## NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2008

---

### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The accounts have been prepared on a going concern basis. At 30 June 2008 the company had net liabilities of £13,899. The company's future is dependent on the continued support of the director A Williams, who is owed £18,919. No indication has been given that this support is to be withdrawn and it is reasonable to assume that this will continue for the next twelve months. If the going concern basis were not appropriate, adjustments would have to be made to reduce the value of the assets to their recoverable amount, to provide for any further liabilities that might arise.

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### 1.3 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts.

#### 1.4 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
