3. Summary of the Administrator's Proposals

The following proposals were approved by the creditors by way of a Decision Procedure on 19 February 2019.

- (a) I continue to manage the business, affairs and property of the Company in order to achieve the purpose of the Administration. In particular that I:
 - (i) liaise with the Ingenious group with regards to the ongoing tax case;
 - (ii) sell the Company's assets at such time(s) on such terms as I consider appropriate;
 - (iii) investigate and, if appropriate, pursue any claims that the Company may have against any person, firm or Company whether in contract or otherwise, including any officer or former officer of the Company or any person, firm or Company which supplies or has supplied goods or services to the Company; and
 - (iv) do all such things and generally exercise all my powers as Administrator as I consider desirable or expedient at my discretion in order to achieve the purpose of the Administration or protect and preserve the assets of the Company or maximise the realisations of those assets, or of any purpose incidental to these proposals
- (b) the Administration of the Company will end by filing a notice of dissolution with the Registrar of companies. The Company will then automatically be dissolved by the Registrar of Companies three months after the notice is registered; or
- (c) the Administration will end by placing the Company into Creditors' Voluntary Liquidation, and propose that I, Lloyd Hinton am appointed the Liquidator of the Company; or

Creditors may nominate a different person(s) as the proposed liquidator(s), but they must make the nomination(s) at any time after these proposals are delivered to them, but before they are approved.

4. Steps taken during the Administration

I was appointed Administrator of the Company on 12 December 2018 by the Company. I immediately attended to my statutory duties which include notifying Companies House of my appointment, and advertising my appointment and the administration of the Company in the London Gazette. These are tasks that are required by statute or regulatory guidance, or are necessary for the orderly conduct of the proceedings, and whilst they do not produce any direct benefit for creditors, they still have to be carried out.

On 29 January 2019 I issued my proposals to creditors, which were subsequently approved.

Creditors will recall that the principal activity of the Company was as a corporate member of Ingenious Film Partners 2 LLP ("the LLP") a trading Limited Liability Partnership. The Company purchased its interest in the LLP with initial funding provided via a commercial distribution loan.

As a result of its investment in the LLP, the Company retains the right to drawings from the LLP, the majority of which must be used to repay the limited recourse loan received by the Company which financed its investment in the LLP. The drawings available to the Company are driven by the level of film income received by the LLP from its exploitation of the films produced. As film income for the LLP, and hence the level of drawings available to the Company, decreases over time from the release date of the films, it becomes increasingly uneconomic for the Company to incur its annual running costs when these costs are compared to the expected quantum of retained drawings.

As a result of utilising tax losses generated by film production activities, the Company received a notice from HMRC to make accelerated tax payments. The accelerated payments comprise two sources of

liability. The first source of liability arises from the Partner Payment Notices (“PPN”), which HMRC have confirmed that they would not seek to collect until the application for a judicial review has been heard. The second source of liability arises from assessments to withdraw the benefit of group relief received, and HMRC have confirmed that these remain payable, subject to an internal HMRC decision to enforce collection.

The Ingenious companies had held discussions with HMRC over their ability to pay both the PPN liabilities and the liabilities arising from the assessments to withdraw the benefit of group relief. They made hardship claims to HMRC and requested that the collection of the outstanding tax is not pursued. These requests were under consideration by HMRC for many months.

As reported in my Proposals, prior to Administration the Company instructed Reynolds Porter Chamberlain LLP (“RPC”) of Tower Bridge House, St Katherine’s Way, London E1W 1AA and Brick Court Chambers of 7-8 Essex Street, London WC2R 3LD in relation to proceedings being brought by groups of claimants to which the Company is a defendant. Following my appointment, the Company has continued with the instructions. It should be noted that the Ingenious group will settle the legal costs in respect of the proceedings.

In July 2019 a hearing took place at the High Court of Justice involving HMRC and Ingenious Film Partners 2 LLP and others in the Ingenious Group. It was ruled that the submissions made be rejected and the appeal was dismissed.

On 25 November 2019, the creditors agreed to extend the Administration of the Company for a period of 12 months. As such the Administration would automatically end on 11 December 2020.

Following the decision of the Upper Tribunal which was received in July 2019, the Partnership has been granted permission to appeal the decision to the Court of Appeal on the substantive issues in the case (i.e. “trading” and “view to profit”). The Court of Appeal hearing date was listed for 11 March 2021 and the hearing was expected to last 6 days.

The Administration was extended until 14 October 2023 by Order of the Court.

On 4 August 2021 the Partnership received the decision of the Court of Appeal. The Court of Appeal reversed the decision of the Upper Tribunal and restored the decision of the First-tier Tribunal that the Partnership was trading with a view to profit.

The effect of restoring the First-tier Tribunal decision is to reduce both the losses available to the Company and its share of taxable income from the Partnership. On receipt of the draft decision, HMRC submitted an application to the Court of Appeal to appeal its decision, which was declined. In the absence of an application to appeal to the Supreme Court, the decision of the Court of Appeal on 4th August 2021 represents the final outcome of the tax case (subject to any out of time applications). The impact on the financial statements for the Company upon the Court of Appeal decision has not yet been agreed with HMRC but is expected to be consistent with the estimate of the additional tax and interest liability calculated on the basis of the decision of the First-tier Tax Tribunal.

I was contacted by Charles Russell Speechley Solicitors (“CRS”) who were instructed by the Company and other associated companies prior to Administration in respect of a Judicial Review application to challenge the basis on which Partner Payment Notices and associated assessments to recapture group relief had been issued and to halt HMRC collecting the amounts demanded on behalf of the Company and other associated companies.

Given the position with the partnerships’ tax case, the original reasons for entering into the Judicial Review process have fallen away and I therefore confirmed to CRS that their services were not

required going forward. I instructed Solicitors, Brecher LLP, of 64 N Row, London W1K 7DA ("Brecher") to assist me in issuing a Notice of Change of Legal Representative and Notice of Discontinuance of the proceedings to both HMRC and the Court. Upon filing the Notice of Discontinuance, as Administrator of the Company I became responsible for the costs of HMRC which totalled £4,000 against the Company. You may recall that the costs incurred in the Administration of Barnsdale Hills Limited (In Administration) are split equally between the Company and Cradgrove Limited (In Administration) and therefore it was agreed that 50% of HMRC's costs in the sum of £2,000 would be paid as an expense of the Administration in respect of Barnsdale Hills Limited (In Administration).

A settlement agreement was entered into with numerous claimants in relation to civil claims against the Company. The Company, along with a number of co-defendant Ingenious entities and individuals jointly instructed Solicitors, RPC in relation to both the HMRC proceedings and also the civil claims, and I have continued with the instruction. The details of the settlement agreement are confidential. There are likely to be subrogated claims in the Administration in respect of the amounts contributed by third parties in order to meet the settlement payments and the matter is in progress.

There is certain work that I am required by the insolvency legislation to undertake in connection with the Administration that provides no financial benefit for the creditors. A description of the routine work undertaken since my last progress report is contained in Appendix I.

5. Outcome of Administration

The Administration will now be converted to Creditors Voluntary Liquidation as approved in the Proposals to facilitate a dividend to unsecured creditors.

6. Receipts and Payments Account

My Receipts & Payments Account for the period from 12 December 2018 to 5 October 2023 and for the period since 12 June 2023 to date is attached.

The Company is not registered for VAT, and there have been no receipts or payments during the entire period of the administration to 5 October 2023.

There is no estate bank account opened.

6.1 Assets Remaining to be Realised

6.1.1 Investments

The Company retains the right to drawings from the LLP, the majority of which must be used to repay the limited recourse loan received by the Company which financed its investment in the LLP. The drawings available to the Company are driven by the level of film income received by the LLP from its exploitation of the films produced. I am awaiting advice in relation to the investment and security.

6.2 Assets Unable to be Realised

6.2.1 Cash at bank

It was anticipated at the outset of the Administration that there may be an amount available to be realised in respect of Cash at Bank. After making enquiries of the Company's bankers it transpired that there was a zero balance on the Company bank account.

7. Investigation into the affairs of the Company

I undertook an initial investigation into the Company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved. Specifically, I recovered and reviewed the Company's accounting records; obtained and reviewed copy bank statements for the 24 months prior to the Administration of the Company from the Company's bankers; and compared the information in the Company's last set of accounts with that contained in the statement of affairs lodged in the Administration and made enquiries about the reasons for the changes.

There were no matters that justified further investigation in the circumstances of this appointment.

Within three months of my appointment as Administrator, I submitted a confidential report to the Secretary of State to include any matters which have come to my attention during the course of my work which may indicate that the conduct of any past or present Director would make them unfit to be concerned with the management of the Company.

8. Pre-Administration Costs

On 19 February 2019 the following pre-administration costs as detailed in my Proposals were approved by the creditors by correspondence;

- The pre-Administration fixed fee of £5,000 plus VAT.
- The costs incurred by Brecher LLP of £3,000 plus VAT

It was decided by the creditors of the connected companies Langreave Limited (in Administration) and Cradgrove Limited (in Administration) that the above fees would be paid from those companies in Administration as there were unlikely to be sufficient realisations to enable payment from the Company. The fees have been paid.

9. Administrator's Remuneration

On 19 February 2019, creditors voted on decisions by correspondence that my remuneration be approved on a time cost basis based on a fee estimate of £49,258. On 1 August 2023, I sought an increase in the time cost previously approved and creditors agreed that my fee estimate be increased to £98,862 plus VAT.

My time costs for the entirety of the Administration to 5 October 2023 amount to £50,414 representing 133 hours and 24 minutes of work at an average charge out rate of £378, of which £3,583 representing 9 hours and 6 minutes at an average charge out rate of £394 was incurred in the period from 12 June 2023 to 5 October 2023. The actual blended charge out rate incurred compares with the estimated blended charge out rate of £332 in my fee estimate due to the nature of work arising which requires director level input.

I enclose a schedule of my time costs incurred for the period from 12 June 2023 to 5 October 2023, and a schedule showing my total time costs incurred for the entire period of my appointment to 5 October 2023.

To date, I have drawn the sum of £58,600 inclusive of VAT, of which £14,257 was paid in the reporting period. These sums were paid by Langreave Limited (in Administration) and Cradgrove Limited (in Administration).

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <http://www.creditorinsolvencyguide.co.uk/>. A copy of 'A Creditors Guide to Administrators' Fees' also published by R3, together with an explanatory note which shows Insolve Plus Ltd's fee policy are available at the link www.insolveplus.om/faq

Please note that there are different versions of the Guidance Notes, and in this case you should refer to the most recent version.

10. Administrator's Expenses

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder and then reimbursed to the office holder from the estate. Expenses are split into:

- category 1 expenses, which are payments to persons providing the service to which the expense relates who are not an associate of the office holder; and
- category 2 expenses, which are payments to associates or which have an element of shared costs. Before being paid category 2 expenses require approval in the same manner as an office holder's remuneration.

10.1. Category 1 expenses

I have incurred total expenses of £182 inclusive of VAT throughout the course of the Administration. I have not yet drawn any expenses.

Type of expense	Amount incurred
Statutory Advertising	£67
Specific Bond	£115
Total	£182

10.2. Category 2 expenses

I have not incurred any category 2 expenses.

I have used the following professional advisors during the course of the Administration:

Professional Advisor	Nature of Work	Basis of Fees
RPC	Legal Advice	Time Costs
Brecher LLP	Solicitors	Time Costs

The choice of professionals was based on my perception of their experience and ability to perform this type of work having previously acted for the Company and the complexity and nature of the assignment. It should be noted that the legal costs in relation to the proceedings will be met by the Ingenious group.

11. Liabilities

11.1. Secured Creditors

The Company holds an interest in Ingenious Film Partners 3 LLP (“the LLP”). The value of the investment is approximately £5,402,450, and is subject to fixed charges totalling £5,402,450.

An examination of the Company’s mortgage register held by the Registrar of Companies, showed that the Company granted 9 outstanding charges registered at Companies House, details of which were provided with my Proposals to creditors dated 29 January 2019. It would appear that these are fixed charges over specific assets. I have instructed solicitors to review the position.

There are provisions of the insolvency legislation that require an Administrator to set aside a percentage of a Company’s assets for the benefit of the unsecured creditors in cases where the Company gave a “floating charge” over its assets to a lender on or after 15 September 2003. This is known as the “prescribed part of the net property.” A Company’s net property is that left after paying the preferential creditors, but before paying the lender who holds a floating charge. An Administrator has to set aside:

- 50% of the first £10,000 of the net property; and
- 20% of the remaining net property;

up to a maximum of £600,000/£800,000. As there are no floating charges registered, the Prescribed Part provisions will not apply.

11.2. Preferential Creditors

It was not anticipated that there would be any preferential creditor claims and I confirm no preferential claims have been received.

11.3. Crown Creditors

It was not anticipated that there would be any crown creditors and no claim from HMRC has been received.

11.4. Non-preferential unsecured Creditors

The Company has two known intercompany creditors, who are owed a total of approximately £6,773. A claim in the sum of £3,773 has been received.

12. Dividend Outcome

12.1 Secured creditors

The position regarding the LLP investment and the secured creditors is being reviewed and further information concerning any return to the secured creditors will be provided to creditors in due course.

12.2 Unsecured creditors

There will be a small dividend to creditors.

13. Further Information

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Administrator's remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the unsecured creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Administrator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

To comply with the Provision of Services Regulations, some general information about Insolve Plus Ltd, including about our complaints policy and Professional Indemnity Insurance, can be found at www.insolveplus.com

14. Summary
