TRUSTEES' REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2020

The Trustees present their annual report together with the audited financial statements of Carlisle Mencap Limited for the period 1 October 2019 to 30 September 2020. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Introduction

2020/21 has been a very challenging year for the charity, like for all others involved in social care due to COVID-19. Some services were curtailed due to the pandemic infection control measures and others, like supported living, have been increased. The majority of the staff team have continued to work throughout responding admirably to the many issues that they have faced.

Objectives and activities

a. Policies and objectives

The organisation's policy is to improve the lives of people with learning disabilities in Cumbria by providing life long, quality and person centred support.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

Strategies for the charity include:

1. The continual improvement of our existing services and the further extension of those services to new clients and new areas.
2. Working in collaboration with other organisations and consortia to increase our services and reach across a wider part of the county.
3. Developing fundraising and income generation from non-statutory sources; a fundraiser is now in place to this end.
4. Implementation of a new staffing structure across the organisation to reduce expenditure.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2020

Objectives and activities (continued)

c. Activities undertaken to achieve objectives

Notable achievements - although a lot of the year has been spent working on the staffing restructure, there have been a good number of notable achievements such as:

- California House - the service has continued to operate throughout the pandemic, though with fewer clients due to infection control. Those using the home were those deemed critically in need of care.
- The children's respite service was closed for a period but later reopened to respond to the demand for critical clients.
- There have been no inspection reports for any services due to the COVID-19 outbreak.
- A number of services including children's clubs, Sunday Active, the Independence Studio and holidays have been closed due to COVID-19. Staff however have been very enterprising in setting up numerous online activities to replace them.

Trustees' activities have been curtailed by COVID-19. However, the Trustees have continued to oversee the activities via online meetings.

Achievements and performance

a. Review of activities

During 2020/21 the organisation has continued its core activities and developed some new services, these include:

California House

Residential respite care for adults with learning disabilities. The house has five guest bedrooms, two are fully accessible for those with profound physical disabilities. The house is open 365 days a year. This service is now funded on a spot purchase system.

Community Support Adults

We provide services for adults in the community. Services provided can be very varied - from helping someone to go shopping, supporting people to do leisure activities, to spending entire days with clients supporting all of their daily activities.

Supported Living

We supply 24 hour support in the community for nine clients in their own homes.

Children's Services including:

Grace Little Centre

The centre has continued to provide overnight support for children during part of the pandemic.

Residential Respite

Hart Street, Ulverston and Huntley Avenue, Penrith, two very well established respite homes, were welcomed to Carlisle Mencap in 2017. The homes run full time with around 100 children accessing them.

Children's Community Support

We support young people in the community whilst their parents take a break. We either take care of the children at home or take them out in to the community to do an activity. This has been reduced due to the pandemic.

Activators Club and Holiday Play Schemes

We are commissioned by NHS to provide short term non-residential care for disabled children. These services were particularly curtailed during the pandemic. However, we continued with activities using video platforms.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2020

Achievements and performance (continued)

Cumbria Autism Family Support Project

Four part-time support workers work supporting families with children on the autistic spectrum. The workers advise, educate and signpost. This service covers the whole of Cumbria. This has continued to operate throughout the pandemic.

Sports Development Service

A service designed to encourage members to keep fit. This operated online during the pandemic. We received funds from Active Cumbria and Sports England. This enabled the development worker to make 15 accessible videos.

Holidays

We provide two four-day holidays a year for up to 40 adults in total. The holidaymakers are supported by volunteers. There is a part-time paid manager. This service has been provided for over 30 years.

Doves Café

This was closed during the pandemic.

The Independence Studio

This is a social enterprise based on film making and art which operates from the Grace Little Centre, three days a week. This continued to operate during the pandemic.

Family Advisor Service

We have a family advisor service to provide information and advice to service users and their families.

b. Fundraising activities and income generation

The charity does not use any outside fundraisers. Main fundraising activities, apart from the shop, are grant applications undertaken by the CEO. We also have a fundraising and events officer on the payroll whose responsibility is to organise fundraising events and work with the local business community.

c. Investment policy and performance

The organisation adopts a cautious approach to investment and funds are held in savings accounts which are deemed to be low risk.

Financial Review

a. Going concern

Due to the undertaking of a £1.588m LGPS liability in 2017, the charity has been running an overall deficit since inheriting this liability that was transferred, along with TUPE staff, as part of the two new Cumbria County Council contracts that were taken on in 2017. The overall deficit decreased to £1,218,478 from £1,588,155 in 2019.

The Trustees have reviewed going concern in light of this and as the liability will transfer back out of the charity with the TUPE staff should they cease the contract with the Cumbria County council, the charity would be back to an overall surplus. Cumbria County Council are also providing additional grant funding to contribute towards the additional LGPS costs associated with the new contracts.

After making appropriate enquiries, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2020

b. Reserves policy

The policy of the charity is to maintain enough reserves to continue operations for three months. Three months running costs are £450,000, which includes essential staffing to maintain services, housekeeping, rentals, insurances and registration costs. Reserves are monitored by the Trustees bi-monthly.

The Trustees are happy with the current reserves position after excluding the pension liability.

c. Principal funding

The financial constraints indicated from national and local government and COVID-19 make it difficult to plan services ahead. However, we have been pleased to generate a sound income for the year. Trustees chose to use funds from services to fund additional charitable activities. Cumbria County Council contracts are still the major funding source and because of uncertainty and expected constraints on local authority funding we continue to look at diversification of our income from other sources, including direct fundraising and a variety of grants. We have employed a fundraiser to support income generation.

d. Results for the year

The results for the year show an excess of expenditure over income of £369,677. Overall funds carried forward amount to a deficit of £1,218,478 being restricted funds surplus of £119,505 and deficit on unrestricted funds of £1,337,983.

The deficit on unrestricted funds is as a result of the inclusion of a LGPS liability of £1.588m at the point of undertaking two new Cumbria County Council contracts in 2017 where staff were transferred via the TUPE regulations to the charity, with the charity taking the responsibilities and benefits of these staff.

At the year end date the actuarial valuation reported the liability to the charity, who are now a participating employer in the scheme, a deficit of £2.285m. Without this liability, the total funds would have amounted to £1,066,522. Should the contract cease in the future then all staff would transfer along with any liabilities at that date.

Structure, governance and management

a. Constitution

Carlisle Mencap Limited is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association. The company is constituted under a Memorandum of Association and is a registered charity number 1115348. The company was incorporated on and commenced trading on that date.

The objectives of the society are:

- the relief of people with a learning disability in particular by the provision of help and support for them and their families, dependents and carers, and to prevent learning disabilities for the public benefit and to advance religion amongst persons with learning disability;
- to provide and assist in the provision of facilities for the recreation or other leisure time occupation for people who have the need thereof by reason of learning disability with the object of improving their conditions of life.

There have been no changes in the objectives since the last annual report.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2020

Structure, governance and management (continued)

b. Methods of appointment or election of Trustees

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Memorandum of Association.

c. Organisational structure and decision-making policies

The Trustees meet bi-monthly to discuss policy and strategy. There is an additional finance and sub committee which meets as and when required to discuss some matters in further depth. The CEO is line managed by the Trustees. The CEO has the day to day running of the organisation – she is supported by two operations managers, a business manager and a further 8 service managers who manage the staff teams.

d. Policies adopted for the induction and training of Trustees

Trustees are inducted and given training in their role by the Chief Officer. All take part in child protection training. There is an annual away day where they get together to explore and understand their role.

e. Financial risk management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

f. Future developments

The present CEO will retire in June 2021. A new CEO was in place working alongside her from 9th May 2021.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2020

Disclosure of information to auditors

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

The auditors, Armstrong Watson Audit Limited, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Mrs C Bowditch
(Chair of Trustees)

Date: 24 June 2021

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF CARLISLE MENCAP LIMITED

Opinion

We have audited the financial statements of Carlisle Mencap Limited (the 'charitable company') for the year ended 30 September 2020 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 September 2020 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to note 2.2 in the financial statements, which indicates that as a result of inheriting a £1.588m LGPS liability as part of two Council contracts in 2017, the effect of this liability continues to cast significant doubt on the charitable company's ability to continue as a going concern. As stated in note 2.2, these events or conditions, along with the other matters as set forth in the note 2.2, indicate that a material uncertainty exists that may cast significant doubt on the charitable company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF CARLISLE MENCAP LIMITED
(CONTINUED)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' report.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF CARLISLE MENCAP LIMITED
(CONTINUED)

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company's and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

1. General information

The charitable company is a company limited by guarantee. The members of the company are the Trustees as named on Page 1. Company number is 05595628 and the charity number 1115348. Its registered office is Unit J3, Duchess Avenue, Kingmoor Park North, Carlisle, Cumbria, CA6 4SN.

In the event of the charitable company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Carlisle Mencap Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements have been prepared in Pounds Sterling.

2.2 Going concern

At the balance sheet date the net liabilities of the charity were £1,218,478 (2019 - £1,588,155 in deficit). This is due to the charity acquiring a LGPS liability in 2017 of £1.588m at the point of undertaking two new Cumbria County Council contracts where staff were transferred via the TUPE regulations to the charity, with the charity taking the responsibilities and benefits of these staff members.

At the year end date the actuarial valuation reported the liability to the charity, who are now a participating employer in the scheme, a deficit of £2,285,000 (2019 - £2,558,000). Without this liability, the total funds would have amounted to £1,066,522 surplus (2019 - £969,844 surplus). Should the contract cease in the future then all staff would transfer along with any liabilities at that date.

Since the year end date, the COVID-19 pandemic has continued to affect the economic conditions of businesses and individuals within the UK. The Trustees have considered both the operational and financial implications, for a period of 12 months from the date of signing these financial statements, on the future cashflows of the charity. In their opinion, there will be no material impact to the revenues generated by the charity due to the majority of the charity's income being received from local or central government. Where possible the charity has taken advantage of the COVID Government schemes and payment holidays. In addition the charity is committed to the services which they provide to their service users albeit there may be changes in their delivery methods for a period of time. The Trustees are committed to supporting and providing a safe environment for all of their service users and their families during these challenging times.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

2. Accounting policies (continued)

2.3 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the proportion of incoming resources received in the period.

Expenditure on raising funds includes all expenditure incurred by the company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

2. Accounting policies (continued)

2.6 Tangible fixed assets and depreciation (continued)

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method and reducing balance.

Depreciation is provided on the following bases:

Freehold property	- 2% straight line
Leasehold property	- 2% straight line
Motor vehicles	- 25% reducing balance
Fixtures, fittings and equipment	- 25% reducing balance

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities

Liabilities and provisions are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charitable company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.10 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Operating leases

Rentals paid under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

2.12 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

The company operates a defined benefits pension scheme and the pension charge is based on a full actuarial valuation dated 18 December 2020.

CARLISLE MENCAP LIMITED
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

2. Accounting policies (continued)

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charitable company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Critical areas of judgment:

The entity takes part in multiple projects that are funded partly by restricted grant income. As a result, the trustees have estimated that the most appropriate basis of support cost allocation is based upon the percentage of total incoming resources.

Establishing useful economic lives:

Establishing useful economic lives for depreciation purposes of property, plant and equipment comprise a significant portion of the total fixed assets. The annual depreciation charge depends primarily on the estimated useful economic lives of each type of asset and estimates of residual values. The trustees regularly review these assets useful economic lives and change them as necessary to reflect current thinking on remaining lives in light of prospective economic utilisation and physical condition of the assets concerned. Changes in asset useful lives can have a significant impact on depreciation charges for the period. Details of the depreciation policies based on estimated useful economic lives are included in accounting policy note 2.6.

Defined benefit pension liability

The present value of the defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 25, will impact the carrying amount of the pension liability. Results from the actuarial valuation performed at 30 September 2020 has been used by the actuary in valuing the pensions liability at the balance sheet date.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

25. Pension commitments

The charitable company contributes towards the employees' personal pension schemes. Total contributions payable by the company amounted to £140,088 (2019 - £162,457). Contributions outstanding at the year end totalled £10,978 (2019 - £5,035).

As from 01 February 2017, the charitable company also contributed into the Cumbria Local Government Pension Scheme, in a multi-employer defined benefit scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The employers contributions are affected by a surplus or deficit in the scheme. The pension cost charge represents contributions payable by the company to the fund and amounted to £115,000 (2019 - £140,000).

The company operates a defined benefit pension scheme.

The Local Government Pension Scheme (LGPS) is a statutory scheme established by an Act of Parliament and governed by the Public Services Pensions Act 2013 and is administered in accordance with applicable secondary legislation. Individual funds are managed by designated administering authorities at a local level. Throughout England and Wales there are 87 such authorities.

Principal actuarial assumptions at the Balance sheet date (expressed as weighted averages):

	At 30 September 2020 %	At 30 September 2019 %
