TO ALL CREDITORS AND MEMBERS

Dear Sir(s)

Algrave Limited and 727 other companies (list attached) ("the companies")
- All In Administration

I refer to the appointment of Antony David Nygate and myself as Joint Administrators of the companies on 29 September 2008 and I am now in a position to convene a meeting of the companies' creditors pursuant to Paragraph 51 of Schedule B1 of the Insolvency Act 1986 formal notice of which is attached. The purpose of the meeting is for the creditors to consider and if they think fit approve the Joint Administrators' proposals for achieving the objective of the Administration.

The meeting is to be held at the offices of BDO Stoy Hayward LLP, 55 Baker Street, London, W1U 7EU on 5 December 2008 at 11.00 hrs. A map detailing the location of the meeting is enclosed. A blank form of proxy and proof of debt are also enclosed. Please complete details of the company to which your claim relates.

I attach a statement to creditors pursuant to Rule 2.33 of the Insolvency Rules 1986, which incorporates a statement of proposals under Paragraph 49 of Schedule B1 of the Insolvency Act 1986. Additionally I provide a report setting out the work undertaken by the Administrators to date, incorporating details of my firms policies regarding fees and disbursements and a summary recording the time spent on the Administration, together with a creditors' guide to Administrators fees.

Yours faithfully
For and on behalf of

**ALGRAVE LIMITED AND 727 OTHER COMPANIES
– ALL IN ADMINISTRATION**

**Registered office situated at 55 Baker Street, London, W1U 7EU
In the High Court of Justice No. 8407 of 2008**

1 Introduction

- 1.1 This report is addressed to the creditors of all the Companies and incorporates the Joint Administrators' proposals. An application was made to the High Court of Justice to consolidate the insolvency proceedings for 728 companies into one Administration. This report has, therefore, been prepared on a consolidated basis.
- 1.2 In accordance with Paragraph 52 (1)(b) of Schedule B1 of the Insolvency Act 1986, these proposals are to be considered by the creditors' meeting called pursuant to Paragraph 51 of Schedule B1 of the Insolvency Act 1986, to be held at the offices of BDO Stoy Hayward LLP, 55 Baker Street, London, W1U 7EU on 5 December 2008 at 11.00 hrs.
- 1.3 Creditors may approve the proposals with or without modifications subject to the Joint Administrators' agreement to any such modifications. If the creditors reject the Joint Administrators' proposals a report will be sent to the High Court of Justice confirming that the creditors have rejected the proposals. The Court may then discharge the Administration and make consequential directions. Alternatively, it may adjourn the hearing or make some other Order as it thinks fit.
- 1.4 If the Joint Administrators' proposals are agreed at the meeting of creditors, the Joint Administrators will continue to control the business of the companies. The Joint Administrators would at some later date arrange for the companies to exit from the Administration, as agreed by the creditors. Based on the information presently available and the current situation the Joint Administrators' proposal is that the companies will be dissolved once the Administration process is complete, subject to the Court allowing the Joint Administrators to make distributions from the Administration to unsecured creditors, by way of dividend.

2 Events leading up to the Appointment of the Joint Administrators

- 2.1 The Joint Administrators attach at Appendix 1, the following information in relation to the companies that are subject to the consolidation Administration:
 - a record of the individual company names,
 - the company registration numbers
 - dates of incorporation
 - the names of the companies' directors and secretaries, and
 - the respective shareholdings in the companies

- 2.2 On 29 September 2008, an application for appointment of Joint Administrators was made by Sapphire Blue Directors Limited, being the corporate director of the companies, pursuant to Paragraph 12 of Schedule B1 of the Insolvency Act 1986. On 29 September 2008, Malcolm Cohen and Antony David Nygate were appointed Joint Administrators.
- 2.3 The companies subject to the consolidated Administration are Managed Service Companies ("MSC"). Each MSC was set up in order to facilitate the supply of self employed consultant services via recruitment agencies. Safe Solutions International Limited ("SSIL") provided Accounting, Administration and Payroll services ("AAP Services") to each of the MSCs.
- 2.4 SSIL was incorporated on 28 September 2005, to purchase the business and assets of Safe Solutions Accounting Limited ("SSAL") and Ascium Solutions Limited ("ASL") from the Joint Administrators of those companies. The sale was completed with the consent of HM Revenue & Customs ("HMRC").
- 2.5 SSIL carried on the same business as SSAL and ASL in accordance with the relevant tax legislation at the time and the operated business model was adapted to meet any changes in the tax legislations.
- 2.6 SSIL generated its business through direct contact from the self-employed consultants or referrals from recruitment agencies ("Agencies" or "Agency") that were looking to place a consultant with an Agency client. On commencement of the MSC contract with the Agency client, the relevant consultant would pass their time sheets to SSIL for processing. SSIL would generate an invoice to the Agency in the name of the respective consultant's MSC. The Agency would then invoice its client direct in relation to the MSC cost and Agency commission. The MSC invoice would be paid following the payment of the Agency by its customer.
- 2.7 On receipt of the payment of the MSC invoice, SSIL would split the invoice proceeds as follows:
- the VAT element of the invoice was held pending the submission of the return to HMRC
 - an estimation of the future corporation tax liability
 - the commission due to SSIL, which was payable by the MSC for the AAP services, and
 - the salary and dividend payable by the MSC to the consultant
- 2.8 Consultants would receive salary at the prevailing minimum wage rate and remaining sums were paid by way of dividend.

Change in Tax legislation

- 2.9 In April 2007, legislation was introduced that did not allow the SSIL business model to continue. Essentially, the view had been taken by the government that in

reality MSC arrangements involved "disguised employment", and in reality were employed full time by one employer for a period of time. The government and tax authorities resolved that contractors and freelancers were trying to avoid tax, whilst employed on similar terms to those that were deemed to be permanent employees.

- 2.10 Earlier legislative steps had been taken, commonly described as "the IR35 tax legislation" and was announced in 1999. IR35 was the name of the press release that explained the changes that would take effect from April 2000. IR35 was introduced to prevent employees from setting up their own companies and then charging their services to their effective 'employer', and reducing their tax and NIC bills.
- 2.11 On 6 April 2007, Chapter 9 ITEPA 2003, more commonly known as the Managed Service Company ("MSC") Legislation, was introduced. These changes applied permanent employed levels of tax on workers in MSCs and also made them apply PAYE and class 1 NIC deductions, as well as the same rules for expenses. As a result of this legislation, the MSC model ceased to be viable.
- 2.12 **Control failings**
- 2.13 In March 2006, the management of SSIL discovered that its financial controller had failed in a substantial number of instances to charge the appropriate VAT on the MSC invoices that had been rendered to the Agencies. SSIL took immediate steps, once the problem was discovered, to reconcile the position and sought payment of the VAT from the Agencies.
- 2.14 Prior to April 2007, Dominic Hill ("DH") had been a shareholder in SSIL and had no active role in the management of the business. DH became aware of the VAT problem when it was reported to him at a shareholders' meeting and effectively inherited the problem when the financial controller left in February 2007.
- 2.15 At this point, DH took active involvement in the management of SSIL and specifically sought to resolve the VAT situation. He also took professional advice in relation to the VAT issues facing SSIL and the MSCs.
- 2.16 The professional advice obtained by DH suggested that a voluntary disclosure be made to HMRC in relation to the VAT due on the invoices passed to the Agencies, where initially the VAT had not been requested. In cases where VAT had been collected this was paid to HMRC under the cash accounting rules.
- 2.17 Following the disclosure, a demand for payment of the relevant VAT liabilities was made by HMRC on the respective MSCs, despite the VAT not being collected in full from the relevant Agencies.
- 2.18 A number of Agencies refused to pay or purportedly made part payments in full and final settlement in respect of the VAT that SSIL subsequently determined to be payable to the MSCs. Several Agencies advised SSIL staff that they were not liable to pay the VAT because they had been invoiced without VAT.

2.19 As the scale of the VAT problem became apparent, more SSIL resource was applied to raising additional invoices in relation to the backdated VAT and seeking payment from the Agencies. The costs and time resources incurred in attempting to resolve the VAT position was a significant drain on SSIL resources and in order to pay the MSC VAT liabilities, as and when they fell due, monies that had been set aside to pay the future corporation tax liability of MSCs were utilised to pay the VAT liability.

2.20 In the meantime, the financial controller of SSIL continued to negotiate with the relevant Agencies to reclaim the VAT and it was believed that sums would be recovered to replenish the corporation tax reserves.

2.21 Despite the efforts of SSIL, it did not collect in full the VAT and as a result shortfalls crystallised in relation to the corporation tax liabilities.

3 Statutory Accounting information

3.1 We attach at Appendix 2, details of the estimated financial position for the companies as at the date of our appointment.

3.2 The summary has been prepared from company records and information made available by SSIL. The Joint Administrators have reviewed the statement but have not carried out any audit or detailed verification work at this time. It is evident that different and historic year end dates have been used when preparing the information and that the financial statements of the companies have not been updated for a significant period of time. The management of SSIL has stated that this is due to the MSCs effectively ceasing to trade as a result in the change of legislation in April 2007.

3.3 I would advise that the directors have been granted additional time to submit the statement of affairs, as a separate statement must be prepared for each of the 728 companies.

4 Prescribed Part

4.1 Under the provisions of Section 176A of the Insolvency Act 1986, the Joint Administrators must state the amount of funds available to unsecured creditors in respect of the prescribed part. This provision only applies where a company has granted a floating charge to a creditor after 15 September 2003.

4.2 None of the companies have granted a floating charge to any creditor after the 15 September 2003 and consequently there will be no prescribed part in the consolidated Administration.

5 Achieving the purpose of the Administration

5.1 The statutory purpose of an Administration consists of three objectives, and we now address the progress that has been made in this respect.

- (a) The first objective is rescuing a company as a going concern (i.e restructuring the company's business, resulting in the survival of the

company). The companies had ceased to trade in April 2007, as a result of the change in the tax legislation and, therefore, there was no prospect of rescuing the companies as going concerns.

- (b) With regard to the second objective, of achieving a better result for a company's creditors as a whole than would be likely if the company was wound up (without first being in administration). The consolidated Administration will result in a higher dividend being available to the unsecured creditors of the companies than what would have been available if each company had been wound up individually.
- (c) The final objective is realising property in order to make a distribution to one or more secured or preferential creditors. The companies do not have any secured or preferential creditors.

6 Management of the companies' affairs since the Joint Administrators' appointment

6.1 Initial Actions

- 6.1.1 We met with the management of SSIL to take control of the assets and records pertaining to the MSCs.
- 6.1.2 All statutory notices have been sent to the relevant people and all necessary documents have been filed at Companies House.
- 6.1.3 The Bank has been contacted and a request made for the companies' funds to be transferred into the Administration bank account. You will note from the receipts and payments account that to date cash of £4,057,741.09 has been transferred into the Administration account.

6.2 Investigations into VAT position

- 6.2.1 The Joint Administrators are investigating the position in relation to the VAT liability due to HMRC, specifically the sums due from the recruitment agencies in order to effect any recoveries. This investigation will also review all settlements entered with the Agencies to ensure that no further amounts can be recovered. Given the number of transactions and Agencies, it is likely that this exercise will take some time to complete.

6.3 Consolidated Administration Order

- 6.3.1 Under the terms of the Court Order made on 29 September 2008, the Court ordered that:
 - The affairs, business and property of each of the companies is managed by the Joint Administrators.
 - Malcolm Cohen and Antony David Nygate be appointed Joint Administrators of each of the companies, with the power to act jointly or concurrently.

- The Joint Administrators open and operate one combined bank account for all of the companies.
- Only one advert be placed notifying creditors of the Joint Administrators' appointment and requesting details of any claims against the companies. The advert stated that any distribution to creditors would be made on the basis of claims submitted by 14 November 2008 and that no further public announcement of the invitation to prove would be given.
- That the Joint Administrators be at liberty to apply for directions.

6.3.2 The Joint Administrator will apply to the Court for directions that dividends can be distributed to unsecured creditors from the Administration estate as this will be the most cost efficient mechanism to release funds to creditors.

6.4 Creditors' claims

6.4.1 Creditor claims are estimated as follows:

Creditor	Amount - £	Narrative
HM Revenue & Customs	517,352	VAT
HM Revenue & Customs	5,814,899	Corporation tax
HM Revenue & Customs	80,113	PAYE & NI
Trade & other creditors	418,433	Payerise and SSIL management fees

6.4.2 These claims are based on estimates and are subject to change on completion of the respective returns.

7 EC Regulations on Insolvency Proceedings

7.1 We are required under the Insolvency Rules 1986, to state whether and if so the extent to which the above regulations apply to this Administration. In this particular case the EC Regulation will not apply to this Administration, there being no establishment outside the UK.

8 Joint Administrators' Remuneration

8.1 Kindly note that under the terms of the Insolvency Rules 1986, the Joint Administrators are obliged to fix their remuneration in accordance with Rule 2.106(2) of the Insolvency Rules 1986. This permits remuneration to be fixed either as a percentage of the value of the property with which the Joint Administrators have to deal or alternatively by reference to the time the Joint Administrators and their staff have spent attending to matters in the Administration.

8.2 Prior to the Court application for the Administration of the 728 companies I provisionally agreed my remuneration with the major creditor which we estimated to be £1,750 plus VAT per company, inclusive of disbursements. I am, therefore, proposing that my remuneration be fixed as a percentage of the value of the property with which I have to deal but this will be capped at £1,750 plus VAT, inclusive of disbursements, per company.

8.3 Included within the proposals is a resolution regarding the Joint Administrators' remuneration, although if a creditors' committee is appointed approval of the Joint Administrators' remuneration will be the committee's responsibility. For your guidance we attach a Creditors Guide to Administrators Fees together with a document that outlines the policy of BDO Stoy Hayward LLP in respect of fees and disbursements.

9 Possible outcomes for the company and Creditors

9.1 The Insolvency Act 1986 and Insolvency Rules 1986, provide a variety of options regarding the possible exit routes for the companies from the Administration, being primarily a Company Voluntary Arrangement, Liquidation or dissolution of the companies. It is the Joint Administrators' recommendation and proposal, as detailed below, that once all assets have been realised and distributed in the Administration that the Joint Administrators arrange for the companies to be dissolved.

9.2 The proposal for dissolution will be subject to the approval of the relevant government authorities.

10 Statement of proposals under Paragraph 49 of Schedule B1 of the Insolvency Act 1986

10.1 In accordance with Paragraph 49 of Schedule B1 of the Insolvency Act 1986, the Joint Administrators make the following proposals for achieving the purpose of the Administration. Approval of these proposals will be considered by the meeting of creditors to be held on 5 December 2008.

10.2 Formal Proposals - the Joint Administrators propose that:

- (a) they continue to manage the companies' business and realise assets in accordance with objective 2 of the statutory purpose of the Administration, dissolving the companies under paragraph 84 of Schedule B1 of the Insolvency Act 1986.
- (b) creditors consider and if thought fit appoint a creditors' committee to assist the Joint Administrators (such committee must comprise of between 3 and 5 creditors)

In the absence of a creditors' committee;

- (c) creditors fix the remuneration of the Joint Administrators as a percentage of the value of the property with which they have to deal, subject to a cap of £1,750 plus VAT, inclusive of disbursements, per company.

A further resolution is put to the creditors;

- (d) that the Joint Administrators be discharged from liability under the Administration per Paragraph 98 of Schedule B1 of the Insolvency Act 1986, 28 days after the Joint Administrators' filing their final report and sending it to creditors.

Dated: 18 November 2008

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time. Planning and Strategy
General Administration
Asset Realisation/Management

Other Issues

Under each of the above categories the work is recorded in greater detail in sub categories. Please note that the 11 categories provide greater detail than the 6 categories recommended by the Recognised Professional Bodies who are responsible for licensing and monitoring insolvency practitioners.

Where an officeholder's remuneration is approved on a time cost basis, the time invoiced to the case will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time costs basis, a periodic report will be provided to any committee appointed by the creditors, or in the absence of a committee, to the creditors. The report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs.

Other Costs

Where expenses are incurred in respect of the insolvent estate they will be recharged. Such expenses can be divided into 2 categories.

Category 1

This heading covers expenses where BDO Stoy Hayward LLP has met a specific cost in respect of the insolvent estate where payment has been made to a third party. Such expenses may include items such as advertising, travel (by public transport), couriers, searches at company house, land registry searches, fees in respect of swearing legal documents, external printing costs etc. In each case the recharge will be reimbursement of a specific expense incurred.

A further disbursement under this heading is the cost of travel where staff use either their own vehicles or company cars in travelling connected with the insolvency. In these cases a charge of 40p per mile is raised which is in line with the Inland Revenue Approved Mileage Rates (median – less than 10,000 miles per annum) which is the amount the firm pays to staff.

Where applicable, disbursements will be subject to VAT at the prevailing rate.

BDO Stoy Hayward

Category 2

Additionally some firms recharge expenses for example postage, stationery, photocopying charges, telephone and fax costs, which cannot economically be recorded in respect of each specific case. Such expenses, which are apportioned to cases, require the approval of the creditors, before they can be drawn, and these are known as category 2 disbursements. The policy of BDO Stoy Hayward LLP, effective from 1 July 2003, is not to recharge any expense which is not a specific cost to the case, therefore there will be no category 2 disbursements charged. Category 2 disbursements, because they are imprecise, require approval by the creditors before they can be drawn.

Conclusion

We trust you have found this report informative regarding the work undertaken in respect of this insolvency. Any issues you may have arising from this report should be directed to: Malcolm Cohen at BDO Stoy Hayward LLP, 55 Baker Street, London, W1U 7EU.

1 Introduction

- 1.1** When a company goes into administration the costs of the proceedings are paid out of its assets. The creditors, who hope eventually to recover some of their debts out of the assets, therefore have a direct interest in the level of costs, and in particular the remuneration of the insolvency practitioner appointed to act as administrator. The insolvency legislation recognises this interest by providing mechanisms for creditors to determine the basis of the administrator's fees. This guide is intended to help creditors be aware of their rights under the legislation to approve and monitor fees and explains the basis on which fees are fixed.

2 The nature of administration

- 2.1** Administration is a procedure which places a company under the control of an insolvency practitioner and the protection of the court with the following objective:

- rescuing the company as a going concern, or
- achieving a better result for the creditors as a whole than would be likely if the company were wound up without first being in administration,

or, if the administrator thinks neither of these objectives is reasonably practicable

- realising property in order to make a distribution to secured or preferential creditors.

3 The creditors' committee

- 3.1** The creditors have the right to appoint a committee with a minimum of 3 and a maximum of 5 members. One of the functions of the committee is to determine the basis of the administrator's remuneration. The committee is normally established at the meeting of creditors which the administrator is required to hold within a maximum of 10 weeks from the beginning of the administration to consider his proposals. The administrator must call the first meeting of the committee within 6 weeks of its establishment, and subsequent meetings must be held either at specified dates agreed by the committee, or when a member of the committee asks for one, or when the administrator decides he needs to hold one. The committee has power to summon the administrator to attend before it and provide information about the exercise of his functions.

4 Fixing the administrator's fees

- 4.1** The basis for fixing the administrator's remuneration is set out in Rule 2.106 of the Insolvency Rules 1986, which states that it shall be fixed either:

- as a percentage of the value of the property which the administrator has to deal with, or
- by reference to the time properly given by the administrator and his staff in attending to matters arising in the administration.

It is for the creditors' committee (if there is one) to determine on which of these bases the remuneration is to be fixed and, if it is fixed as a percentage fix the percentage to be applied. Rule 2.106 says that in arriving at its decision the committee shall have regard to the following matters:

- the complexity (or otherwise) of the case;
- any responsibility of an exceptional kind or degree which falls on the administrator;
- the effectiveness with which the administrator appears to be carrying out, or to have carried out, his duties;
- the value and nature of the property which the administrator has to deal with.

- 4.2** If there is no creditors' committee, or the committee does not make the requisite determination, the administrator's remuneration may be fixed by a resolution of a meeting of creditors having regard to the same matters as the committee would. If the remuneration is not fixed in any of these ways, it will be fixed by the court on application by the administrator.

- 4.3 There are special rules about creditors' resolutions in cases where the administrator has stated in his proposals that the company has insufficient property to enable a distribution to be made to unsecured creditors except out of the reserved fund which may have to be set aside out of floating charge assets. In this case a resolution of the creditors shall be taken as passed if, and only if, passed with the approval of –

- each secured creditor of the company; or
- if the administrator has made or intends to make a distribution to preferential creditors – each secured creditor of the company; and
- preferential creditors whose debts amount to more than 50% of the preferential debts of the company, disregarding debts of any creditor who does not respond to an invitation to give or withhold approval.

Note that there is no requirement to hold a creditors' meeting in such cases unless a meeting is requisitioned by creditors whose debts amount to at least 10 per cent of the total debts of the company.

- 4.4 A resolution of creditors may be obtained by correspondence.

5 What information should be provided by the administrator?

5.1 When seeking fee approval

- 5.1.1 When seeking agreement to his fees the administrator should provide sufficient supporting information to enable the committee or the creditors to form a judgement as to whether the proposed fee is reasonable having regard to all the circumstances of the case. The nature and extent of the supporting information, which should be provided, will depend on:

- the nature of the approval being sought;
- the stage during the administration of the case at which it is being sought; and
- the size and complexity of the case.

- 5.1.2 Where, at any creditors' or committee meeting, the administrator seeks agreement to the terms on which he is to be remunerated, he should provide the meeting with details of the charge-out rates of all grades of staff, including principals, which are likely to be involved on the case.

- 5.1.3 Where the administrator seeks agreement to his fees during the course of the administration, he should always provide an up to date receipts and payments account. Where the proposed fee is based on time costs the administrator should disclose to the committee or the creditors the time spent and the charge-out value in the particular case, together with, where appropriate, such additional information as may reasonably be required having regard to the size and complexity of the case. The additional information should comprise a sufficient explanation of what the administrator has achieved and how it was achieved to enable the value of the exercise to be assessed (whilst recognising that the administrator must fulfil certain statutory obligations that might be seen to bring no added value for creditors) and to establish that the time has been properly spent on the case. That assessment will need to be made having regard to the time spent and the rates at which that time was charged, bearing in mind the factors set out in paragraph 4.1 above. To enable this assessment to be carried out it may be necessary for the administrator to provide an analysis of the time spent on the case by type of activity and grade of staff. The degree of detail will depend on the circumstances of the case, and professional guidance has been provided setting out a minimum of 6 category headings under which the work done by the officeholder and his staff should be analysed. As a firm BDO Stoy Hayward LLP operates a computerised time recording system which analyses work done under the following categories:-

- Pre Appointment Matters
- Steps upon Appointment
- Planning and Strategy
- General Administration
- Asset Realisation/Management

- Trading Related Matters
- Employee Matters
- Creditor Claims
- Reporting
- Distribution and Closure
- Other Issues

Professional guidance suggests the following categories as a basis for analysis by grade of staff:

- Partner
- Manager
- Other senior professionals
- Assistants and support staff

The explanation of what has been done can be expected to include an outline of the nature of the assignment and the administrator's own initial assessment, including the anticipated return to creditors. To the extent applicable it should also explain:

- Any significant aspects of the case, particularly those that affect the amount of time spent.
- The reasons for subsequent changes in strategy.
- Any comments on any figures in the summary of time spent accompanying the request the administrator wishes to make.
- The steps taken to establish the views of creditors, particularly in relation to agreeing the strategy for the assignment, budgeting, time recording, fee drawing or fee agreement.
- Any existing agreement about fees.
- Details of how other professionals, including sub-contractors, were chosen, how they were contracted to be paid, and what steps have been taken to review their fees.

It should be borne in mind that the degree of analysis and form of presentation should be proportionate to the size and complexity of the case. In smaller cases not all categories of activity will always be relevant, whilst further analysis may be necessary in larger cases.

- 5.1.4 Where the fee is charged on a percentage basis the administrator should provide details of any work which has been or is intended to be sub-contracted out which would normally be undertaken directly by an administrator or his staff.

5.2 After fee approval

Where a resolution fixing the basis of fees is passed at any creditors' meeting held before he has substantially completed his functions, the administrator should notify the creditors of the details of the resolution in his next report or circular to them. In all subsequent reports to creditors the administrator should specify the amount of remuneration he has drawn in accordance with the resolution. Where the fee is based on time costs he should also provide details of the time spent and charge-out value to date and any material changes in the rates charged for the various grades since the resolution was first passed. He should also provide such additional information as may be required in accordance with the principles set out in paragraph 5.1.3. Where the fee is charged on a percentage basis the administrator should provide the details set out in paragraph 5.1.4 above regarding work which has been sub-contracted out.

5.3 Expenses and disbursements

There is no statutory requirement for the committee or the creditors to approve the drawing of expenses or disbursements. However, professional guidance issued to insolvency practitioners requires that, where the administrator proposes to recover costs which, whilst being in the nature of expenses or disbursements, may include an element of shared or allocated costs (such as room hire, document storage or communication facilities provided by the administrator's own firm), they must be disclosed and be authorised by those responsible for approving his remuneration. Such expenses must be directly incurred on the case and subject to a reasonable method of calculation and allocation.

6 What if a creditor is dissatisfied?

- 6.1 If a creditor believes that the administrator's remuneration is too high he may, if at least 25 per cent in value of the creditors (including himself) agree, apply to the court for an order that it be reduced. If the court does not dismiss the application (which it may if it considers that insufficient cause is shown) the applicant must give the administrator a copy of the application and supporting evidence at least 14 days before the hearing. Unless the court orders otherwise, the costs must be paid by the applicant and not as an expense of the administration.

7 What if the administrator is dissatisfied?

- 7.1 If the administrator considers that the remuneration fixed by the creditors' committee is insufficient he may request that it be increased by resolution of the creditors. If he considers that the remuneration fixed by the committee or the creditors is insufficient, he may apply to the court for it to be increased. If he decides to apply to the court he must give at least 14 days' notice to the members of the creditors' committee and the committee may nominate one or more of its members to appear or be represented on the application. If there is no committee, the administrator's notice of his application must be sent to such of the company's creditors as the court may direct, and they may nominate one or more of their number to appear or be represented. The court may order the costs to be paid as an expense of the administration.

8 Other matters relating to fees

- 8.1 Where there are joint administrators it is for them to agree between themselves how the remuneration payable should be apportioned. Any dispute arising between them may be referred to the court, the creditors' committee or a meeting of creditors.
- 8.2 If the administrator is a solicitor and employs his own firm to act on behalf of the company, profit costs may not be paid unless authorised by the creditors' committee, the creditors or the court.

9 Provision of information – additional requirements

In any case where the administrator is appointed on or after 1 April 2005 he must provide certain information about time spent on a case, free of charge, upon request by any creditor, director or shareholder of the company. The information which must be provided is –

- the total number of hours spent on the case by the administrator or staff assigned to the case;
- for each grade of staff, the average hourly rate at which they are charged out;
- the number of hours spent by each grade of staff in the relevant period.

The period for which the information must be provided is the period from appointment to the end of the most recent period of six months reckoned from the date of the administrator's appointment, or where he has vacated office, the date that he vacated office.

The information must be provided within 28 days of receipt of the request by the administrator, and requests must be made within two years from vacation of office.
