1.4 Circumstances Giving Rise to the Appointment of the **Administrators**

On 13 February 2013, Republic and Republic (UK) entered administration and RH Kelly, AM Hudson and JP Sumpton were appointed as Joint Administrators. Republic was the Group's main trading entity

Republic (ROI) a subsidiary of Republic (incorporated in the Republic of Ireland) entered administration on 26 February 2013, and LJ Charleton, RH Kelly and AM Hudson were appointed as Joint Administrators

Following the appointment of Joint Administrators to Republic, Republic (UK) and Republic (ROI) the Administrators have investigated the financial position of each of the entities and as it is likely that there will be realisations following a distribution of the prescribed part for the intra-Group indebtedness owed to the Companies by Republic, steps were taken to place them into insolvency.

Accordingly the Lenders appointed RH Kelly and JP Sumpton as Joint Administrators of the Companies on 3 May 2013, under paragraph 14 of Schedule B1 to the Act.

2. Purpose and conduct of the Administrations

2.1 Purpose of the Administration

The purpose of an administration is to achieve one of three objectives:

- a. To rescue the company as a going concern
- b To achieve a better result for the company's creditors as a whole than would be likely if the company were wound up (without first being in administration)
- To realise property in order to make a distribution to one or more secured or preferential creditors

Insolvency legislation provides that objective (a) should be pursued unless it is not reasonably practicable to do so or if objective (b) would achieve a better result for the company's creditors as a whole. Objective (c) may only be pursued if it is not reasonably practicable to achieve either objective (a) or (b) and can be pursued without unnecessarily harming the interests of the creditors of the company as a whole

It was not deemed possible to rescue the Companies as a going concern in accordance with paragraph 3(1)(a) of Schedule B1 to the Act, or pursue objective (b) as the Companies did not trade and their only realisable assets are primarily intra-Group debtors

The Joint Administrators therefore pursued objective (c) to realise property in order to make a make a distribution to one or more secured or preferential creditors.

2.2 Conduct of the Administrations

As noted above, the Companies did not trade and had no employees

The only assets were investments in subsidiaries that no longer have equity value, intra-Group balances due by other group companies and a loan of £123,000, due from a former employee in Teen Bidco Limited We are currently reviewing the term of the loan and options for repayment.

On conclusion of the administration of Republic, we expect there to be a maximum Prescribed Part of $\mathfrak{L}0$ 6m available for distribution We estimate that this will result in dividends as follows:

| Name of Company | Total |
|--------------------------|----------|
| TPG Raincoat III Limited | £9,200 |
| TPG Raincoat IV Limited | £31,300 |
| Teen Topco Limited | £35,200 |
| Teen Bidco Limited | £132,300 |
| Inhoco 3017 Limited | £53,000 |
| | £261,000 |

3. Future conduct of the ਕੋਰ੍ਹੀministrations

3.1 Initial meeting of creditors

The Joint Administrators are of the opinion that none of the Companies have sufficient property to enable a distribution to be made in any of the Companies to unsecured creditors other than by virtue of the Prescribed Part. Consequently in accordance with the provisions of paragraph 52(1) of Schedule B1 to the Act, they do not intend to call an initial creditors' meeting in any of the Companies

The Joint Administrators will be obliged to call an initial meeting of creditors if it is requested by creditors of the relevant company whose debts amount to at least 10% of the total debts of the relevant company. The request must be made within 8 business days of the date on which these proposals are sent out (or such longer period as the court may allow) and must be in the prescribed form. The creditor summoning the meeting must lodge with the Joint Administrators a deposit as security for the expenses of summoning and holding the meeting. Further information is provided in the covering letter accompanying these proposals.

3.2 Future conduct of the Administrations

The Joint Administrators will continue to manage the affairs, business and property of the Companies in order to achieve the purpose of the Administrations. This will include, inter alia:

- Agree inter-group balances to enable participation in the Prescribed Part due in Republic (UK) and Republic;
- Pursue the directors loan debtor in Teen Bidco Limited;
- Distributing the realisations to the secured creditors;
- Investigating the conduct of the Directors;
- ▶ If appropriate, agreeing and distributing the Prescribed Part;
- Dealing with statutory reporting and compliance obligations; and
- Finalising the Administrations including payment of and Administration liabilities.

3.3 The end of the Administrations

3.3.1 Dissolution

It is proposed that if at the end of the Administrations there is no property which might permit a distribution to its unsecured creditors, the Joint Administrators will send a notice to that effect to the Registrar of Companies. On registration of the notice the Joint Administrators' appointment will come to an end. In accordance with the provisions of paragraph 84(6) of Schedule 81 to the insolvency Act 1986 the relevant company will be deemed to be dissolved three months after the registration of the notice.

3.3.2 Liquidations

It is proposed that at the end of the Administrations, if any of the Companies have any property which might permit a distribution to creditors (including in respect of the Prescribed Part) it will be placed into Creditors' Voluntary Liquidation upon filing with the Registrar of Companies a notice pursuant to paragraph 83 of Schedule B1 to the Act

It is proposed that the Liquidators will be RH Kelly and JP Sumpton of Ernst & Young LLP and that any act required or authorised under any enactment to be done by the liquidators may be done by either or both of them. In accordance with paragraph 83(7) of Schedule B1 to the Act and Rule 2 117 of the Rules, creditors may nominate a different person as the proposed liquidator, provided that the nomination is made after the receipt of these proposals and before the proposals are approved. It should be noted in this regard that a person must be authorised to act as an insolvency practitioner to be appointed as liquidator

If there is property available at the end of the Administrations, but the Joint Administrators believe it to be insufficient to enable a distribution to be made in a Creditors' Voluntary Liquidation, the Joint Administrators propose to petition the Court, pursuant to paragraph 79 of Schedule B1 of the Insolvency Act 1986, for an order to bring the Administration to an end with a consequential order for the compulsory winding up of the relevant company

4. うらStatement of Affairs

The directors have prepared Statement of Affairs for the Companies as at 3 May 2013 The Statement of Affairs for each of the Companies are attached at the following appendices:

- ▶ TPG Raincoat III Limited Appendix C
- ▶ TPG Raincoat IV Limited Appendix D
- Teen Topco Limited Appendix E
- ▶ Teen Bidco Limited Appendix F
- Inhoco 3017 Limited Appendix G

We include below a summary of our comments on the directors' Statement of Affairs.

The directors have assumed that there will be no realisable value for any of the intergroup debtors. Our investigations have suggested that each company will benefit from Prescribed Part distributions which is currently estimated to be as follows:

4.1 TPG Raincoat III Limited

The only realisable asset in TPG Raincoat III Limited is the Prescribed Part distribution from TPG Raincoat IV Limited. We currently estimate total realisations of c. £9,200

4.2 TPG Raincoat IV Limited

The realisable assets within TPG Raincoat IV Limited are the Prescribed Part distributions from Republic and Teen Topco Limited We currently estimate total realisations of c £31,300

4.3 Teen Topco Limited

The realisable assets within Teen Bidco Limited are the Prescribed Part distributions from Republic and Teen Bidco Limited. We currently estimate total realisations of c £35,200.

4.4 Teen Bidco Limited

The realisable assets within Teen Bidco Limited are the Prescribed Part distribution from Republic (UK) and the director's loan We currently estimate total realisations of c. £132,300.

4.5 Inhoco 3017 Limited

The only realisable asset in Inhoco 3017 Limited is the Prescribed Part distribution from Republic (UK). We currently estimate total realisations of c £53,000.

4.6 Secured creditors

At the date of our appointment, the Group had borrowings of £64 4m from a banking syndicate comprising the Lenders and TPG Aquatic

These borrowings were secured by debentures and cross guarantees from each of the companies within the Group

The net realisations from the Companies' assets and the other companies within the Republic Group will be insufficient to enable the secured creditors to be repaid in full

4.7 Preferential creditors

As there were no employees in any of the Companies there will be no preferential claims

4.8 Non-preferential creditors

It is not anticipated that there will be sufficient realisations to enable a distribution to the non-preferential creditors of any of the Companies other than by virtue of the Prescribed Part

4.9 Prescribed parts

The prescribed part is a proportion of floating charge assets set aside for unsecured creditors pursuant to section 176A of the Insolvency Act 1986. The prescribed part applies to floating charges created on or after 15 September 2003.

The Joint Administrators do not currently intend to make an application to the court under section 176A(5) of the Insolvency Act 1986 for an order not to distribute the prescribed part in any of the Companies. However, this will be reviewed in light of additional realisations. The Administrators therefore reserve the right to make such an application to the court in these circumstances.

At this time, the quantum of realisations remains uncertain as this is dependent on the ultimate level of unsecured creditor claims in the Companies and the prescribed part dividend level from Republic. As a result, we are unable to accurately estimate the value of each of the Companies' net property. However our current estimates (before administrators costs) indicate that:

- The value of TPG Raincoat III Limited's net property may be in the region of £9,200, which would equate to a prescribed part of £4,635.
- ► TPG Raincoat IV Limited's net property may be in the region of £31,300, which would equate to a prescribed part of £9,269,
- ► Teen Topco Limited's net property may be in the region of £35,200, which would equate to a prescribed part of £10,049;
- ► Teen Bidco Limited's net property may be in the region of £132,300, which would equate to a prescribed part of £29,467; and
- ► Inhoco 3017 Limited's net property may be in the region of £53,000, which would equate to a prescribed part of £13,600

All amounts are stated before the costs of dealing with the prescribed part

Administrators' charging policy for disbursements

Statement of Insolvency Practice No 9 divides disbursements into two categories

Category 1 disbursements are defined as specific expenditure relating to the administration of the insolvent's affairs and referable to payment to an independent third party. Such disbursements can be paid from the insolvent's assets without approval from the Creditors' Committee or the general body of creditors. In line with Statement of Insolvency Practice No 9, it is our policy to disclose Category 1 disbursements drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the disbursements drawn

Category 2 disbursements are charges made by the office holder's firm that include elements of shared or overhead costs. Statement of Insolvency Practice No. 9 provides that such disbursements are subject to approval as if they were remuneration.
