For the year ending 31 March 2014 the company was entitled to exemption under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime and in accordance with the Financial Reporting Standard for Smaller Entities (effective 2008).

Approved by the Board on 16 July 2014 and signed on its behalf by:

.....
Mrs C L Jackson
Director

The notes on pages 2 to 3 form an integral part of these financial statements.

1 Accounting policies

Basis of preparation

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (Effective April 2008).

Going concern

The financial statements have been prepared on a going concern basis.

Revenue Recognition

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers. In respect of long term contracts and contracts for ongoing services, turnover represents the value of work done in the year, including estimates of amounts not invoiced. Turnover in respect of long term contracts and contracts for ongoing services is recognised by reference to the stage of completion.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Plant and machinery	15% straight line basis
Fixtures and fittings	15% straight line basis
Motor vehicles	25% straight line basis
Office equipment	20% straight line basis

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.

Pensions

The company operates a defined contribution pension scheme. Contributions are recognised in the profit and loss account in the period in which they become payable in accordance with the rules of the scheme.

The following balance owed to the directors was outstanding at the year end :	23,516	-	25,770	-			
	<u> </u>		<u> </u>		<u> </u>		<u> </u>

5 Going Concern

The directors have reviewed the performance of the company since the end of the accounting period. The level of turnover remains consistent, there are sufficient cashflows to meet the ongoing liabilities and the company is continuing to generate a profit. Therefore the directors are satisfied that there are no material uncertainties that may

cast significant doubt about the ability of the company to continue as a going concern.
