Notes to the Abbreviated Accounts for the period ended 30 September 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

Going concern

The company meets its day to day working capital requirements through support from the directors. The directors have confirmed that they will continue to give financial support to the company until such time as its position improves. In addition the directors have confirmed that they will not recall their loans within 12 months.

On this basis, the directors consider it appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the withdrawal of the financial support.

Turnover policy

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

Tangible assets depreciation policy

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment 50% straight line

Other accounting policies**Stock**

Stock is valued at the lower of cost and net realisable value.

Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
