- * select suitable accounting policies and then apply them consistently
- * make judgements and estimates that are reasonable and prudent
- * prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the company, and ensuring that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the company and, hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE FINANCIAL STATEMENTS

As at 30 November 2019

1. ACCOUNTING POLICIES

a) The financial statements are prepared under the historical cost accounting convention and cover the year ended 30 November 2019.

b) The Company acts in a trustee capacity only on behalf of its members and all surpluses of income over expenditure are held in a contingency reserve to be applied towards the objectives of the Company in future years. The net assets represented by the contingency reserve are held in trust on behalf of the members.

c) As a result of the nature of the principal business, set out in (b) above, the directors have decided to depart from the required profit and loss formats, set out in S.396 Companies Act 2006 and related Regulations, and adopt an Income and Expenditure format that more appropriately reflects the activity of the Company.

d) Corporation tax is payable on any investment income generated by the Company, but it is currently treated by H M Revenue & Customs as a dormant company for tax purposes, as its investment income is minimal. The directors do not anticipate that this situation will change in the foreseeable future.

2. ADMINISTRATIVE EXPENSES

None of the directors received any remuneration during the year.

3. FIXED ASSETS

	Freehold Property £
Freehold reversionary interest at cost	4,901
Less : Diminution in value	<u>(4,900)</u>
Net Book Value at 30 November 2019 and 2018	£ <u>1</u>

The directors consider that the value of the reversionary freehold interest is, effectively, held in the long leasehold interests of the individual flats and, as a consequence, it has been written it down to a nominal £1.

4. CASH AT BANK

Cash at bank is held in a separate client bank account of the appointed Managing Agent for the sole benefit of the Company.
