- 1.11 This Charge is intended to take effect as a deed notwithstanding that the Trustee may have executed it under hand only.
- 1.12 The word "including" is without limitation.

2. COVENANT TO PAY

- 2.1 The Chargor as principal debtor and not merely as surety hereby covenants to the Trustee that it will (immediately when the same becomes due and payable) pay and discharge to the Trustee (on behalf of each Lender) the Indebtedness.
- 2.2 In addition to its obligations under Clause 2.1 and separate therefrom, the Chargor hereby guarantees to each Lender the due and punctual payment by each other Group Member of the Indebtedness and agrees to indemnify the Trustee from and against any loss incurred by any Lender as a result of any other Group Member failing to pay the Indebtedness or as a result of the Indebtedness being or becoming void, voidable, unenforceable or ineffective for any reason whatsoever whether known to the Trustee or a Lender or not.
- 2.3 The Chargor hereby agrees to pay to the Trustee, in respect of the Indebtedness, interest under this Charge accruing due from first demand by the Trustee of the Chargor until actual payment (as well after as before any further demand or judgment or the liquidation of the Chargor) at the rate of interest payable or deemed to be payable by the relevant Group Member in respect of the Indebtedness as calculated and compounded in accordance with any relevant agreement between the Trustee (or any Lender) and the relevant Group Member with respect to the Indebtedness regardless of whether such agreement has been determined or, in the absence of any such agreement, at the rate per annum which is two per cent. (2%) above the cost of funds to the relevant Lender (as conclusively determined by such Lender).
- 2.4 Neither the covenant to pay in Clause 2.1 nor the obligation to pay interest pursuant to Clause 2.3 nor the security created by this Charge shall extend to or include any liability or sum which would, but for this Clause 2.4, cause such covenant, obligation or security to be unlawful under any applicable law.
- 2.5 Notwithstanding Clauses 2.1, 2.2 and 2.3:
- 2.5.1 the liability of the Chargor to the Trustee under Clauses 2.1, 2.2 and 2.3 shall be:
- (A) limited in aggregate to an amount equal to that recovered by the Trustee as a result of the enforcement of this Charge with respect to the Shares;
 - (B) satisfied only from the proceeds of sale or other disposal or realisation of the Shares pursuant to this Charge; and

- 2.5.2 the Trustee shall not have any recourse under Clause 2.1, Clause 2.2 or Clause 2.3 to any assets of the Chargor other than the Shares, provided that nothing in this Clause 2.5 shall limit the recourse of the Trustee to the Chargor in respect of any breach by the Chargor of any obligation (other than Clause 2.1, Clause 2.2 or Clause 2.3) or representation given by the Chargor under this Charge.

3. SECURITY

- 3.1 The Chargor, with full title guarantee and to the intent that the security created shall rank as a continuing security as aforesaid for the Indebtedness, hereby:

3.1.1 charges to the Trustee by way of first fixed charge the Shares, the certificates or other documents of title to which, together with transfers thereof duly executed by the Chargor with the name of the transferee, date and the consideration left blank, have been delivered to the Trustee; and

3.1.2 assigns to the Trustee by way of security all of its right, title and interest to and in the Distributions.

- 3.2 The Trustee hereby agrees that it shall not register all or any of the transfers referred to in Clause 3.1.1 prior to the date of the occurrence of an Event of Default (and shall not, in any event, be obliged to do so).

4. FURTHER ASSURANCE

The Chargor shall promptly upon request from the Trustee execute such documents (including assignments, transfers, mortgages, charges, notices and instructions) in favour of the Lender and do all such assurances and things as the Trustee may reasonably require for perfecting or further securing the Charge hereby constituted (or intended to be constituted) (including any supplemental charge required by the Trustee to evidence or perfect security over Shares allotted and/or issued to the Chargor after the date of this Charge or the registration of the Shares in the name of the Trustee or its nominee) and after this Charge shall have become enforceable for facilitating the realisation (whether by sale or any other form of disposition) of the Shares or any part thereof and for exercising all powers, authorities and discretions hereby or by law conferred on the Trustee.

5. COVENANTS

- 5.1 For so long as it remains bound by the provisions of this Charge the Chargor shall not without the prior written consent of the Trustee:-

5.1.1 assign, charge or in any other way divert the payment of any Distributions or any other moneys payable in respect of the Shares or any part thereof away from the Chargor (other than in accordance with the terms hereof);

5.1.2 enter into or permit to subsist any Encumbrance over the Shares or over any of its other assets charged in favour of the Trustee;

5.1.3 dispose of the Shares or any part of them or agree so to do and for these purposes the term "dispose" shall include any form of disposal of any interest in any asset including (without limitation) any transfer, declaration of trust, assignment, sale or the creation of any other form of legal or equitable interest in or over any asset or any option in respect of any of the foregoing;

- 5.1.4 amend its Memorandum or Articles of Association in a way which will contravene or result in contravention of any provision of this Charge; or
- 5.1.5 enter into any agreement which has or is likely to have a material adverse effect upon the Chargor's ability to perform its obligations under this Charge.
- 5.2 The Chargor will at all times comply with all rules and regulations applicable to it and will obtain and maintain in full force and effect all consents, licences, approvals and authorisations of, exemptions by or registrations or declarations with, any governmental or other authority which may at any time be required in relation to this Charge
- 5.3 The Chargor shall provide the Trustee promptly on request with such financial or other information relating to the Chargor and/or the Shares as the Trustee may from time to time request.
- 5.4 It shall not do or cause or permit to be done anything which may in any way reduce, jeopardise or otherwise prejudice the value to the Trustee of the Shares.
- 5.5 It shall promptly deliver to the Trustee a copy of every circular, notice, resolution, minutes or other documents received by it in connection with the Shares.

6. DISTRIBUTIONS AND VOTING RIGHTS

- 6.1 Any Distributions which may be received by the Chargor prior to the date of the occurrence of an Event of Default may be retained by the Chargor.
- 6.2 Any Distributions which may be received or receivable on and from the date of the occurrence of an Event of Default and for so long as the same is continuing and has not been remedied or waived shall be paid into a separate deposit account, suitably identified, and at a bank notified by the Trustee to the Chargor and the Chargor agrees that at any time after the power of sale referred to in Clause 8.2 has arisen, any credit balance standing in such account may be applied by the Trustee in accordance with Clause 12. At any time after the power of sale referred to in Clause 8.2 has arisen such account shall be operated solely by the Trustee and the Chargor shall have no right to make any withdrawal from it. Nothing in this Clause shall render the Trustee liable to account to the Chargor for any interest on such moneys at a rate higher than that paid from time to time by the said bank on ordinary deposit accounts.
- 6.3 Prior to the date of the occurrence of an Event of Default the Chargor shall, unless the Trustee by notice in writing requires the Chargor to exercise any such right in a particular manner so as to preserve the value of the security created by this Charge, be entitled to exercise all voting and other rights attached to the Shares. On and from the date of the occurrence of an Event of Default and for so long as the same is continuing and has not been remedied or waived, the Trustee may (but shall not be obliged to) exercise any such right.

7. AMOUNTS PAYABLE

- 7.1 All payments under this Charge shall be made without any set-off, retention, counterclaim, plea of compensation or equity and free from, clear of and without withholding or deduction for any or on account of any Taxes except to the extent the Chargor is required by law to make such withholding or deduction. If the Chargor or any agent of the Chargor is obliged to make any such withholding or deduction the Chargor shall pay a sufficient amount as will

result (after such withholding or deduction) in the receipt by the Trustee of the sum which would have been receivable by it in the absence of such withholding or deduction in respect of the Chargor's obligations under this Charge; except that no such amount shall be payable in respect of United Kingdom income tax deducted from any payment of interest which any person is obliged to deduct pursuant to section 874 Income Tax Act 2007 (as currently enacted).

- 7.2 If the Chargor makes a payment hereunder for the account of the Trustee and the Trustee in its sole opinion determines in good faith that it has received or been granted a credit against or relief or remission for or repayment of any Taxes paid or payable by it in respect of or calculated with reference to the deduction or withholding or matter giving rise to such payment the Trustee shall to the extent that it can do so without prejudice to the retention of the amount of such credit, relief, remission or repayment within a reasonable period after such determination pay to such Chargor the amount as the Trustee shall in its sole opinion have determined to be attributable to the deduction or withholding or other matter which would leave the Trustee (after such payment) in no better or worse position than it would have been in if such Chargor had not been required to make such deduction or withholding. Nothing herein contained shall interfere with the right of the Trustee to arrange its tax affairs in whatever manner it thinks fit nor oblige the Trustee to disclose any information relating to its tax affairs or any computations in respect thereof or require the Trustee to do anything that would prejudice its ability to benefit from any other credits or reliefs or remissions for or repayments to which it may be entitled.
- 7.3 All Taxes which are required by law to be deducted or withheld by the Chargor from any amount paid or payable under this Charge shall be paid by the Chargor to the appropriate authority when due in accordance with the provisions of any applicable law and the Chargor shall within 30 days of the payment being made deliver to the Trustee evidence satisfactory to the Trustee (including all relevant Tax receipts that it shall then have received) that the payment has been duly remitted to the appropriate authority.
- 7.4 The obligation of the Chargor under this Charge to make payments in any currency shall not be discharged or satisfied by any tender, or recovery pursuant to any judgment or otherwise, expressed in or converted into any other currency except to the extent to which such tender or recovery shall result in the effective receipt by the Trustee of the full amount of the currency payable under this Charge. To the extent that there is a shortfall between the amount of receipt in one currency and the amount due under this Charge in the original currency then the Trustee shall have a further separate cause of action against the Chargor and shall be entitled to enforce the security created hereunder to recover the amount of that shortfall.
- 7.5 All moneys received or held by the Trustee pursuant to this Charge in a currency other than the currency in which the indebtedness is denominated may from time to time be sold for such one or more of the currencies in which the indebtedness is denominated. The Chargor shall indemnify the Trustee against the full cost (including all costs, charges and expenses) incurred in relation to such sale. The Trustee shall not have any liability to the Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such sale.

8. RIGHTS OF TRUSTEE

- 8.1 At any time after the occurrence of an Event of Default which is continuing and has not been remedied or waived on and after the Trustee has served upon the Chargor in

accordance with Clause 19 notice demanding payment of all or any of the Indebtedness, the security created pursuant to this Charge shall be immediately enforceable and the Trustee may in its absolute discretion and without notice to the Chargor or the prior authorisation of any court:

- 8.1.1 enforce all or any part of the security created by this Charge and take possession of or dispose of all or any of the Shares in each case at such times and upon such terms as it sees fit; and
- 8.1.2 whether or not it has appointed a Receiver, exercise all of the powers, authorities and discretions granted to a Receiver by this Charge or by law.
- 8.2 Section 103 of the Act shall not apply to this Charge which immediately becomes enforceable and the power of sale and all other powers conferred by Section 101 of the Act as varied or extended by this Charge or conferred (expressly or by reference) on a Receiver shall be immediately exercisable by the Trustee at any time after the Trustee has served upon the Chargor in accordance with Clause 19 notice demanding payment of all or any of the Indebtedness.
- 8.3 The power of sale referred to in Clause 8.2 may be exercised by the Trustee in such manner, and for such consideration as the Trustee shall think fit, and the Chargor acknowledges that the Trustee shall not be under a responsibility to the Chargor to obtain the best price available.
- 8.4 Section 93 of the Act shall not apply to this Charge but the Trustee shall have the same right of consolidating this Charge and the principal money and interest and other moneys hereby covenanted to be paid with any other Encumbrance and may exercise that right without any obligation to notify the Chargor.
- 8.5 Without prejudice to the other provisions of this Charge, to the extent that any of the Shares constitute "financial collateral", and this Charge and the obligations of the Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003/3226) (the "**Regulations**"), the Trustee shall at any time on and after the occurrence of an Event of Default have the right to appropriate all or any part of those Shares in or towards discharge of the Indebtedness. For this purpose, the parties agree that the value of any such Shares so appropriated shall be the market price of such Shares at the time the right of appropriation is exercised as determined by the Trustee by reference to such method or source of valuation as the Trustee may select, including by independent valuation. The Chargor agrees that the methods or sources of valuation provided for in this Clause, or selected by the Trustee in accordance with this Clause shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.
- 8.6 The Trustee shall notify the Chargor as soon as reasonably practicable of the exercise of its right of appropriation as regards such of the Shares as are specified in such notice.
- 8.7 Save in so far as may be expressly provided for in the conditions of any dealing or as may otherwise be acknowledged in writing by the Trustee such dealings shall not prejudice or affect the covenants, liabilities and obligations of the Chargor hereunder or the rights and remedies of the Trustee and shall not release or discharge any Encumbrance given by the Chargor hereunder.

- 8.8 The conditions of any dealing agreed in writing by the parties thereto shall be deemed to have been set forth herein and shall be enforceable by the Trustee accordingly.
- 8.9 For the purpose of this provision a dealing shall include:-
- 8.9.1 the giving of time or indulgence by the Trustee or, as the case may be, a Lender;
 - 8.9.2 the neglect or forbearance of the Trustee or, as the case may be, a Lender, in requiring or enforcing payment of any moneys hereby secured;
 - 8.9.3 the release of any property subject to this Charge or of any covenant, condition, liability or obligation hereunder; and
 - 8.9.4 any act, omission, matter or thing whatsoever whereby the Chargor would or might have been released from any covenant, condition, liability or obligation hereunder or any Encumbrance given by him.
- 8.10 The Trustee's costs (including legal costs and surveyors fees) of any dealing including the costs of any release, discharge or reconveyance will be the responsibility and borne by the Chargor and shall be added to the total of the Indebtedness.
- 8.11 Notwithstanding its fiduciary position, the Trustee and any director or officer of the Trustee or any company or person in any other way associated with the Trustee shall be entitled to be or be appointed a director or officer of and to enter into or be otherwise interested in banking, financial, business or other contracts or any other transactions or arrangements with the Chargor or any other member of the Borrowing Group which it could have entered into had it not been a Trustee.
- 8.12 The Trustee may, instead of acting personally, employ or pay an agent, whether being a solicitor or another person to transact or concur in transacting any business or to do or concur in doing any acts required to be done by the Trustee and the Trustee shall not be bound to supervise or be in any way responsible for any loss incurred by reason of any misconduct or default on the part of any such agent and the Trustee shall be entitled to be paid all the usual professional and other charges for business transacted or acts done by it in connection with this Charge.
- 8.13 The Trustee may in relation to this Charge act on the opinion or advice of or any information obtained from any lawyer, auditor, accountant or other expert acting in his professional capacity whether obtained by the Chargor or the Trustee and shall not be responsible for any loss occasioned by so acting.

9. SUBSTITUTION OF TRUSTEE

- 9.1 The power of appointing new trustees shall be vested in the Trustee.
- 9.2 The Trustee (for the purposes of this Clause 9.2 "**Old Trustee**") may retire at any time upon giving no less than one month's written notice, and appoint a new trustee (for the purposes of this Clause 9.2 "**New Trustee**") as Trustee in its place. On the retirement of the Old Trustee, the Old Trustee shall be released from, and the New Trustee shall assume, all the powers and duties of the Old Trustee pursuant to this Charge.
- 9.3 The Trustee may at any time appoint any person (whether or not a trust corporation) to act either as a separate trustee or as a co-trustee jointly with the Trustee.-

9.3.1 if the Trustee considers such appointment to be in its own interests and those of the Lenders; or

9.3.2 for the purposes of conforming to any legal requirements, restrictions or conditions which the Trustee deems relevant for the purposes hereof,

and the Trustee shall give prior notice to the Chargor and the Lenders (other than itself) of any such appointment.

9.4 Any persons appointed under Clause 9.3 shall have such powers, authorities and discretions and such duties and obligations as shall be conferred or imposed on such person by the instrument of appointment. The Trustee shall have power in like manner to remove any person so appointed. Such reasonable remuneration as the Trustee may pay to any person so appointed, and any costs, charges and expenses incurred by such person in performing its functions pursuant to such appointment, shall for the purposes hereof be treated as costs, charges and expenses incurred by the Trustee.

10. APPOINTMENT OF A RECEIVER

10.1 At any time on or after all or any part of the Indebtedness becomes immediately due and payable, or at the request of the Chargor, the Trustee may, without prior notice to the Chargor, in writing (under seal, by deed or otherwise under hand) appoint a Receiver in respect of the Shares or any part thereof and may in like manner from time to time (and insofar as it is lawfully able to do) remove any Receiver and appoint another in his stead.

10.2 Where more than one Receiver is appointed, each joint Receiver shall have the power to act severally, independently of any other joint Receiver, except to the extent that the Trustee may specify to the contrary in the appointment.

11. POWERS OF A RECEIVER

11.1 A Receiver shall (subject to any restrictions in the instrument appointing him and notwithstanding any winding-up or dissolution of the Chargor) have (and be entitled to exercise) in relation to the Shares over which he is appointed the following powers (as the same may be varied or extended by the provisions of this Charge):-

11.1.1 all of the powers of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986 (whether or not the Receiver is an administrative receiver);

11.1.2 all of the powers conferred from time to time on receivers, mortgagors and mortgagees in possession by the Act;

11.1.3 all the powers and rights of a legal and beneficial owner and the power to do or omit to do anything which the Chargor itself could do or omit to do; and

11.1.4 the power to do all things which, in the opinion of the Receiver, are incidental to any of the powers, functions, authorities or discretions conferred or vested in the Receiver pursuant to this Charge or upon receivers by statute or law generally (including the bringing or defending of proceedings in the name of, or on behalf of, the Chargor; the collection and/or realisation of the Shares in such manner and on such terms as the Receiver sees fit; and the execution of documents in the name of the Chargor (whether under hand, or by way of deed or by utilisation of the company seal of the Chargor).

- 11.2 Any such Receiver shall be deemed to be the agent of the Chargor who shall be solely responsible for the Receiver's remuneration and for his acts or defaults whether such acts or defaults purport to be done or made under any of the powers and authorities vested in him as aforesaid or otherwise.
- 11.3 The Trustee shall have power from time to time to fix the remuneration of any Receiver appointed by it and (without being limited to any maximum rate specified by any statute or statutory instrument) to expend all sums required to effect such indemnity insurance as may reasonably be required by such Receiver in connection with his appointment and to direct payment of such remuneration and sums out of the proceeds of sale of the Shares.
- 11.4 The Chargor hereby irrevocably appoints the Trustee and any Receiver appointed under the powers hereinbefore contained to be its attorney in its name and on its behalf and as its act and deed or otherwise to execute and otherwise perfect any deed, assurance or act which it is required to do but fails to do under this Charge or which may be required or which may be deemed proper on any sale or disposition by the Trustee or by any such Receiver as aforesaid of any property or assets of the Chargor under any power of sale or other disposition applicable thereto. The Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment hereunder.
- 11.5 Any Receiver shall have full power to delegate the powers, authorities and discretions conferred on it or him by this Charge (including the power of attorney) on such terms and conditions as it or he shall see fit which shall not preclude exercise of those powers, authorities or discretions by it or him or any revocation of the delegation or any subsequent delegation and Clause 8.12 shall apply, mutatis mutandis, to any such delegation.
- 11.6 The Trustee shall not, nor shall any Receiver, by reason of it or the Receiver entering into possession of the Shares or any part thereof, be liable to account as mortgagee in possession or be liable for any loss or realisation or for any default or omission for which a mortgagee in possession might be liable; but every Receiver duly appointed by the Trustee under the powers contained in this Charge shall for all purposes be deemed to be in the same position as a receiver duly appointed by a mortgagee under the Act, save to the extent that the provisions of the Act are varied by or are inconsistent with the provisions of this Charge when the provisions hereof shall prevail, and every such Receiver and the Trustee shall in any event be entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers duly appointed under the Act.
- 11.7 If the Chargor fails for any reason to obtain registration of the Trustee (or its nominee) as holder of any of the Shares, the Chargor agrees that (without prejudice to the other provisions of this Charge) the Shares shall stand charged to the Trustee by way of equitable charge on the terms and conditions (so far as capable of application) of this Charge; that it will not attempt to charge, encumber, sell or otherwise dispose of any of the Shares without first obtaining the Trustee's written consent; that it will deposit with the Trustee transfers of the Shares duly executed in blank (the Trustee being hereby irrevocably authorised to complete such transfers and other necessary particulars); and that it will exercise all voting and other rights attaching to the Shares as the Trustee shall from time to time direct.

12. APPLICATION OF MONEYS RECEIVED UNDER CHARGE

12.1 Any moneys received under the powers hereby conferred shall, subject to the repayment of any claims having priority to this Charge, be applied for the following purposes and in the following order of priority:-

12.1.1 in satisfaction of all costs, charges and expenses and payments (including payments made in accordance with paragraphs (i), (ii) and (iii) of Section 109(3) of the Act) made or incurred by the Trustee or the Receiver and of remuneration to the Receiver in such order as the Trustee shall in its absolute discretion decide;

12.1.2 in or towards satisfaction of the amount secured by this Charge whether principal or interest or otherwise in such order as the Trustee shall in its absolute discretion decide; and

12.1.3 the surplus (if any) shall be paid to the Chargor or other person or persons entitled to it, save that the Trustee may credit any monies received under this Charge to a suspense account for so long and in such manner as the Trustee may from time to time determine and the Receiver may retain the same for such period as he and the Trustee consider appropriate.

13. RELEASE OF SECURITY

The Trustee shall, at the request and cost of the Chargor, execute and do all such deeds, acts and things as may be necessary to release and/or reassign the Shares from the security created by or in accordance with this Charge upon the Indebtedness being repaid in full.

14. PRESERVATION OF RIGHTS

14.1 Neither the security created by this Charge, the obligations of the Chargor herein contained nor the rights, powers and remedies conferred in respect of the Chargor upon the Trustee by this Charge or by law shall be discharged, impaired or otherwise affected by: -

14.1.1 the winding up, dissolution, administration or reorganisation of any Group Member or any change in the status, function, control or ownership of any Group Member;

14.1.2 any legal limitation, disability, incapacity or other circumstances relating to the Chargor or any other Group Member in relation to the Indebtedness or any of the obligations of any Group Member in relation to the Indebtedness being or becoming illegal, invalid, unenforceable or ineffective in any respect;

14.1.3 any time or other indulgence being granted or agreed to be granted to any Group Member in respect of its obligations in relation to the Indebtedness or under any other Encumbrance;

14.1.4 any amendment to, or any variation, waiver or release of any obligation of any Group Member in relation to the Indebtedness or this Charge;
