## Independent auditor's report

---

### To Anne Street Partners Limited under section 449 of the Companies Act 2006

We have examined the abbreviated accounts which comprise the balance sheet and the related notes, together with the financial statements of Anne Street Partners Limited for the year ended 30 September 2016 prepared under section 396 of the Companies Act 2006.

Our report has been prepared pursuant to the requirements of section 449 of the Companies Act 2006 and for no other purpose. No person is entitled to rely on this report unless such a person is a person entitled to rely upon this report by virtue of and for the purpose of section 449 of the Companies Act 2006 or has been expressly authorised to do so by our prior written consent. Save as above, we do not accept responsibility for this report to any other person or for any other purpose and we hereby expressly disclaim any and all such liability.

### Respective responsibilities of directors and auditors

The directors are responsible for preparing the abbreviated accounts in accordance with section 444 of the Companies Act 2006. It is our responsibility to form an independent opinion as to whether the company is entitled to deliver abbreviated accounts to the Registrar of Companies and whether the abbreviated accounts have been properly prepared in accordance with the regulations made under that section and to report our opinion to you.

We conducted our work in accordance with Bulletin 2008/4 "The special auditor's report on abbreviated accounts in the United Kingdom" issued by the Auditing Practices Board. In accordance with that Bulletin we have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to deliver abbreviated accounts and that the abbreviated accounts are properly prepared.

### Opinion

In our opinion the company is entitled to deliver abbreviated accounts prepared in accordance with section 444(3) of the Companies Act 2006, and the abbreviated accounts have been properly prepared in accordance with the regulations made under that section.

## Notes forming part of the abbreviated accounts for the year ended 30 September 2016

---

### 1 Accounting policies

These abbreviated accounts have been prepared in accordance with the special provisions of Part VII of the Companies Act 2006 relating to small companies and the Financial Reporting Standard for Smaller Entities (effective January 2015) and have been prepared under the historical cost convention.

The following principal accounting policies have been applied:

#### *Turnover*

Turnover represents sales to external customers at invoiced amounts less value added tax or local taxes on sales.

Revenue from management services is recognised as services are rendered. Revenue from interest and dividend income is recognised when receivable. Revenue from long term projects is recognised when receivable.

#### *Depreciation*

Depreciation is provided to write off the cost, less estimated residual values, of all tangible fixed assets evenly over their expected useful lives. It is calculated at the following rates:

Office equipment and furniture                      - 10% - 33% on cost

#### *Valuation of investments*

Investments held as fixed assets are stated at cost less any provision for impairment. Investments held as current assets are stated at the lower of cost and net realisable value.

#### *Foreign currency*

Foreign currency transactions are translated into sterling at the rates ruling when they occurred. Foreign currency monetary assets and liabilities are translated at the rates ruling at the balance sheet date. Any differences are taken to the profit and loss account.

#### *Taxation*

The charge for taxation is based on profit for the year and takes into account deferred tax. Current tax is measured at the amount expected to be paid using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that the recognition of deferred tax assets is limited to the extent that the company anticipates making sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.

Deferred tax balances are not discounted.

#### *Pension costs*

Contributions to individuals' money purchase pension schemes are charged to the profit and loss account in the year in which they become payable.

## Notes forming part of the abbreviated accounts for the year ended 30 September 2016 (*continued*)

### 1 Accounting policies (*continued*)

#### *Going concern*

The company has net liabilities of £2,488,124 as at 30th September 2016. The directors have prepared cash flow forecasts which indicate that the company will continue to meet its obligations as they fall due for a period of at least one year from the date of approval of these financial statements. Accordingly, the directors consider it appropriate to prepare the financial statements on a going concern basis.

#### *Intangible fixed assets - long term project costs*

Long term project costs represent directly attributable costs incurred in the development of certain projects which span more than one accounting period. These costs are carried forward in intangible assets until such time as the project begins to generate future economic benefits and the associated revenues and costs can be measured reliably. These costs are then amortized over the estimated economic life of the project to match against the revenues generated.
