REPORT OF THE TRUSTEES (INCORPORATING THE DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2010

---

The trustees present their report and the financial statements for the year ended 31 March 2010. The trustees, who are also directors for the purposes of company law and who served during the year and up to the date of this report are set out on page 1.

**Structure, governance and management**

The trustees meet regularly to review the progress of the Charity and to make strategy decisions regarding its future. The day to day running of the Charity is delegated to staff.

**Objectives and activities**

The objectives of the Charity are advancing education in the subjects of the environment, arts, culture, spirituality and human values. The trustees consider this meets the Charity Commission guidance on Public Benefit as the magazine is available to all and aims to educate the wider public in all areas mentioned above.

The main activities of the Charity are publishing Resurgence magazine, organising events, conferences, seminars and promoting the aims of the Trust on its website.

**Achievements and performance**

Resurgence Trust has successfully published its bi-monthly journal, Resurgence, six times during the year.

The Trust organised an event in London in October 2009 ahead of the Copenhagen Climate Conference - titled Resilience and Climate Change. The event attracted over 200 people.

The Trust held a summer camp in July where talks, workshops and other activities were organised to promote the aims of the Trust which was attended by 148 people.

During the year work continued on improving the website and adding more sections and useful information for the visitor. The improved website was launched in May 2008 and currently attracts around 46,000 page views per month.

Towards the end of the year, Trustees & employee's of the trust attended a weekend strategy workshop, to identify and prioritise strategic objectives for charity during the coming years. Actions associated with some of these are currently being implemented but it is too early for the results to be assessed.

**Financial review**

This has been a difficult year for the entire global economy.

Although incoming resources have fallen over the past year, reduced outgoings, along with grants & donations, from individuals as well as institutions such as the Tedworth Charitable Trust, have helped reduce the losses the charity has incurred.

The Charity holds no investments other than cash deposits which are kept in a high interest account at Triodos Bank.

At the end of the year the trust had 8,951 members.

**Reserves**

The holding of adequate reserves is thought adequate to protect the Charity from any risks it may face.

REPORT OF THE TRUSTEES (INCORPORATING THE DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2010

Statement of trustees' responsibilities

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing these financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006

Independent examiner's report to the trustees on the unaudited financial statements

I report on the financial statements of The Resurgence Trust for the year ended 31 March 2010 which comprise the statement of financial activities, the balance sheet and the related notes. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of trustees and independent examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) or under Part 16 of the Companies Act 2006 and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

- (i) which gives me reasonable cause to believe that in any material respect the requirements
  - to keep accounting records in accordance with section 386 of the Companies Act 2006, and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice Accounting and Reporting by Charities

have not been met, or

- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

1.1 Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

1.2 Fund accounting

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specific purpose and which the charity may use for its purpose at its discretion.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

1.3 Endowment funds

Endowment funds are retained intact and must not be spent.

1.4 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Income from the magazine and the website is accounted for in the period to which they relate, any subscriptions received in advance being deferred.

Income from investments is included in the year in which it is receivable.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2010

1 5 Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs of goods purchased for resale and costs of fundraising events.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs are the costs associated with the governance arrangements of the Charity which relate to the general running of the Charity as opposed to those costs associated with fundraising or charitable activity.

Support costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis such as estimated usage.

1 6 Tangible fixed assets and depreciation

Tangible fixed assets costing more than £100 are capitalised and included at cost including any incidental expenses of acquisition.

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Office equipment	-	15% reducing balance
Furniture & fittings	-	10% reducing balance

1 7 Stock

Stock is valued at the lower of cost and net realisable value.

1 8 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange prevailing at the accounting date. Transactions in foreign currencies are recorded at the date of the transactions. All differences are taken to the statement of financial activities.
