STRATEGIC REPORT FOR THE YEAR ENDED 31 MARCH 2015

The Directors present their strategic report of the Company for the year ended 31 March 2015.

REVIEW OF BUSINESS AND FUTURE DEVELOPMENTS

The Company is the general partner of an investment limited partnership. The Company delegates the management of the investment portfolio of the limited partnership to FF&P Private Equity Limited. The Company's principal business risk relates to the operation of FF&P Private Equity Limited. FF&P Private Equity Limited is part of the Fleming Family & Partners Limited Group. The Strategic Report on pages 3 to 5 of the annual report and accounts of Fleming Family & Partners Limited includes a review of the Group's principal business risks and uncertainties, business and future developments, performance and key performance indicators, including FF&P Private Equity Limited.

FINANCIAL RISK MANAGEMENT

The Company is exposed to financial risk predominantly through the operation of its bank accounts. Balances on such accounts are generally held on short term notice and are therefore subject to short term variations in interest rates.

Currency risk

Substantially all of the Company's turnover, expenses, assets and liabilities are denominated in sterling. The Company ensures that the exposure to net assets held in foreign currency is monitored and managed as appropriate.

Market risk

The majority of the Company's income arises from profit shares from the limited partnership. Such income is affected by the impact of movements in the values of securities held by the limited partnership.

It is not currently the policy of the Company to seek to reduce the exposure of the Company through hedging mechanisms.

Credit risk

The majority of the Company's assets comprise debtors and cash at bank. It is the Company's policy to hold cash with a small number of high quality institutions. Debtors are monitored regularly.

The Company's credit exposure is, indirectly, to fellow members of the limited partnership.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Strategic Report, Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to auditors

Each of the Directors confirms that, to the best of each person's knowledge and belief:

- So far as the Director is aware, there is no relevant audit information of which the Company's auditors are unaware; and
- They have each taken all the steps that ought to have been taken by them as Directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

The Directors confirm that they have complied with the above requirements in preparing these financial statements.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FF&P GENERAL PARTNER (NO.13) LIMITED

Report on the financial statements

Our opinion

In our opinion the financial statements, defined below:

- give a true and fair view of the state of the company's affairs as at 31 March 2015 and of its profit and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

This opinion is to be read in the context of what we say in the remainder of this report.

What we have audited

The financial statements, which are prepared by FF&P General Partner (No.13) Limited, comprise:

- Profit And Loss Account for the year then ended;
- Cash Flow Statement for the year then ended;
- Reconciliation Of Movements In Shareholders' Funds for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

What an audit of financial statements involves

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the Annual Report & Accounts (the "Annual Report") to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF FF&P GENERAL PARTNER (NO.13) LIMITED (CONTINUED)

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and ISAs (UK & Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.
