Liquidators' Remuneration

Liquidators' remuneration was approved by creditors on a time costs basis, subject to an estimate of £12,524.00 at the virtual meeting which took place on 24 March 2016 .

Time costs accrued to date total £12,551.00, which is calculated at 55.38 hours with an average hourly rate of £233.26 per hour. Of this £268.25 was incurred since the last annual report.

I can confirm that due to insufficient realisations, no post appointment fees has been drawn.

Expenses

Expenses are any payments from the estate which are neither an office holder's (i.e. a liquidator's) fees, nor a distribution to a creditor or a member, for example agents fees, statutory advertising, insurance of assets and bank charges. Expenses also includes disbursements, which are payments which are first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are divided into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2). Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder. These expenses can be paid without prior approval.

Category 2 expenses are payments to associates, for example a connected firm, or which have an element of shared costs, for example mileage or photocopying where the rates are set by the officeholder's firm. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

Approval for the recovery of Category 2 disbursements from the liquidation estate in accordance with the firm's billing policy was approved by creditors at the virtual meeting which took place on 24 March, 2016. The Joint Liquidators' Receipts and Payments account itemises those expenses discharged during the course of the liquidation.

Professional Advisors

It has not been necessary to use professional advisors in this matter.

Creditors

Secured creditors

There is a charge listed against this company at Companies House in favour of Lloyds Bank Commercial Finance Ltd. Lloyds bank Plc have submitted an unsecured claim for £30,771.13 but is not clear whether this is covered under the charge.

There have been insufficient funds to make a payment to secured creditors in this matter.

Preferential creditors

There were no preferential claims from former employees of the Company anticipated or received.

Prescribed part for the unsecured creditors s176A Insolvency Act 1986

Section 176A of the 1986 Insolvency Act provides that where the Company has created a floating charge on or after 15 September 2003 the Liquidator must calculate and make a 'prescribed part' of the Company's net property available for the unsecured creditors ahead of any distribution to the floating charge holder.

To the best of our knowledge and belief there are no unsatisfied floating charges created on or after 15 September 2003; so the provisions of s176A do not apply.

Unsecured creditors

The Statement of Affairs estimated unsecured creditor claims of £49,240.79. To date claims totaling £49,264.56 have been received.

There have been insufficient funds to make a payment to unsecured creditors in this matter.

Creditors' further information

As a creditor, you have a right to request further information with regard to any aspect of this report or to challenge the Liquidators' fees and expenses. If you require further information, please do not hesitate to contact us.

If you are not satisfied with our response, you have the right to request further information from me/us with regard to our remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This request must be made within eight weeks of receipt of this report.

Further, creditors have the right to apply to Court to challenge the amount of, or the basis of, our remuneration and expenses, with either the permission of the Court or with a collective request from 10% in value of unsecured creditors. This application must be made within 8 weeks of receipt of this report.

Secured creditors may make the same request or the same application in their own right.

Category 1 and 2 Disbursements

Disbursements are categorised as either Category 1 or Category 2.

Category 1

Category 1 disbursements are clearly identifiable third party costs that are directly attributable to the case. Occasionally these disbursements are paid by McAlister & Co Insolvency Practitioners Limited and then recharged to the case, usually when there are insufficient funds within the case to pay the disbursement at the time it falls due. Specific approval from creditors is not required for Category 1 disbursements.

Typical examples of Category 1 disbursements are:

- Postage
- Advertising
- Insurance
- Travel costs
- External room hire
- Document storage

The current levels of Category 1 disbursements incurred and recovered by McAlister & Co Insolvency Practitioners Limited are as follows:

	Cost Incurred £	Cost Recovered £
Postage	18.18	18.18
Searches	5.00	5.00
Statutory Advertising	294.96	294.96
Bonding	50.00	50.00
Total	368.14	368.14

Category 2

Category 2 disbursements are estimated or shared costs which may include some internal recharges from McAlister & Co Insolvency Practitioners Limited. It is likely that it is not possible, or too costly, to calculate the exact cost and an estimate is therefore used. These disbursements can be paid from the case if the basis of the charge has been approved by creditors.

Typical examples of Category 2 disbursements are:

- Photocopying
- Internal room hire
- Stationery

The current levels of Category 2 disbursements incurred and recovered by McAlister & Co Insolvency Practitioners Limited are as follows:

	Cost Incurred £	Cost Recovered £

Total	44.55	44.55

Famous Battle Limited (“the Company”) Creditors’ Voluntary Liquidation (“CVL”)

NOTICE IS HEREBY GIVEN that as required by R14.36 Insolvency Rules 2016 there will be no dividend available to creditors in this matter and the funds realised have been used for paying the expenses of the insolvency proceedings.
