## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 APRIL 2014

#### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The company meets its day to day working capital requirements through an overdraft facility which is repayable on demand.

The directors consider that the company will continue to operate within the facility currently agreed. However, the margin of facilities over requirements is not large and, inherently there can be no certainty in relation to these matters. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would result from a withdrawal of the overdraft facility by the company's bankers.

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.4 Goodwill

Acquired goodwill is written off in equal annual instalments over its estimated useful economic life.

#### 1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Plant and machinery

- 25% on the reducing balance

Motor vehicles

- 25% on the reducing balance
