CANARY WHARF CONTRACTORS (BP3) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

1. GENERAL INFORMATION

Canary Wharf Contractors (BP3) Limited is an English Limited Company registered at One Canada Square, Canary Wharf, London, E14 5AB.

The nature of the company's operations and its principal activities are set out in the Directors' Report.

2. ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value and in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice, including FRS 102 "the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland").

Information on the impact of first-time adoption of FRS 102 is given in Note 15.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see Note 3).

The principal accounting policies are summarised below.

2.2 Going concern

Having made the requisite enquiries and assessed the resources at the disposal of the company, the directors have a reasonable expectation that the company will have adequate resources to continue its operation for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the financial statements.

2.3 Cash flow statement

The company has taken the exemption from preparing the cash flow statement under Section 1.12(b) as it is a member of a group where the parent of the group prepares publicly available consolidated accounts which are intended to give a true and fair view.

2.4 Revenue

Revenue from construction contracts is recognised in accordance with the accounting policy on construction contracts.

2.5 Construction contracts

Construction contracts consist of properties that are being constructed in accordance with long term development contracts and for which the detailed design specification of each building is agreed with the purchaser.

Revenue on construction contracts is recognised according to the stage reached in the contract using the percentage completion method. The percentage of completion is calculated by reference to costs incurred on the building compared with the estimated total costs. The gross amount due comprises costs incurred plus recognised profits less the sum of recognised losses and progress billings. Where the sum of recognised losses and progress billings exceeds costs incurred plus recognised profits, the amount is shown as payments on account.

If it is probable that total contract cost will exceed total contract revenue, the expected loss is recognised immediately as an expense.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

2. ACCOUNTING POLICIES (continued)

2.6 Financial Instruments

Trade and other receivables

Debtors are recognised initially at fair value. A provision for impairment is established where there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the debtor concerned.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances, deposits held with banks and other short term highly liquid investments with original maturities of 3 months or less, which are held for the purpose of meeting short term cash commitments.

Trade and other payables

Trade and other creditors are stated at cost.

Borrowings

Loans payable are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, loans payable are stated at amortised cost with any difference between the amount initially recognised and redemption value being recognised in the Income Statement over the period of the loan, using the effective interest method.

2.7 Taxation

Current tax is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date.

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

For the year ended 31 December 2015, there were no items which the directors believe are significant to the financial statements.
