Dear Madams/Sirs

Algrave Limited and 726 other Companies - In Administration ('the Companies')

It is now 10 years and 6 months since my appointment in respect of the Company. In accordance with Rule 18.6 of the Insolvency (England and Wales) Rules 2016 I am now reporting the progress made in implementing the approved proposals and achieving the statutory purpose of the Administration for the period from 29 September 2018 to 28 March 2019 ('the Period').

1 Statutory Information

The Joint Administrators are Malcolm Cohen and Antony David Nygate of BDO LLP, 55 Baker Street, London, W1U 7EU and they were appointed in respect of the Companies on 29 September 2008. Under the provisions of paragraph 100(2) of Schedule B1 to the Insolvency Act 1986 the Administrators carry out their functions jointly and severally meaning any action can be done by one Administrator or by both of them.

The Administrators were appointed by the Corporate Director of the Companies, pursuant to Paragraph 12 of Schedule B1 to the Insolvency Act 1986. As previously advised, an application was made to the High Court of Justice to consolidate the insolvency proceedings into one Administration. This report has, therefore, been prepared on a consolidated basis. The court case number is 8407 of 2008.

The registered office of the Companies is c/o BDO LLP, 55 Baker Street, London, W1U 7EU and the registered numbers are listed on the attached schedule.

2 Receipts and Payments

I enclose, for your information, a summary of my receipts and payments to date showing a balance in hand of £142,845, together with a copy of my summary account covering the Period.

2.1 Receipts

There have been no receipts during the Period other than bank interest of £1,672.

2.2 Payments

The payments shown are largely self-explanatory, although I would comment specifically on:

Safe Business Services ('SBS') Settlement

As you may recall, the Companies settled a legal claim with SBS in 2017. As part of the settlement SBS were entitled to claim their legal fees, the quantum of which was disputed. In December 2018, following protracted negotiations, the sum of £150,000 was paid to SBS in full and final settlement of this matter.

Corporation Tax

Corporation tax of £22 has been paid to HM Revenue & Customs in the Period.

Storage Costs

Total Data Management has been paid £2,111 in the Period for the storage of the Company's records.

Legal Fees & Disbursements - Isadore Goldman

Isadore Goldman have been paid £78,204 for their assistance with the settlement of the SBS claim and the extension of the period of Administration.

The payment made in relation to the Joint Administrators' fees is discussed in section 7 of my report.

No further professional costs are expected.

3 Future of the Administration

The Joint Administrators' proposals, agreed on 5 December 2008, stated that the Companies would exit Administration by way of dissolution under the provisions of Paragraph 84 of Schedule B1 of the Insolvency Act 1986.

As previously reported, the table below summarises the extensions to the period of Administration that have previously been granted by the Court.

Duration	Source of extension	Extended until
12 Months	Court application	28 September 2010
12 Months	Court application	28 September 2011
12 Months	Court application	28 September 2012
18 Months	Court application	28 March 2014
12 Months	Court application	28 March 2015
12 Months	Court application	28 March 2016
24 Months	Court application	28 March 2018
12 Months	Court application	28 March 2019
6 Months	Court application	27 September 2019

The period of Administration is due to expire on 27 September 2019. The Joint Administrators do not anticipate that a further extension will be required. This is discussed further in section 5 below.

4 Investigations

The Joint Administrators have a duty to investigate the affairs of the Companies and also the conduct of the directors and in respect of the latter, to submit a confidential statutory report to the Secretary of State. I confirm that a report has been submitted.

I have completed my review of the affairs of the Companies and their assets to establish where there are any actions that can be investigated for the benefit of the creditors and concluded that there are no causes of action to be pursued.

5 Extension of Administration

An application was made to court in order to extend the Administration to 27 September 2019. The only remaining matter is the recovery of the final VAT reclaims from HMRC. It is not anticipated that a further extension will be required and the Joint Administrators aim to finalise their statutory obligations prior to the expiration of the Administration.

6 Prospects for Creditors

Secured and Preferential Creditors

The Companies do not have any secured or preferential creditors.

Unsecured Creditors and the Prescribed Part

Under Section 176A of the Insolvency Act 1986 where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of that company must be made available purely for the unsecured creditors. The Companies have not granted a floating charge to any creditor after the 15 September 2003 and consequently there will be no Prescribed Part in this Administration.

The Joint Administrators may not make payments by way of distribution, under Paragraph 65 of Schedule B1 of the Insolvency Act 1986, to a creditor of the Companies who is neither secured nor preferential unless the Court provides permission and unless by virtue of the Prescribed Part.

As previously reported, I have received four creditor claims totalling £6,648,252, one of which was rejected in the sum of £228,991. Pursuant to a Court order made on 28 May 2014, an interim distribution of £2,006,897 was made to the unsecured creditors.

The Joint Administrators recently sought and received the approval of the Court to pay a second and final distribution to HMRC, being the sole remaining unsecured creditor. The final distribution will be paid following receipt of the final VAT reclaim from HMRC.

Upon payment of the final distribution it is the Joint Administrators' intention to exit the Administration by way of dissolution.

7 Joint Administrators' Remuneration

The Joint Administrators were obliged to fix their remuneration in accordance with Rule 18.16. This permits remuneration to be fixed either:

- (1) as a percentage of the assets realised and distributed; and/or
- (2) by reference to the time the Joint Administrators and the staff have spent attending to matters in the Administration; and/or
- (3) as a set amount; and/or
- (4) as a combination of the above.

The creditors of the Companies initially approved that the Joint Administrators' remuneration be fixed as a percentage of the value of the property with which I have to deal with and this has been capped at £1,750 plus VAT inclusive of general disbursements, per company. This fee was drawn in full.

Additionally, HMRC as the sole creditor has provided additional consent that the Joint Administrators may draw a further £88,000 + VAT, which has been paid.

I can confirm that no work that is usually carried out by the Joint Administrators has been subcontracted outside my firm.

To date, the Joint Administrators have drawn sums totalling £1,276,014 in respect of remuneration, £117,027 of which was drawn in the Period, as shown on the enclosed Receipts and Payments account.

I attach two schedules detailing the time costs incurred to date. The first schedule covers the Period. This records time costs of £36,573, which represents 144 hours, spent at an average charge out rate of £254 per hour.

The second schedule covers the whole period of the Administration and records time costs of £1,502,117 which represents 4,350 hours spent at an average charge out rate of £345 per hour. The outstanding £226,103 of time costs will be written off.

Detail of Work Undertaken

During the period the majority of time spent was in relation to agreeing a settlement of the costs of the SBS claim. This involved significant correspondence with legal representatives. The settlement involved senior staff with appropriate levels of experience to resolve this complex matter.

Additionally, time has been spent undertaking statutory reporting including periodic reporting, creditor correspondence, requesting tax clearance, and preparing for the final distribution to unsecured creditors.

For guidance, I enclose a document that outlines the policy of BDO LLP in respect of fees and disbursements.

Joint Administrators' Disbursements

Where disbursements are recovered in respect of precise sums expended to third parties there is no necessity for these costs to be authorised. These are known as category 1 disbursements. £92 of category 1 disbursements accrued during the Period.

Some Administrators recharge expenses, for example printing, photocopying and telephone costs, which cannot economically be recorded in respect of each specific case. Such expenses, which are apportioned to cases, require the approval of the creditors before they can be drawn, and these are known as category 2 disbursements. The policy of BDO LLP in respect of this appointment is not to charge any category 2 disbursements with the exception of mileage on the basis of the mileage scale approved by HMRC, being 45p per mile unless otherwise disclosed to the creditors. No category 2 disbursements have accrued during the Period.

Total disbursements of £84,318 have been incurred in this Administration as detailed below.

Type of disbursement	Incurred since 29/09/2018 £	Total £
Advertising	-	62,120.99
Bonding	-	14,600.00

Algrave Limited and 726 Other Companies - In Administration

In accordance with best practice I provide below details of policies of BDO LLP in respect of fees and expenses for work in relation to the above insolvency.

The current charge out rates per hour of staff within my firm who may be involved in working on the insolvency, follows:

GRADE	£
Partner	760
Manager	336-586
Assistant Manager	302
Senior Administrator	283-302
Administrator	105-255
Other Staff	105

This in no way implies that staff at all such grades will work on the case. The rates charged by BDO LL are reviewed in December and July each year and are adjusted to take account of inflation and the firm's overheads.

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time. Units of time can be as small as 3 minutes. BDO LLP records work in respect of insolvency work under the following categories:-

- Pre Appointment
- Steps upon Appointment
- Planning and Strategy
- General Administration
- Asset Realisation/Management
- Trading Related Matters
- Employee Matters
- Creditor Claims
- Reporting
- Distribution and Closure
- Other Issues.

Under each of the above categories the work is recorded in greater detail in sub categories. Please note that the 11 categories provide greater detail than the six categories recommended by the Recognised Professional Bodies who are responsible for licensing and monitoring insolvency practitioners.

Where an officeholder's remuneration is approved on a time cost basis the time invoiced to the case will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time costs basis a periodic report will be provided to any committee appointed by the creditors or in the absence of a committee to the creditors. The report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs.

1) Other Costs

Where expenses are incurred in respect of the insolvent estate they will be recharged. Such expenses can be divided into two categories.

2) Category 1

This heading covers expenses where BDO LLP has met a specific cost in respect of the insolvent estate where payment has been made to a third party. Such expenses may include items such as advertising, couriers, travel (by public transport), land registry searches, fees in respect of swearing legal documents etc. In each case the recharge will be reimbursement of a specific expense incurred.

3) Category 2

We propose to recover from the estate the cost of travel where staff use either their own vehicles or company cars in travelling connected with the insolvency. In these cases a charge of 45p per mile is raised which is in line with the HM Revenue & Customs Approved Mileage Rates (median - less than 10,000 miles per annum) which is the amount the firm pays to staff. Where costs are incurred in respect of mileage, approval will be sought in accordance with the Insolvency (England and Wales) Rules 2016 to recover this disbursement.

Where applicable, all disbursements will be subject to VAT at the prevailing rate.
