Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2019

Structure, governance and management

The organisation is a charitable company limited by guarantee, incorporated on 21 October 2005 and registered as a charity on 13 March 2006. The Company was established under a Memorandum of Association, which established the objects and powers of the charitable company, and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

Appointment of Trustees/Board Members or Director and other bodies of PTS

- The Board will approach its new members based on their expertise, knowledge, word of mouth, personality, contacts and charitable work.
- · The Board will ask for Candidate's CV.
- Meet with the Candidate and discuss the Charity.
- The Board will then send an invitation letter to the Candidate to join PTS.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2019

Objectives and activities

Path to Success (PTS) is a charity built upon passion, dedication and empathy. We strive to bring success and positive empowerment to those who live challenged lives.

The Trustees of the Charity and its supporters have vast experience in fund raising and working with charities. With this shared platform of pooling expertise and resources the Charity wants to make its pledge of support as follows: "We will showcase exceptional and carefully selected projects identified with all earnest of support. Our pledge is to direct fund raising towards measurable projects to make an immediate and demonstrable impact".

Our vision is to share goodwill within the United Kingdom and overseas to help individuals overcome their difficulties by:

- Educating those who can't take education for granted.
- Helping individuals to overcome their disabilities.
- Supporting individuals with long term health concerns with limited financial resources. The Charity holds fundraising Galas and Sporting challenge events for fundraising as well as welcoming donations from individuals and organisations. The funds so collected are to support the Charity's appeal.

In 2019 the Charity focused on Empowering GB Female Athletes in Disability Sport who dream of competing in the Paralympics but do not receive much funding and are self-funded or supported by their families.

Path to Success (PTS) aims to support not only the next generation of Paralympic stars, but also provide access and opportunity to sport for all disabled women. The current lack of funding for disability sport in the UK and the associated risks of inactivity amongst young, disabled women is something we feel passionate about changing.

By end of 2019, the charity was supporting 14 female athletes in four major disability Sport, Wheelchair Tennis, Wheelchair Basketball, Para Powerlifting and Para Badminton, providing financial funding for travel costs, tournament entry fees, coaching, physiotherapy and specialised equipment. A number of PTS's sponsored athletes are set to compete in Tokyo Paralympics, followed by Commonwealth Games in Birmingham and Paris 2024.

The charity will still carry on supporting London Titans Wheelchair Basketball Club through "Annual Wheelchair Basketball Challenge Tournament".

The Trustees are actively involved in maintaining communication with Charity's employee to ensure that the Charity's objectives are met. The Trustees of the Charity have regard to the Commission's public benefit guidance, when exercising any power or duties to which the guidance is relevant.

During the year under review the Charity has not appointed new trustees however the Charity has been working very closely with its Committee Team who meet regularly, share ideas, advice and guidance to help improve fundraising events and make them very unique to Path to Success.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2019

Achievements and performance

During 2019 the Charity collected a total of £145,146 through voluntary donations.

Today the charity has the support of two Patrons and two ambassadors who aim to promote the Charity's good work, increase awareness of disability sport, reach out to a wider network and provide new sponsorship opportunities for Athletes through Path to Success. The Charity has also created a Committee Meeting with members from various backgrounds brainstorming, supporting and helping with fundraising events who meet regularly.

Path to Success is focused on improving the image and increasing awareness of disability sport and the athletes it supports via press, social media platforms and interviews. Many of the athletes' stories have appeared in national TV, Radio and press.

In October 2019, Path to Success hosted its Annual Gala Fundraising event at the prestigious 'Church House Conference Centre' in London with 220 guests, Athletes supported by PTS and representatives from London Titans Wheelchair Basketball Club. Funds raised in the Gala is to provide financial support for athletes on their Path to Tokyo 2020 Paralympics and Beyond.

With funds raised at the Gala, Path to Success managed to provide financial support for additional three athletes in wheelchair basketball between December 31st 2019 - August 31st 2020.

Financial review

The policy of the Charity is to maintain a minimum reserves equivalent to three months of operating cost. Reserves are held for meeting the day to day operating expenses. The Charity also intends to support other deserving charities. Any excess reserves held will be used to provide financial support to deserving charities.

The principle source of funding during the year has been donations and during the year the Charity generated total funds of £145,146. The expenditure for the year was £176,999 mainly incurred for charitable purposes as well as day to day running of the Charity.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2019

Plans for future periods

The Coronavirus (COVID-19) global health crisis has presented challenges for every aspect of daily life. Unfortunately, Path to Success has not been spared from the negative impact. With the lockdown measures requiring the cancellation of in person gatherings, both "Wheelchair Basketball Challenge 2020" and "Welcoming Tokyo event" have now been cancelled and the Charity is impeded from financially supporting the beneficiaries of its appeal.

The postponement of the Paralympic Games to August 2021 adds an additional year of training which will require funding throughout that period with several expenses. Path to Success wants to be at the forefront of supporting these Paralympians, but without corporate or individual donations, our fundraising activities and events, this will be virtually impossible. The inability to host such events an obstacle imposed by the effects of the pandemic through which we are finding it challenging to navigate.

Path to Success has leveraged the power of technology by launching an online initiative on www.easyfundraising.org.uk, AmazonSmile and joined the nation in the 2.6 Challenge. Although these do not generate sufficient funds to fully sponsor an athlete, we have also implemented a 40% reduction in direct staff costs to prolong the charity's life. We have applied for various grants and been fortunate to be the recipient of a Sports England's Community Emergency Funding of £2,000 which will aid the charity's costs.

In addition to the above, to further support the athletes, we have redirected funding and given them the option as to when they want to utilise their disbursements. We believe each athlete knows best, and this has allowed them to extend the use of our support structure to suit their new training plans as they aim to compete next year.

The trustees have conducted a preliminary assessment of the possible impact of COVID-19 on the Charity and concluded that the Charity's future prospects, performance and cash-flows maybe adversely affected by COVID-19 to some extent, However, the trustees does not assume an immediate threat to the Charity's ability to continue as a going concern, at least for the next 12 months. Hence, these financial statements have been prepared on the going concern basis.

Events after the end of the reporting period

Except for the impact of COVID-19 as described above, there were no significant events occurring after the date of the statement of financial position that materially affect the operations of the Charity nor require adjusting or disclosure in the financial statements.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) (continued)

Year ended 31 December 2019

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for integrity and maintenance of the Charity's website.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

Aula Choudheile

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware;
 and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

A resolution to reappoint Slaven Jeffcote LLP as auditors will be proposed at the forthcoming Annual General Meeting.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on $\frac{25}{29}$, $\frac{202}{20}$ and signed on behalf of the board of trustees by:

A Choudhrie Trustee

Company Limited by Guarantee

Independent Auditor's Report to the Members of Path To Success

Year ended 31 December 2019

Opinion

We have audited the financial statements of Path To Success (the 'charity') for the year ended 31 December 2019 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice:
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out below, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

Without qualifying our opinion, we draw your attention to both the Trustees Report and note 3 of the financial statements concerning the Charity's ability to continue as a going concern. The Charity is reliant on future fundraising to continue its operations and its ability to do this has been impacted by the Coronavirus pandemic. As such, there is uncertainty surrounding the hosting of events and the willingness of individuals and corporations to make donations at this time. The Trustees have been looking into alternative solutions to raise funds and are embracing the use of technology by using on line platforms. They are hopeful that these new avenues will be successful and are confident that they Charity will be able to meet its objectives and obligations for the foreseeable future. On this basis the financial statements have been prepared using the going concern basis and no adjustments have been made to the financial statements should this cease to be the case.

Company Limited by Guarantee

Independent Auditor's Report to the Members of Path To Success (continued)

Year ended 31 December 2019

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or the accounting records have not been kept in accordance with Charities and Trustee Investment (Scotland) Act 2005 and Charities Accounts (Scotland) Regulations 2006; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Company Limited by Guarantee

Independent Auditor's Report to the Members of Path To Success (continued)

Year ended 31 December 2019

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
 the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in a
 manner that achieves fair presentation.

Notes to the Financial Statements

Year ended 31 December 2019

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 23 Buckingham Gate, London, SW1E 6LB.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Debtors

Debtors include amounts owed to the charity for the provision of goods and services or amounts the charity has paid in advance for the goods and services it will receive. Debtors also include amounts receivable on grant funding to which the charity in entitled. Debtors are measured at their recoverable amounts (the amount the charity anticipated it will receive from a debt or the amount it has paid in advance for goods or services)

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Creditors

Creditors are measured at their settlement amount, a liability is recognised for the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as an advance payment for goods and services it must provide.

Going concern

The Trustees have conducted a preliminary assessment of the possible impact of COVID-19 on the Charity and concluded that, though the Charity's future prospects, performance and cashflows maybe adversely affected to some extent, the trustees do not consider this to be an immediate threat on the Charity's ability to continue as a going concern, at-least for the next year. Hence, these financial statements have been prepared on the going concern basis. This is dependent upon the Trustees of the Charity being successful in raising future funds through both donations and fund raising in order to allow the Charity to meet its obligations.

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 31 December 2019

3. Accounting policies (continued)

Level of rounding

The financial statements are prepared in sterling which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest \pounds .

Judgements and key sources of estimation uncertainty

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. There are no assumptions and other sources of estimation uncertainty that will have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 31 December 2019

3. Accounting policies (continued)

Resources expended (continued)

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment

- Straight line 3 years

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Company Limited by Guarantee

Notes to the Financial Statements (continued)

Year ended 31 December 2019

3. Accounting policies (continued)

Financial instruments (continued)

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Company Limited by Guarantee
