PROJECT NEPTUNE TOPCO LIMITED

STRATEGIC REPORT

FOR THE YEAR ENDED 31 MARCH 2021

The directors present the strategic report for the year ended 31 March 2021.

Fair review of the business

The statement of comprehensive income on page 9 shows the group's turnover of £8.00m (2020: £18.64m) and a loss before taxation of £23.40m (2020: £14.84m), for the year ended 31 March 2021.

The material reduction in revenue of £10.64m noted above, was due to the impact of the COVID-19 pandemic and each of the 3 lockdowns on the UK economy, which the business weathered throughout the financial year.

The EBITDA loss in the year of £0.66m noted below, from the EBITDA profit of £6.64m in the prior period, was as a result of the reduction in revenue.

The statement of financial position on page 9 shows as at 31 March 2021, net liabilities of £37.23m (2020: £14.15m).

Principal risks and uncertainties

The principal risks considered by the directors are noted below:

Changes in legislation:

The group has built good relationships with regulatory bodies and ensures that high standards are maintained in its compliance requirements.

Competition:

Car park management services is a competitive market and the group ensures it maintains strong relationships with its customers and ensures there are resources to continue to increase market share.

Debt covenant:

The debt covenant reporting and operating requirements, are kept under continuous review by the directors.

Key performance indicators

In addition to the key performance indicators of revenues and profits and losses before taxation noted above, the directors also review EBITDA (earnings before interest, tax, depreciation and amortisation) which is as follows:

	2021	2020
	£'000	£'000
Operating loss for the year	(11,793)	(4,251)
Amortisation and depreciation	11,136	10,888
EBITDA for the period	(657)	6,637

Following the acquisition of the subsidiaries, the EBITDA has been in line with management's expectations.

PROJECT NEPTUNE TOPCO LIMITED

STRATEGIC REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Future developments

The directors expect the business to return to growth in the forthcoming year, in a competitive market after experiencing the effects of the COVID-19 crisis throughout the year ended 31 March 2021.

PROJECT NEPTUNE TOPCO LIMITED

DIRECTORS' REPORT

FOR THE YEAR ENDED 31 MARCH 2021

The directors present their annual report and financial statements for the year ended 31 March 2021.

Principal activities

The principal activity of the company is that of a holding company. The principal activity of the group is that of car park management services.

Results and dividends

The results for the year are set out on page 9.

No ordinary dividends were paid. The directors do not recommend payment of a further dividend.

Directors

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

S Abraham
M Ali
M Coffin
D Rigby
A Wigglesworth

Qualifying third party indemnity provisions

The company has made qualifying third party indemnity provisions for the benefit of its directors during the year. These provisions remain in force at the reporting date.

Auditor

RSM UK Audit LLP have indicated their willingness to be reappointed for another term and a resolution proposing that they be reappointed as auditor of the group will be put at a General Meeting.

Strategic report

The group has chosen in accordance with Companies Act 2006, s. 414C(11) to set out in the group's strategic report information required to be contained in the directors' report, including financial risk management, future developments and post balance sheet events.

Statement of disclosure to auditor

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditor is unaware. Additionally, each director has taken all the necessary steps that they ought to have taken as a director in order to make themselves aware of all relevant audit information and to establish that the company's auditor is aware of that information.

PROJECT NEPTUNE TOPCO LIMITED

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

Going Concern

At the time of approving the financial statements, the directors have considered possible negative impacts both directly to the company, as well as the potential wider economic effects of the COVID-19 crisis.

When the COVID-19 crisis began at the start of the financial year, there was an immediate impact on the business as the country went into the first lockdown. At beginning of the lockdown, the Directors concluded that a breach in banking covenants would occur from the quarter ending June 2020 onwards. New temporary banking covenants for the bank loan were negotiated and agreed to cover the periods between June 2020 to August 2021.

As the economy slowly came out of the lockdown through the summer of 2021, the business returned to growth, with trading performance near to pre-COVID levels after September 2021 onwards. The banking covenants were renegotiated and reset, with the term of the loan reduced from March 2026 to 31 December 2022, at which time the bank loan will have to be refinanced. The directors are confident that the group will be able to secure adequate financing or refinancing at the maturity date of the bank loan.

The directors have reviewed the trading and cash flow forecasts, including the forecast covenants and have a reasonable expectation that the company is in a position to meet its liabilities as they fall due over the next 12 months. During the forecast period, the Group is expected to utilise a £2.5m capital expenditure facility from shareholders, to support the planned growth of the business. On this basis, the directors consider that it is appropriate to prepare the financial statements on a going concern basis.

PROJECT NEPTUNE TOPCO LIMITED

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE YEAR ENDED 31 MARCH 2021

The directors are responsible for preparing the Strategic Report and the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and company, and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the group and company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's and company's transactions and disclose with reasonable accuracy at any time the financial position of the group and company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the group and company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PROJECT NEPTUNE TOPCO LIMITED

Opinion

We have audited the financial statements of Project Neptune Topco Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 March 2021 which comprise the consolidated statement of comprehensive income, the consolidated statement of financial position, the company statement of financial position, the consolidated statement of changes in equity, the company statement of changes in equity, the consolidated statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 March 2021 and of the group's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PROJECT NEPTUNE TOPCO LIMITED (CONTINUED)

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and their environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses, and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the group audit engagement team:

- obtained an understanding of the nature of the industry and sector, including the legal and regulatory frameworks that the group and parent company operates in and how the group and parent company are complying with the legal and regulatory frameworks;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PROJECT NEPTUNE TOPCO LIMITED (CONTINUED)

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, the Companies Act 2006 and tax compliance regulations. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing financial statement disclosures, inspecting correspondence with local tax authorities and evaluating advice received from external tax advisors.

The most significant laws and regulations that have an indirect impact on the financial statements are those in relation to the British Parking Association Code of Practice, and DVLA regulations. We performed audit procedures to inquire of management and those charged with governance whether the group is in compliance with these law and regulations and inspected correspondence with regulatory authorities.

The group audit engagement team identified the risk of management override of controls and revenue recognition as the areas where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments and evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business and challenging judgments and estimates applied in the calculation of accrued income and carrying value of goodwill.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Company information

Project Neptune Topco Limited ("the company") is a private company limited by shares and is registered and incorporated in England and Wales. The registered office is Molteno House, 302 Regents Park Road, London, N3 2JX.

The group consists of Project Neptune Topco Limited and all of its subsidiaries.

The company's and the group's principal activities and nature of its operations are disclosed in the Directors' Report.

Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 including the provisions of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

The company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements for parent company information presented within the consolidated financial statements:

- Section 7 'Statement of Cash Flows' – Presentation of a statement of cash flow and related notes and disclosures;

The financial statements of the company are included within these consolidated financial statements of Project Neptune Topco Limited.

Basis of consolidation

The consolidated financial statements incorporate those of Project Neptune Topco Limited and all of its subsidiaries (i.e. entities that the group controls through its power to govern the financial and operating policies so as to obtain economic benefits). Subsidiaries acquired during the year are consolidated using the purchase method. Their results are incorporated from the date that control passes.

All financial statements are made up to 31 March 2021. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by other members of the group.

All intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated on consolidation. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

The cost of a business combination is the fair value at the acquisition date of the assets given, equity instruments issued and liabilities incurred or assumed, plus costs directly attributable to the business combination. The excess of the cost of a business combination over the fair value of the identifiable assets, liabilities and contingent liabilities acquired is recognised as goodwill.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (Continued)

Going concern

At the time of approving the financial statements, the directors have considered possible negative impacts both directly to the company, as well as the potential wider economic effects of the COVID-19 crisis.

When the COVID-19 crisis began at the start of the financial year, there was an immediate impact on the business as the country went into the first lockdown. At beginning of the lockdown, the Directors concluded that a breach in banking covenants would occur from the quarter ending June 2020 onwards. New temporary banking covenants for the bank loan were negotiated and agreed to cover the periods between June 2020 to August 2021.

As the economy slowly came out of the lockdown thorough the summer of 2021, the business returned to growth, with trading performance near to pre-COVID levels after September 2021 onwards. The banking covenants were renegotiated and reset, with the term of the loan reduced from March 2026 to 31 December 2022, at which time the bank loan will have to be refinanced. The directors are confident that the group will be able to secure adequate financing or refinancing at the maturity date of the bank loan.

The directors have reviewed the trading and cash flow forecasts, including the forecast covenants and have a reasonable expectation that the company is in a position to meet its liabilities as they fall due over the next 12 months. During the forecast period, the Group is expected to utilise a £2.5m capital expenditure facility from shareholders, to support the planned growth of the business. On this basis, the directors consider that it is appropriate to prepare the financial statements on a going concern basis.

Reporting period

The company was incorporated on 12 March 2019 and the prior period consolidated financial statements were presented from the date of incorporation to 31 March 2020. The comparative amounts are therefore not entirely comparable.

Turnover

Turnover is recognised at the fair value of the estimated consideration receivable for parking notices issued and services rendered and is shown net of VAT.

Estimated consideration receivable represents the expected receipts after estimating early settlement discounts and uncollected notices. Expected receipts use historic collection rates to estimate cash inflows from the date the parking notice is issued. Accrued income is recorded in the financial statements for outstanding parking notices at the reporting date at the expected collection rate.

Income from managed sites is recognised on gross basis as the company acts in the role of principal, managing all aspects of income generation for these sites.

Intangible fixed assets - goodwill

Goodwill represents the excess of the cost of acquisition of a business over the fair value of net assets acquired. It is initially recognised as an asset at cost and is subsequently measured at cost less accumulated amortisation and accumulated impairment losses. Goodwill is considered to have a finite useful life and is amortised on a systematic basis over its expected life, which is 10 years.

For the purposes of impairment testing, goodwill is allocated to the cash-generating units expected to benefit from the acquisition. Cash-generating units to which goodwill has been allocated are tested for impairment at least annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (Continued)

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	5 years straight line
Fixtures and fittings	5 years straight line
Computers	5 years straight line

Residual value is calculated on prices prevailing at the reporting date, after estimated costs of disposal, for the asset as if it were at the age and in the condition expected at the end of its useful life.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

Fixed asset investments

In the separate accounts of the company, interests in subsidiaries are initially measured at cost and subsequently measured at cost less any accumulated impairment losses. The investments are assessed for impairment at each reporting date and any impairment losses or reversals of impairment losses are recognised immediately in profit or loss.

A subsidiary is an entity controlled by the group. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

Impairment of fixed assets

At each reporting period end date, the group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Cash and cash equivalents

Cash and cash equivalents are basic financial instruments and include cash in hand and deposits held at call with banks.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (Continued)

Financial instruments

The group has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised when the group becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other debtors and amounts owed by group undertakings, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the financial asset is measured at the present value of the future receipts discounted at a market rate of interest.

Impairment of financial assets

Financial assets are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the group transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including trade creditors, accruals, other loans, loan notes and accrued interest are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (Continued)

Derecognition of financial liabilities

Financial liabilities are derecognised when, and only when, the group's contractual obligations are discharged, cancelled, or they expire.

Equity instruments

Equity instruments issued by the group are recorded at the fair value of proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the group.

Taxation

The tax expense represents the sum of the current tax expense and deferred tax expense. Current tax assets are recognised when tax paid exceeds the tax payable.

Current and deferred tax is charged or credited to profit or loss, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income, or equity.

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on the net basis or to realise the asset and settle the liability simultaneously.

Current tax is based on taxable profit for the year. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date. Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements. *Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits.*

Deferred tax is recognised on differences between the value of assets (other than goodwill) and liabilities recognised in a business combination and the amounts that can be deducted or assessed for tax. The deferred tax recognised is adjusted against goodwill.

Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Retirement benefits

For defined contribution schemes the amount charged to profit or loss is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (Continued)

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the statement of financial position as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to profit or loss so as to produce a constant periodic rate of interest on the remaining balance of the liability.

Rentals payable under operating leases, including any lease incentives received, are charged to profit or loss on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

Government grants

Government grants have been recognised in Other operating income and relate to income received under the Coronavirus Job Retention Scheme.

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

2 Judgements and key sources of estimation uncertainty

In the application of the group's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Key sources of estimation uncertainty

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are as follows.

Accrued income on Parking Charge Notices

Accrued income is calculated by estimating future inflows on parking notices issued with reference to historic collection rates on previously issued notices.

Impairment of goodwill

The group establishes a reliable estimate of the useful life of goodwill arising on business combinations. This estimate is based on a variety of factors such as the expected use of the acquired business, the expected useful life of the cash generating units to which the good will is attributed, any legal, regulatory or contractual provisions that can limit useful life and assumptions that market participants would consider in respect of similar businesses.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

17 Borrowings (Continued)

During the year, a subsidiary of the group issued £Nil (2020: £41,847,508) secured investor loan notes and £Nil (2020: £18,216,578) secured management loan notes. The loan notes are secured by a fixed and floating charge over all assets of the subsidiary. Interest is payable on the loan notes at a rate of 10% per annum. The loan notes are due for redemption in March 2027.

The remaining borrowings relate to another subsidiary of the group. This subsidiary shall repay the loan facility on the termination date 7 years from 22 March 2019, with an effective rate of interest at 6% plus LIBOR plus a PIK Margin of 1.5%. Post year-end the banking covenants were renegotiated and reset, with the term of the loan reduced from March 2026 to 31 December 2022, at which time the loan will need to be refinanced.

This loan is secured over over all assets of the subsidiary.

18 Finance lease obligations

	Group 2021 £	2020 £	Company 2021 £	2020 £
Future minimum lease payments due under finance leases:				
Less than one year	165,396	275,101	-	-
Between one and five years	55,984	221,380	-	-
	<u>221,380</u>	<u>496,481</u>	<u>-</u>	<u>-</u>
Less: future finance charges	(18,813)	(63,144)	-	-
	<u>202,567</u>	<u>433,337</u>	<u>-</u>	<u>-</u>

Finance lease payments represent rentals payable by the group for certain items of plant and machinery. Leases include purchase options at the end of the lease period, and no restrictions are placed on the use of the assets. The average lease term is 5 years and at the reporting date the average unexpired lease term is approximately two and a half years. All leases are on a fixed repayment basis and no arrangements have been entered into for contingent rental payments.

19 Deferred taxation

The major deferred tax liabilities and assets recognised by the group and company are:

	Liabilities 2021 £	Liabilities 2020 £
Group		
Accelerated capital allowances	177,857	244,551
Losses and other deductions	(159,241)	-
Short term timing differences	(839)	(938)
	<u>17,777</u>	<u>243,613</u>

The company has no deferred tax assets or liabilities.

PROJECT NEPTUNE TOPCO LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

19 Deferred taxation (Continued)

	Group 2021 £	Company 2021 £
Movements in the year:		
Liability at 1 April 2020	243,613	-
Credit to profit or loss	(225,836)	-
Liability at 31 March 2021	17,777	-

The deferred tax liability set out above is expected to reverse within 12 months and relates to accelerated capital allowances that are expected to mature within the same period.

20 Retirement benefit schemes

A defined contribution pension scheme is operated for all qualifying employees. The assets of the scheme are held separately from those of the group in an independently administered fund. Contributions totalling £10,500 (2020: £4,934) were payable to the fund at the year end and are included in other creditors.

21 Share capital

	Group and Company			
	2021 Number	2020 Number	2021 £	2020 £
Ordinary share capital				
Issued and fully paid				
A Ordinary shares of 1p each	591,272	591,272	5,913	5,913
B Ordinary shares of 1p each	258,728	258,728	2,587	2,587
C Ordinary shares of 1p each	141,500	141,500	1,415	1,415
	991,500	991,500	9,915	9,915

A, B and C Ordinary shareholders have one vote per share and dividends are distributed amongst the holders in proportion to the number of shares held by them. Shares rank equally as regards to capital and have no preferential right to participate in a distribution. The shares do not confer a right of redemption.

22 Reserves

Share premium

Consideration received for shares issued above their nominal value net of transaction costs.

Profit and loss reserves

Cumulative profit or loss net of distributions to owners.

PROJECT NEPTUNE TOPCO LIMITED
