This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

### PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve.

During the year December 2011 - November 2012, Blues and Beer CIC has Organised and run the annual Wallingford Blues and Beer Festival. This year the festival attracted around 1,000 paying attendees who enjoyed 11 musical acts, predominantly playing the Blues. Whilst enjoying the music they also were able to sample 22, predominantly local, traditional draught beers, local cider from Upton and local wine from Brightwell. The organisation of the festival started in October 2011, the festival was held on the 1st and 2nd June 2012 and donations, totalling £2,000 were made to our two chosen beneficiaries in September.

*(If applicable, please just state "A social audit report covering these points is attached")*

*(Please continue on separate continuation sheet if necessary)*

**PART 2 – CONSULTATION WITH STAKEHOLDERS** – Please indicate who the company's stakeholders are, how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear

The Stakeholders can be broadly split into three groups

**1 Festival Attendees**

One aim of Blues and Beer CIC is to 'Provide Live Blues Music' to the local people. Although not exclusive to locals the vast majority of the 1,000 attendees travel from within a 20 mile radius. The reaction of those stakeholders is obvious and immediate, this is considered for the next festival.

A second aim is to 'Provide a selection of, predominantly local, traditional draught beers, some 3,200 pints were consumed over the two days.

**2 Regular Helpers**

The festival is run by a combination of the committee, or board of directors, helpers from our chosen charities and a group of helpers whose only benefit is to see a successful festival in 'their' town. These often play key roles as they help regularly, know how the festival is run and provide frequent feedback.

**3 Charities**

The two chosen charities are engaged early in the process, in January immediately after the choice is made by the committee. Members of the charities are involved with the organisation, including publicity and staff planning. At the actual festival, members of the charities help with a variety of activities but primarily staff the bars and barbeque. The charities then received a donation of £1,000 each.

*(If applicable, please just state "A social audit report covering these points is attached")*
