from the third party (any such asset or undertaking in this paragraph and paragraph (i) above an **Excluded Asset**); and

- (iii) any asset or undertaking situated outside England and Wales to the extent that any such Security would be unlawful under the laws of the jurisdiction in which such asset or undertaking is situated (or would present a material risk of liability for any director or officer of a Chargor or give rise to a material risk of breach of fiduciary or statutory duty by any such director or officer) provided that the relevant Chargor has used its commercially reasonable efforts to overcome such obstacles, in each case to the extent of that unlawfulness or to the extent required to avoid the relevant liability or breach of duty and for so long as such unlawfulness, risk of liability or risk of breach of duty is in existence.

For the purposes of this Clause 3.7, the term "third party" in relation to a Chargor means any person which is not a member of the Group or an Affiliate of a member of the Group.

- (b) To the extent that an Excluded Asset is material (in the view of the Security Agent acting reasonably), each relevant Chargor undertakes to apply for a consent or waiver of any such prohibition or condition referred to in paragraphs (a)(i) and (ii) above as soon as reasonably practicable after the date of this deed (or, as the case may be, the date of the creation of the relevant prohibition or condition to the extent arising after the date of this Deed) and to use its reasonable endeavours to obtain such waiver or consent within 20 Business Days of service in respect of any notice or request delivered pursuant to this paragraph (and the relevant Chargor's obligation under this paragraph will cease on the expiry of the 20 Business Days period referred to in this paragraph).
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Asset shall stand charged to the Security Agent under clause 3.1 (Fixed Charges) of this Deed. If reasonably required by the Security Agent, at any time following receipt of that waiver or consent, the relevant Chargor will forthwith execute a valid legal mortgage, legal charge or legal assignment over such Excluded Asset on substantially the same terms as set out in this Deed or otherwise in such form as the Security Agent shall reasonably require (provided that such request is in accordance with the Agreed Security Principles).

4. **Further assurance**

- (a) Subject to the Agreed Security Principles, each Chargor shall promptly (and at its own expense) do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):
 - (i) to perfect the Security created or intended to be created under or evidenced by this deed or for the exercise of any rights, powers and remedies of the Security Agent, any Receiver or the Secured Parties provided by or pursuant to this deed or by law;

- (ii) to confer on the Security Agent or on the Secured Parties Security over any property and assets of that Chargor located in any jurisdiction equivalent or similar to the Security intended to be conferred by or pursuant to this deed; and/or
 - (iii) to facilitate the realisation of the assets which are, or are intended to be, the subject of the Security created by this deed.
- (b) Subject to the Agreed Security Principles, each Chargor shall take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to this deed.

All of the undertakings given in this deed are given from the date of this deed and for so long as any security constituted by this deed remains in force.

6.2 Negative pledge

No Chargor may create or agree to create or permit to subsist any Security or Quasi-Security over all or any part of the Charged Property except as permitted by and in accordance with the Finance Documents.

6.3 Disposal restrictions

No Chargor may enter into a single transaction or a series of transactions (whether related or not) and whether voluntary or involuntary to sell, lease, transfer or otherwise dispose of all or any part of the Charged Property except as permitted by and in accordance with the Finance Documents.

6.4 Documents relating to charged property

- (a) Without prejudice to any specific requirements in this deed for the delivery of documents, each Chargor will promptly deliver to the Security Agent all documents relating to the Charged Property which the Security Agent from time to time reasonably requires.

- (b) The Security Agent may retain any document delivered to it under this deed for so long as any security constituted by this deed remains in force and, if for any reason it returns any document to the relevant Chargor (or its nominee) before that time, it may by notice to the relevant Chargor require that the relevant document be redelivered to it and the relevant Chargor shall promptly comply (or procure compliance) with that notice.

6.5 **Power to remedy**

If a Chargor fails to comply with any undertaking given in this deed and that failure is not remedied to the satisfaction of the Security Agent (acting reasonably) within 14 days of the Security Agent notifying the Obligors' Agent that remedy is required, it will allow (and irrevocably authorises) the Security Agent, or any Delegate, to take any action on behalf of that Chargor which is reasonably necessary to ensure that those covenants are complied with.

7. **Property**

7.1 **Leases**

Each Chargor shall:

- (a) comply in all material respects with all covenants and conditions applicable to it (whether as lessor, lessee or in any other capacity) contained in any lease, licence or other document relevant to its interest in any Property;
- (b) enforce the due observance and performance of all material covenants given for its benefit in relation to any Property;
- (c) not accept any surrender of any lease of Property in respect of which it is the lessor, except as permitted or not prohibited by the Finance Documents or with the prior consent of the Security Agent (not to be unreasonably withheld or delayed); and
- (d) give immediate notice to the Security Agent if it receives any notice under section 146 of the Law of Property Act 1925 or any proceedings are commenced against it for the forfeiture of any lease of any Property.

7.2 **Perfection of property security**

- (a) Each Chargor will, promptly following execution of this deed or (if later) acquisition of Material Property, deposit with the Security Agent (or as it shall direct) certified copies of all deeds and documents of title relating to all Material Property in which it has an interest and, if those deeds and documents are with the Land Registry, will promptly deposit certified copies of them with the Security Agent (or as it shall direct) upon their release.
- (b) In relation to Material Property situated in England and Wales and charged by way of legal mortgage under this deed, each Chargor hereby irrevocably consents to the Security Agent applying to the Chief Land Registrar for a restriction to be entered on the Register of Title of all that Property in which it has an interest (including any unregistered properties subject to compulsory first registration at the date of this deed) on the prescribed Land Registry form and in the following or substantially similar terms:

"No disposition of the registered estate by the proprietor of the registered estate or by the proprietor of any registered charge, not being a charge registered before the entry of this restriction, is to be registered without a written consent signed by

the proprietor for the time being of the charge dated ● in favour of GLAS Trust Corporation Limited (as security agent) referred to in the charges register."

- (c) Subject to the terms of the Finance Documents, the Lenders are under an obligation to make further advances (which obligation is deemed to be incorporated into this deed) and this security has been made for securing those further advances. In relation to Material Property which is situated in England and Wales and charged by way of legal mortgage under this deed, the Security Agent may apply to the Chief Land Registrar for a notice to be entered onto the Register of Title of all that Property (including any unregistered Property subject to compulsory first registration at the date of this deed) that there is an obligation to make further advances on the security of the registered charge.

7.3 **Prior rights of freeholders or third parties**

The Security created by this Deed over any Property is subject to any prior rights of any freeholder or third party which are not waived and subject to any applicable third party consents, provided that each Chargor shall use all reasonable endeavours to obtain any necessary consent from any freeholder, superior leaseholder or any other third party in respect of its interest in any Property.

8. **Investments**

8.1 **Voting and Distribution Rights**

- (a) Until a Declared Default occurs, the relevant Chargor may:
 - (i) receive and retain all dividends, distributions and other monies paid on or derived from the Investments; and
 - (ii) exercise all voting and other rights and powers attaching to the Investments provided that it may not exercise any such voting or other rights or powers in a manner which is inconsistent with any Finance Document or which may be reasonably likely to (i) be materially prejudicial to the value of the security given by this deed or the realisation of it, (ii) be materially prejudicial to the validity or enforceability of the security created by this deed or (iii) cause an Event of Default to occur.
- (b) On and after the occurrence of a Declared Default:
 - (i) the relevant Chargor will promptly pay all dividends, distributions and other monies paid on or derived from the Investments into a Blocked Account; and
 - (ii) the Security Agent may (in its sole discretion) directly or indirectly (by instruction to the relevant legal owner of the relevant Investments) exercise, refrain from exercising or disclaim any right to exercise any voting or other rights and powers attaching to the Investments. Any exercise of such voting rights may only be for the purpose of preserving the value of the security given by this deed or facilitating the realisation of it. The relevant Chargor will promptly comply with any direction given by the Security Agent in relation to the exercise of voting or other rights and powers. Any such disclaimer will confer on the relevant Chargor the authority to direct the exercise of the disclaimed right, as if a Declared Default had not occurred, in accordance with paragraph (a)(ii) above.

- (c) At any time when any Investments are registered in the name of the Security Agent or its nominee, the Security Agent will not be under any duty to ensure that any dividends, distributions or other monies payable in respect of those Investments are duly and promptly paid or received by it or its nominee, or to verify that the correct amounts are paid or received, or to take any action in connection with the taking up of any (or any offer of any) stocks, shares, rights, monies or other property paid, distributed, accruing or offered at any time by way of interest, dividend, redemption, bonus, rights, preference, option, warrant or otherwise on or in respect of or in substitution for, any of those Investments.

8.2 **Perfection of Investments Security**

In respect of Investments held in respect of a person incorporated in England and Wales, each Chargor will promptly following the execution of this deed or (if later) acquisition of an Investment deposit with the Security Agent (or as it shall direct) all stock and share certificates and other documents of title relating to the Investments in which it has an interest together with stock transfer forms executed in blank and left undated on the basis that the Security Agent shall be able to hold such documents of title and stock transfer forms until the Secured Obligations have been irrevocably and unconditionally discharged in full and shall be entitled, at any time following the occurrence of a Declared Default, to complete, under its power of attorney given by clause 14 (Attorney) below, the stock transfer forms on behalf of the relevant Chargor in favour of itself or its nominee(s).

8.3 **Perfection of uncertificated investments security**

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted or not prohibited by the Finance Documents) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the Obligors' Agent), as from the time it receives that notice, all payments made by the relevant Chargor to it shall (in the absence of any express appropriation to the contrary) be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations.

21.11 Redemption of prior charges

The Security Agent may, at any time after a Declared Default has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. - (a) At any time following the occurrence of (i) a Declared Default or (ii) an Event of Default which is continuing, any Secured Party may set off any matured obligation due from a Chargor under the Finance Documents (to the extent beneficially owned by that Secured Party) against any matured obligation owed by that Secured Party to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- (b) If the relevant obligation or liability of a Chargor is unliquidated or unascertained, the Secured Party may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

All monies received or held by the Security Agent or any Receiver under this deed may be converted into any other currency which the Security Agent considers necessary to discharge any obligations and liabilities comprised in the Secured Obligations in that other currency at a market rate of exchange then prevailing.

26.2 No discharge

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge any obligation or liability in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. 27.2 Invalidity of any provision

If any provision of this deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

27.5 Covenant to release

Once all the Secured Obligations have been paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any member of the Group, the Security Agent and each Secured Party shall, at the request and cost of each Chargor, take any action which is necessary to release the Charged Property from the security constituted by this deed.

28. Governing law and jurisdiction

- (a) This deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence,
