### **CHAIRMAN'S STATEMENT**

The last year has been a story of continuing growth and progress for Brasserie Bar Co and its associated companies. This includes Blanc Brasseries Limited with 19 sites across the UK and The White Brasserie Company Limited, our fledgling pub/brasserie concept.

Abriand Limited, the Group's ultimate parent undertaking, reported Group turnover and restaurant EBITDA of £30 7m and £5m for the period to 30 June 2013, representing an increase of 84% and 82% respectively on the previous period. These results reflect the success of the growth programme which was advanced by the transformation of former Chez Gérard sites during 2012.

This performance is particularly encouraging given the fact that the Olympic and Paralympic Games fell in the reporting period. During the Games, sales in our London estate were significantly and detrimentally affected by the change to the working and spending habits of our customers. To illustrate this point, in the first three months of the current financial period (30 June 2013 to 30 September 2013) sales in our London estate were up 23% like for like.

Our estate of Brasserie Blancs outside London continue to perform to plan and gained momentum as the year progressed, showing a 7% like for like sales growth in period 12. We expect to continue to grow this element of our business when good opportunities arise. We opened brasseries in St. Albans and Farnham in the financial period to 30 June 2013 and we will open in Beaconsfield in March 2014.

Last year we said that we expected The White Brasserie Company to be a key contributor to the future growth of the group's business. It is therefore especially pleasing that our two prototype pub/brasseries in Teddington and Weybridge should continue to show considerable like for like sales and EBITDA growth for the financial period (9% and 13% respectively). We have exciting and innovative plans to develop this business and look forward to reporting back on this in the future. We have exciting and innovative plans to develop this business and have recently completed a funding arrangement which will enable us to engage in a speedy roll out of pub brasseries under the umbrella of the White Brasserie Company Limited.

The market in which we trade remains competitive and our customers demand very exacting standards. We believe we have the product and the strength of management to deliver to this very high level

It is customary in these statements to reflect on the contribution made by the people in our business. In doing so I feel content to leave the results to speak for themselves. Such a performance would not be possible without the massive contribution and commitment of all within our group. To them (many of whom will receive this document as a shareholder). Thank you Well done and keep it up!

Finally, I should mention that after eight years as a Director of the Group, I propose to stand down as Chairman and handover the reigns to Ian Edward. It has been an absolute pleasure to help drive the business forward from formation to its current robust state and we should be proud of our success, but a younger body and mind is now required and Ian is excellently equipped to move the business forward. The Board has asked me to remain as a non-executive Director and I am delighted to accept this position.

I R H GLYN Chairman

### STATEMENT AS TO DISCLOSURE OF INFORMATION TO THE AUDITOR

The directors who were in office on the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditor is unaware. All directors have confirmed that they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

### **AUDITOR**

A resolution to reappoint Baker Tilly UK Audit LLP as auditor will be put to the members at the Annual General Meeting

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemptions

The report of the directors was approved by the board on 25/03

2014 and signed on its behalf by

H Melvin Director

# DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period

In preparing those financial statements, the directors are required to

- a select suitable accounting policies and then apply them consistently,
- b make judgements and accounting estimates that are reasonable and prudent,
- c prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BRASSERIE BAR CO LIMITED

We have audited the financial statements on pages 6 to 17 The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

### Respective responsibilities of directors and auditor

As more fully explained in the Directors' Responsibilities Statement on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at <a href="http://www.frc.org.uk/Our-Work/Codes-Standards/Audit-and-assurance/Standards-and-guidance/Standards-and-guidance-for-audit/UK-Private-Sector-Entity-(issued-1-December-2010)">http://www.frc.org.uk/Our-Work/Codes-Standards/Audit-and-assurance/Standards-and-guidance-for-auditors/Scope-of-audit/UK-Private-Sector-Entity-(issued-1-December-2010)</a> aspx

#### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2013 and of its loss for the period then ended.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

### Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- · certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies exemption in preparing the directors' report

SHAREHOLDERS' FUNDS

5,643,898

### **ACCOUNTING POLICIES**

#### BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention

The accounts present information about the company as an individual undertaking and not about its group, as the company has taken advantage of the exemption provided by section 400 of the Companies Act 2006 not to prepare consolidated financial statements as it and its subsidiary undertakings are included in the consolidated financial statements of Abriand Limited, a company incorporated in the United Kingdom

#### **GOING CONCERN**

The directors have received an undertaking from the ultimate parent company, Abriand Limited, that it will provide any necessary financial support to enable the company to continue to trade and meet its liabilities as they fall due for a period of at least 12 months from the date of approval of these financial statements

In February 2014, Abriand Limited and its subsidiaries successfully secured significant new funding which will enable the group to meet its day to day working capital requirements and provide significant new funding which will enable a further roll out of the "Brasserie Blanc" and "White Brasserie" brands

The directors have prepared a detailed business plan including cash flow projections for the period through to 31 March 2015 which indicate that the group will be profitable at an operating level, cash generative in order to continue to service its financial obligations as and when they fall due and is able to trade within the agreed financial covenants attached to the new funding facility

As with any group placing reliance on future forecasts, the directors acknowledge that there can be no certainty that these will be achieved. The current economic environment creates uncertainty over discretionary restaurant/pub spend but the directors are pleased that trading performance since July 2013 is on plan. Having considered these risks and the current economic environment, the directors have a reasonable expectation that the group will achieve the forecasted performance, has adequate financial resources and support to continue in operational existence for the foreseeable future and provide any necessary financial support to Brasserie Bar Co. Limited

The directors believe that it remains appropriate to prepare the financial statements on a going concern basis

#### TANGIBLE FIXED ASSETS

All fixed assets are initially recorded at cost

### **DEPRECIATION**

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows -

Short leasehold improvements

Over the lease term

Computer equipment

5 years straight line

Plant and machinery

7 years straight line

The carrying values of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying values may not be recoverable

#### **INVESTMENTS**

Investments are recorded at cost less provisions for impairment

### **ACCOUNTING POLICIES**

#### **OPERATING LEASE AGREEMENTS**

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight-line basis over the period of the lease. Lease incentives are recognised over the shorter of the lease term and the date of the next rent review.

#### **DEFERRED TAXATION**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events at that date will result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be future taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis

### POST RETIREMENT BENEFITS

During the period the company made payments to certain employees' money purchase pension schemes. These costs are charged to the profit and loss account as incurred

### **CASH FLOW STATEMENT**

The company has taken advantage of the exemption in Financial Reporting Standard No 1 (revised) from the requirement to produce a cash flow statement on the grounds that the company is a wholly owned subsidiary and its ultimate parent company publishes consolidated financial statements

#### FINANCIAL INSTRUMENTS

Financial liabilities and equity instruments are classified according to the contractual arrangements entered into An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

When the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity

### NOTES TO THE FINANCIAL STATEMENTS

for the period ended 30 June 2013

### 20 RELATED PARTY TRANSACTIONS

As a wholly owned subsidiary, the company is exempt from the requirements of FRS 8 "Related Party Disclosures" to disclose transactions with other group companies

During the period, fees totalling £Nil (2012 £100,000) were charged by Core Capital LLP (an entity in which S P Edwards, a director of the company, has an interest) for consultancy services provided

### 21 FINANCIAL INSTRUMENTS

As at 10 May 2012, the company entered into an interest rate swap arrangement which fixes the interest rate at 1 45% on £2,675,000 of the bank loan in order to reduce interest rate risk. This interest is in addition to the margin charged by the bank of 4% (note 11). The instrument expires on 31 March 2015. The fair value of the instrument at the balance sheet date was a liability of £29,175 (2012 £44,368 liability).
