4. RIGHTS ATTACHED TO SHARES

The rights attached to the Shares are as follows.

4.1 Dividends

The profits of the Company available by law for distribution in respect of any Financial Year shall be applied in the following manner and order of priority:

- (a) any profits which the Company, on the recommendation of the Board and subject to the consent of an Investor Majority determines to distribute in respect of any Accounting Period shall be applied on a non-cumulative basis between the holders of the A Ordinary Shares and the Ordinary Shares from time to time. Any such dividend shall be paid in cash and shall be distributed amongst the holder of the A Ordinary Shares and the Ordinary Shares pro rata according to the number of such A Ordinary Shares and Ordinary Shares held by each of them respectively, as if they constituted one class of share.

4.2 Capital

Subject to each member first giving credit for any return of capital to it/him under Article 5, on a return of capital on liquidation, the surplus assets of the Company remaining after the payment of its liabilities shall be applied, and on any other return of capital (whether as a result of a capital reduction or otherwise) the amount being returned shall be applied, as follows:

- (a) firstly, in paying to each member holding A Ordinary Shares and Ordinary Shares all unpaid arrears and accruals of any dividends on the Equity Shares held by him calculated down to and including the date the return of capital is made (such arrears and accruals being payable irrespective of whether the relevant dividend has become due and payable in accordance with these Articles);
- (b) secondly, in paying to each Holder of A Ordinary Shares an amount equal to the Issue Price of all the A Ordinary Shares held by him (and any waiver of this entitlement in relation to a particular return of capital shall not constitute a waiver of the entitlement in relation to any subsequent return of capital);
- (c) secondly, in paying to each Holder of Ordinary Shares, an amount equal to the Issue Price of each Ordinary Share held by him; and
- (d) thirdly, in distributing the balance of such assets amongst the Holders of the A

Ordinary Shares and the Ordinary Shares (*pari passu* as if they constituted one class of share) in proportion to the number of A Ordinary Shares and Ordinary Shares held by them respectively until each such Holder of those shares has received £10 million per each such share held by him.

- (e) Fourthly, in paying to each Holder of the Deferred Shares, an amount equal to £0.01 for each Deferred Share held by him;
- (f) Lastly, in distributing the balance of the assets amongst the Holders of the A Ordinary Shares and the Ordinary Shares (*pari passu* as if they constituted one class of share) in proportion to the number of A Ordinary Shares and Ordinary Shares held by them respectively.

4.3 Conversion

- (a) The members holding A Ordinary Shares may at any time convert all the A Ordinary Shares into the same number of fully paid Ordinary Shares by notice in writing given to the Company signed by the Holders of not less than 51 per cent of the A Ordinary Shares. The conversion shall take effect immediately upon the date of delivery of that notice to the Company (unless the notice states that conversion is to be effective when any reasonably required conditions specified in the notice have been fulfilled in which case conversion shall take effect when those conditions have been fulfilled) and the Company and members shall do all acts necessary to procure that conversion. For the avoidance of doubt, such A Ordinary Shares shall be converted into Ordinary Shares of the same nominal value.
- (b) In this Article 4.3, the “conversion date” means the date and time on which A Ordinary Shares are to be converted into Ordinary Shares in accordance with this Article 4.3.
- (c) Each member holding A Ordinary Shares shall deliver the certificate(s) for those shares (or an indemnity in a form reasonably satisfactory to the Company in respect of any missing share certificate) to the Company on or before the conversion date whereupon the Company shall issue to the persons entitled thereto certificates for the Ordinary Shares arising on conversion.
- (d) The Ordinary Shares arising on conversion shall rank *pari passu* in all respects with the other Ordinary Shares in the capital of the Company and shall entitle the Holders of them to all dividends and other distributions declared, made or paid by reference to a record date on or after the conversion date on the Ordinary Shares.

4.4 Voting

The Holders of the A Ordinary Shares and the Ordinary Shares shall be entitled to receive notice of and to attend and speak at any general meetings of the Company and any Holder of such shares who (being an individual) is present in person or by proxy or (being a corporation) is present by duly authorised representative or by proxy shall, on a show of hands, have one vote, and, on a poll, have one vote each for every such Equity Share of which he is the Holder. The Deferred Shares shall carry no rights to vote on any resolution of the Company.

4.5 Leaver

If a person gives a Deemed Transfer Notice pursuant to Article 11 as a result of a Transfer Event described in Article 11.1 occurring, then such person shall from the date of such Deemed Transfer Notice cease to have, in respect of the Shares the subject of the Deemed Transfer Notice, any of the rights described in:

- (b) participate in any return on capital, save to the extent specified in article 4.2(e);

- 4.7 Unless an Investor Majority otherwise directs in writing, the Deferred Shares may be purchased by the Company immediately prior to a Sale or Listing (as the case may be) provided it is lawful for the Company to purchase them at that time. The Company shall pay £0.01 for each Deferred Share so purchased. For the avoidance of doubt, the provisions of article 9 shall not apply to the purchase of any Deferred Shares by the Company pursuant to this Article 0.

5. SALE OF THE SHARE CAPITAL OF THE COMPANY

Subject to each member first giving credit for any return of capital to it/him under Article 4 2, in the event of a Sale then, notwithstanding anything to the contrary in the terms and conditions governing such Sale, the selling Holders (immediately prior to such Sale) shall procure that the consideration (whenever received) shall be paid into a designated trustee account and shall be distributed amongst such selling Holders in the same order of priority as a return of capital as set out in Article 4.2.

6. VARIATION OF RIGHTS

Without prejudice to Article 4.3, whenever the share capital of the Company is divided into different classes of share, the special rights attached to any such class may only be varied or abrogated (either whilst the Company is a going concern or during or in contemplation of a winding-up) either (i) with the consent in writing of the Holders of more than three-fourths of the issued shares of that class, or (ii) with the sanction of a special resolution passed at a separate general meeting of the Holders of that class. To every such separate general meeting all the provisions of

these Articles relating to general meetings of the Company (and to the proceedings at such general meetings) shall apply.

8. PERMITTED TRANSFERS

8.1 Notwithstanding the provisions of any other Article, the transfers set out in this Article 8 shall be permitted without restriction and the provisions of Article 9 (Voluntary Transfers) and 10 (Change of Control) shall have no application to a transfer made in accordance with this Article 8.

8.2 Permitted transfers by Investors

- (a) Any Investor, being a body corporate, shall be entitled to transfer all or any of its shares to any other body corporate which is for the time being its subsidiary or holding company or another subsidiary of its holding company (each such body corporate being a "Group Company") but if a Group Company whilst it is a Holder shall cease to be a Group Company in relation to such Investor it shall, within 15 Business Days of so ceasing, transfer the shares held by it to the Investor or any Group Company of the Investor.
- (b) A Group Company to whom shares are transferred by an Investor in accordance with Article 8.2(a) may transfer shares to another Group Company of the same Investor.
- (c) Any Investor shall be entitled to transfer all or any of its Shares to.

8.3 Permitted transfers by non-Investors

If the personal representatives of a deceased Holder are permitted under these Articles to become registered as the Holders of any of the deceased Holder's Shares and elect to do so, those Shares may at any time be transferred by those personal representatives under Article 8.3 to any person to whom the deceased Holder could have transferred such Shares under this Article 8.3 if he had remained the Holder of them. No other transfer of such Shares by personal representatives shall be permitted under this Article 8.3.

8.4 Permitted Transfers by all Shareholders

- (a) Any Holder may at any time transfer any Shares in accordance with the provisions of the Act to the Company.
- (b) Any Holder may at any time transfer all or any of his Shares to any other person with the prior written consent of an Investor Majority or a majority of the serving Investor Directors from time to time.
- (c) Any shares may be transferred pursuant to Article 9 (Voluntary Transfers) and 10 (Change of Control).

9. VOLUNTARY TRANSFERS

9.1 Except as permitted under Article 8 any Holder who wishes to transfer Shares (the "Vendor") shall give notice in writing (the "Transfer Notice") to the Company of his wish specifying:

- (a) the number and class(es) of Shares (the "Sale Shares") which he wishes to transfer;
- (b) the name of any third party to whom he proposes to sell or transfer the Sale Shares;
- (c) the price per share at which he wishes to transfer the Sale Shares (the "Transfer Price"); and
- (d) whether or not the Transfer Notice is conditional upon all, and not part only, of the Sale Shares being sold pursuant to the offer referred to in Article 9.4 (a "Total Transfer Condition") and, in the absence of such stipulation, it shall be deemed not to be so conditional.

9.2 No Transfer Notice or Deemed Transfer Notice shall be withdrawn unless the Vendor is obliged to procure the making of an offer under Article 10 and is unable so to procure. In that event the Vendor shall be entitled to withdraw such Transfer

Notice, without liability to any person, prior to completion of any transfer.

9.3 The Transfer Notice shall constitute the Company the agent of the Vendor for the sale of the Sale Shares at the Transfer Price.

9.4

- (a) The Company shall forthwith upon receipt of a Transfer Notice or, where later, upon the determination of the Transfer Price give notice in writing to each of the Holders of Shares (other than the Vendor) offering the Sale Shares for sale at the Transfer Price to those Holders in proportion to the number of Shares then held by them respectively. Every such notice shall specify (a) the total number of Sale Shares; (b) the Transfer Price; (c) the number of Sale Shares offered to the Holder (its "Proportionate Entitlement"); (d) whether or not the Transfer Notice contained a Total Transfer Condition; and (e) a period of 20 Business Days (or 10 Business Days if the Vendor is an Investor) within which the offer must be accepted or shall lapse. The notice shall be accompanied by a form of application for use by the Holder in applying for its Proportionate Entitlement and for any shares in excess of such entitlement which it wishes to purchase.
- (b) Within 3 days of the expiry of the offers to be made pursuant to Article 9.4(a) (or sooner if all the Sale Shares offered shall have been accepted in the manner provided in Article 9.4(a)), the Board shall allocate the Sale Shares in the following manner:
 - (i) to each Holder who has agreed to purchase shares, its Proportionate Entitlement or such lesser number of Sale Shares for which it applied;
 - (ii) if any Holder has applied for less than its Proportionate Entitlement, the excess shall be allocated to the Holders who have applied for any part of such excess in proportion to the number of Shares then held by them respectively (but without allocating to any Holder a greater number of Sale Shares than the maximum number applied for by it) and any remaining excess shall be apportioned by applying this Article 9.4(b)(ii) without taking account of any Holder whose application has already been satisfied in full

and the Company shall forthwith give notice of each such allocation (an "Allocation Notice") to the Vendor and each of the persons to whom Sale Shares have been allocated (a "Member Applicant") and shall specify in the Allocation Notice the place and time (being not later than 10 Business Days (or 5 Business Days if the Vendor is an Investor) after the date of the Allocation Notice) at which the sale of the Sale Shares shall be completed.

9.5 If any of the Sale Shares shall not be capable of being offered or allocated as aforesaid without involving fractions, the shares forming part of each and every fractional entitlement shall be aggregated and offered to or allocated amongst the Holders, or some of them, as may be determined by lots drawn in respect thereof, and the lots shall be drawn in such manner as the directors shall think fit.

9.6 Subject to Article 9.7, upon such allocations being made as aforesaid, the Vendor

shall be bound, on payment of the Transfer Price, to transfer the Sale Shares comprised in the Allocation Notice to the Member Applicants named therein at the time and place therein specified free from any lien, charge or encumbrance. If he makes default in so doing, the chairman for the time being of the Company or, failing him, one of the Directors, or some other person duly nominated by a resolution of the Board for that purpose, shall forthwith be authorised by the Board to execute, complete and deliver in the name and on behalf of the Vendor a transfer of the relevant Sale Shares to the Member Applicant and any Director may receive and give a good discharge for the purchase money on behalf of the Vendor and (subject to the transfer being duly stamped) enter the name of the Member Applicant in the register of members as the Holder or Holders of the shares so purchased by him or them. The Board shall forthwith pay the purchase money into a separate bank account in the Company's name and shall hold such money on trust (but without interest) for the Vendor until he shall deliver up his certificate or certificates for the relevant shares (or an indemnity, in a form reasonably satisfactory to the Board, in respect of any lost certificate) to the Company whereupon he shall be paid the purchase money.

- 9.7 If the Vendor included a Total Transfer Condition in the Transfer Notice and the total number of shares applied for by Member Applicants is less than the number of Sale Shares then the Allocation Notice shall refer to such provision and shall contain a further invitation, open for 10 Business Days (or 5 Business Days if the Vendor is an Investor), to those persons to whom Sale Shares have been allocated to apply for further Sale Shares which, in the event of competition, shall be allocated in accordance with Article 9.4(b)(ii). If the Transfer Notice included a Total Transfer Condition, completion of the sale of the Sale Shares in accordance with Article 9.6 shall be conditional upon applications having been made for all of the Sale Shares.
- 9.8 In the event of all the Sale Shares not being sold under the preceding paragraphs of this Article 9 the Vendor may, at any time within three calendar months after receiving confirmation from the Company that the pre-emption provisions herein contained have been exhausted, transfer any Sale Shares (which have not been sold) to any person or persons at any price not less than the Transfer Price PROVIDED THAT:
- (a) if the Vendor included a Total Transfer Condition in the Transfer Notice, the Vendor shall not be entitled, save with the written consent of all the other shareholders of the Company, to sell hereunder only some of the Sale Shares comprised in the Transfer Notice to such person or persons;
 - (b) any such sale shall be a bona fide sale and the Board may require to be satisfied in such manner as it may reasonably require that the Sale Shares are being sold in pursuance of a bona fide sale for not less than the Transfer Price without any deduction, rebate or allowance whatsoever to the purchaser and, if not so satisfied, may refuse to register the instrument of transfer; and
 - (c) for the avoidance of doubt, the Board shall refuse registration of the transfer if such transfer obliges the Vendor to procure the making of an offer in accordance with Article 10.1, until such time as such offer has been made and, if accepted, completed.

10. CHANGE OF CONTROL

- 10.1 (a)** Subject to **Article 10.1(b)**, if any transfer of shares by a Vendor would, if completed, result in the transferee together with persons acting in concert or connected with that transferee obtaining a Controlling Interest, the Vendor shall procure the making, by the proposed transferee of the Vendor's shares, of a Come Along Offer to all of the other Holders of Shares of the Company. Every Holder, on receipt of a Come Along Offer, shall be bound within 20 Business Days of the date of such offer (or 10 Business Days if the Vendor is an Investor) (which date shall be specified therein) either to accept or reject such offer in writing (and in default of so doing shall be deemed to have rejected the offer). Until such Come Along Offer has been made and completed, the Board shall not sanction the making of or register the transfer or proposed transfer which triggered the requirement to procure the Come Along Offer.
- (b)** The provisions of **Article 10.1(a)** and **10.2(a)** shall not apply to any transfer of shares:
- (i)** pursuant to **Article 8** (other than **Article 8.4(c)**); or
 - (ii)** to any person who was a Holder of Shares at the date of the adoption of these Articles.
- (c)** "Come Along Offer" means an unconditional offer, open for acceptance for not less than 20 Business Days (or 10 Business Days if the Vendor is an Investor), to purchase all or any Shares held by the recipients of a Come Along Offer free from all liens, charges and encumbrances at a cash price per share equal to the highest price per share (exclusive of stamp duty, stamp duty reserve tax and commission) paid or to be paid by the transferee referred to in **Article 10.1(a)** (or any person with whom such transferee is connected or with whom such transferee is acting in concert) for Shares (inclusive of the shares giving rise to the obligation to make the Come Along Offer) within the period of one year prior to and ending on the proposed date of completion of such transfer of shares.

- 10.2 (a)** If an Investor Majority (in this **Article 10.2**, the "Vendors") wish to transfer their Shares in the Company (the "Offer") to any third party purchaser (the "Purchaser"), then the Vendors shall also have the option to require all of the other Holders of Shares to transfer all their Shares in the Company to the Purchaser, or as the Purchaser directs, by giving notice (the "Drag Along Notice") to that effect to all such other Holders (the "Called Shareholders") specifying that the Called Shareholders are required to transfer their shares

pursuant to this **Article 10.2** free from all liens, charges and encumbrances and the price (the “**Proposed Price**”) at which such Shares are proposed to be transferred.

- (b) If any Called Shareholder shall make default in transferring his Shares pursuant to this **Article 10.2**, the provisions of **Article 9.6** (references therein to the Vendor, Sale Shares, Allocation Notice and Member Applicant being read as references to the Called Shareholder making such default, the Shares in respect of which such default is made, the Drag Along Notice and the Purchaser respectively) shall apply to the transfer of the shares of such Called Shareholder mutatis mutandis save that the Transfer Price shall be the price offered for such shares as set out in this **Article 10.2** and the provisions of **Article 9.7** shall not apply. The price for any Deferred Shares shall not be required to exceed £0.01 for each Deferred Share required to be sold.
- (c) An Investor Majority may resolve that the Called Shareholders are paid the cash equivalent of any non-cash consideration (either on completion or at the same time as the non-cash consideration is received by the Vendor) in lieu of such non-cash consideration and the decision of an Investor Majority as to the amount of such cash consideration in lieu of such non-cash consideration shall be final and binding on the Company and all the Holders of Shares who are Called Shareholders.

A Deemed Transfer Notice shall supersede and be deemed to cancel any then current Transfer Notice insofar as it relates to the same Shares except for Shares which have already been validly transferred pursuant to that Transfer Notice.

Notwithstanding any other provision of these Articles, if the Investor so notifies the Board in relation to any Shares, any member holding Shares in respect of which a Deemed Transfer Notice is deemed given shall not be entitled to exercise any voting rights at general meetings of the Company in respect of those Shares between the date of the relevant Deemed Transfer Notice and the expiry of 3 months after the date of the relevant Deemed Transfer Notice given in respect of those Shares or, if earlier, the entry in the register of members of the Company of another person as the Holder of those Shares.

- (b) in the case of a Bad Leaver (as defined in Article 11.5), be the lesser of their Fair Value and their Issue Price.

11.5 In Article 11.4:

11.6 For the purpose of Article 11.1(d), the date upon which a member ceases to hold office or employment as described therein shall be:

- (a) where a contract of employment or directorship is terminated by the employer by giving notice to the employee of the termination of the employment or directorship, the date of that notice (whether or not a payment is made by the employer in lieu of all or part of the notice period required to be given by the employer in respect of such termination);

11.8 Regulations 27 and 28 in the Model Articles shall take effect subject to the express provisions of these Articles.

12. VALUATION OF SHARES

12.1 In the event that the Auditors are required to determine the price at which shares are to be transferred pursuant to these Articles, such price shall be the amount the Auditors shall, on the application of the Board (which application shall be made as soon as practicable following the time it becomes apparent that a valuation pursuant to this **Article 12** is required), certify in writing to be the price which, in their opinion, represents a fair value for such shares as between a willing vendor and a willing purchaser as at the date the Transfer Notice or Deemed Transfer Notice is given. In making such determination, the Auditors shall not take any account of whether the Sale Shares comprise a majority or a minority interest in the Company nor the fact that transferability is restricted by these Articles (and shall assume that the entire issued share capital of the Company is being sold and comprises only of Ordinary Shares).

12.2 In so certifying, the Auditors shall act as experts and not as arbitrators and their decision shall be conclusive and binding on the Company and upon all of its Holders for the purposes of these Articles.

12.3 The costs of the Auditors shall be borne by the Company unless, in the case of a determination required pursuant to the provisions of **Article 11**, the amount determined by the Auditors is less than that suggested by the Board in which event the costs of the Auditors shall be borne by the Vendor.

13. COMPLIANCE

13.1 For the purpose of (i) ensuring that a transfer of shares is duly authorised under these Articles or (ii) ensuring that no circumstances have arisen whereby a Transfer Notice is required to be or ought to have been given under these Articles or (iii) determining whether an offer is required to be or ought to have been made under **Article 10**, the Board or the Investor may require any member or the personal representatives of any deceased member or any person named as transferee in any transfer lodged for registration or such other person as the Board or the Investor may reasonably believe to have information relevant to such purpose, to furnish to the Company such information and evidence as the Board or the Investor may reasonably think fit regarding any matter which they deem relevant to such purpose; including (but not limited to) the names, addresses and interests of all persons respectively having interests in the shares from time to time registered in the Holder's name.

- 13.2 Failing such information or evidence being furnished by such a member, personal representative or transferee in accordance with Article 13.1 to enable the Board and the Investor to determine to its reasonable satisfaction whether such Transfer Notice is required to be or ought to have been given, or whether any offer is required to be or ought to have been made under Article 10:
- (a) where the purpose of the enquiry by the Board or the Investor was to establish whether a Transfer Notice is required to be or ought to have been given, then a Transfer Notice shall be deemed to have been given by the Holder of the relevant shares in respect of such shares; or
 - (b) where the purpose of the enquiry by the Board or the Investor was to establish whether a Come Along Offer is required to be or ought to have been made under Article 10, then any shares the transfer or proposed transfer of which the Board or the Investor indicates prompted its request for information or evidence shall cease to entitle the relevant Holder or Holders to voting rights (whether on a show of hands or on a poll and whether exercisable at a general meeting of the Company or at a separate meeting of the class in question) or to any further shares issued in right of such shares or in pursuance of an offer made to the relevant Holders.

GENERAL

14. ISSUE OF SHARES

- 14.1 Unless otherwise determined by a special resolution of the Company, all new Equity Shares shall, before they are issued whether for cash or otherwise, be offered for subscription to the registered Holders of the Equity Shares (which for these purposes shall be treated as one class of share) in proportion, as nearly as may be, to their respective holdings of Equity Shares.
- 14.2 The offer referred to in Article 14.1 shall be made by notice specifying the number and class of shares offered, the proportionate entitlement of the relevant member, the price per share and the period (not being less than 14 days) (the "First Offer Period") within which the offer, if not accepted will be deemed to be declined.
- 14.3 After the expiry of the First Offer Period, the Board shall offer any shares which have been declined or are deemed to have been declined to the persons who have within that period accepted all the shares offered to them. Such further offer (the "Second Offer") shall be on the same terms as the first offer (save that it shall not be necessary to specify each Holder's proportionate entitlement to the shares offered) and shall invite each Holder to whom the offer is made to state in writing within a period (the "Second Offer Period") of not less than 14 days whether he is willing to take any, and if so what maximum, number of the shares so offered.
- 14.4 At the expiration of the Second Offer Period, the Board shall allot the shares so offered to or amongst the persons who have notified their willingness to take such shares. In the event of competition amongst two or more Holders to whom the Second Offer was made, each Holder to whom the Second Offer was made shall be allocated the number of shares which bears the same proportion to the total number of shares offered pursuant to the Second Offer as his total holding of Equity Shares bears to the total number of Equity Shares held by all Holders to whom the Second

Offer was made and any further shares not allocated on this basis shall be allocated to any remaining Holders who have expressed a willingness to purchase those further shares in proportion as nearly as may be to the number of Equity Shares held by such remaining Holders respectively (provided always that no Holder shall be allocated more shares than he stated he was willing to take pursuant to the Second Offer). The Board shall make such arrangements as they shall think fit concerning entitlements to fractions, overseas Shareholders and Shareholders unable by law or regulation to receive or accept any offer pursuant to this **Article 14**.

- 14.5 Any shares not accepted by the foregoing procedure shall be at the disposal of the Board who may allot, grant options over, or otherwise dispose of them to such persons at such time and generally on such terms and conditions as they determine provided that no shares shall be issued at a discount and provided further that, in the case of shares not accepted as aforesaid, such shares shall not be disposed of on terms which are more favourable to the subscribers thereof than the terms on which they were offered to the members.
- 14.6 Sections 561 and 562 of the Act shall not apply to the Company.
- 14.7 No shares shall be allotted on terms that the right to take up the shares may be renounced in favour of, or assigned to, another person and no person entitled to allotment of a share may direct that such share may be allotted or issued to any other person.
- 14.8 Shares issued to a member by reference to his holding of a class of the Equity Shares shall on issue be designated a share of such class unless the Board with the prior approval of the Investor Majority decide otherwise.
- 14.9 In regulation 22(1) of the Model Articles the words "ordinary resolution" shall be omitted and the words "special resolution" shall be substituted for them.
- 14.10 Notwithstanding any other provision of these Articles, the Board shall be bound to offer to each Investor such a proportion of any Equity Shares which the Board determine to issue as the aggregate nominal value of Equity Shares for the time being held by such Investor bears to the total issued Equity Shares immediately before the issue of the shares. Any shares issued to an Investor pursuant to such offer shall be issued upon no less favourable terms and conditions than those issued to any other person and so that such shares shall at the request of the Investor be registered in the name or names of any one or more members of its group of companies from time to time.

 - (b) if there are no or insufficient reserves to capitalise, offer to the holders of A Ordinary Shares pro rata to their holdings of such A Ordinary Shares the right to subscribe in cash at par for

such number of A Ordinary Shares which shall result in the holders of such A Ordinary Shares holding in aggregate 86% of the entire issued share capital of the Equity Shares of the Company and any Shares allotted to such holders of A Ordinary Shares shall be A Ordinary Shares.
